Resident Information Session

Ezee Fiber: Construction & Restoration — What to Expect

Tuesday, September 23, 2025 • 6:00–7:00 p.m

Steve Radack Community Center — 18650 Clay Rd, Houston, TX 77084

Please join us for a resident session focused on Ezee Fiber's construction methods, restoration standards, and safety practices in our community. This is an informational meeting—no sales pitch.

Format (1 hour)

- Up to 15 minutes: Ezee Fiber presentation — construction & restoration only (no pricing or sales)
- Up to 45 minutes: Moderated Q&A with residents

What to Expect / Ground Rules

- Focused on construction methods, restoration scope, and safety (not service pricing or marketing)
- A claims/restoration representative will explain how to file damage claims and typical timelines
- Clarification of what is HOA/ROW vs. private property and who to contact for each
- No sign-ups or marketing collection in the room

All residents are encouraged to attend. Bring your questions, we'll do our best to keep it candid and constructive.
