## Message from the **PRESIDENT**

Dear Neighbors,

I hope 2026 is getting off to a great start for everyone. I wanted to share a few updates about the association, the board, and some upcoming opportunities for members to become more involved.

First, I'd like to thank our outgoing president, Curtis Culver, for the hard work and dedication he showed during his tenure. Curtis brought strong project management and leadership skills to the board, which proved to be incredibly valuable.

I'd also like to introduce Ron Radnik as our newest board member. Ron has specialized in relocating expats to and from the U.S. and other countries, and his experience as a business owner will make him a great addition to the board. In addition, longtime board member Harold Vance has taken on the role of secretary and will be responsible for signing and filing our official documents.

We also greatly appreciate our committee members — Alana, Gloria, Mimi, and Del — for their valuable contributions to our neighborhood. If you're interested in getting involved, joining a committee is a great way to meet other residents and, of course, have some fun.

Our Social Committee organized several successful events last year and is already planning more for this year. I hope each of you will take the time to come out, participate, and meet your neighbors.

The association's finances are in good order; however, due to continued increases in operating costs, we did have to raise the annual dues for the first time in several years. As a board, we work hard to keep costs down by selecting reliable vendors and cutting expenses wherever possible.

As always, I enjoy meeting and getting to know each of you. Please consider attending a monthly meeting and joining us at the many events organized by our Social Committee.

Regards,  
John Leech  
President  
Lakes of Pine Forest HOA
