My wife Norma and I have enjoyed living here for the the past year and half. We appreciate the cleanliness and tranquility of our little corner of the Houston area and are willing to assist in keeping it like that.

Since 1986 I have worked in the moving and relocation industry both here in Houston and for 28 years in Rio de Janeiro, Brazil where my wife and I owned a relocation company and I was also elected to be on the Board of Governors of the American Society of Rio de Janeiro and had the honor of serving as the President of that patriotic association in 2002. I look forwarding to serving on our community HOA Board.
