

D.O.X - EYE

E N E R G Y

30 Watt SOLAR POWERED LED FLOODLIGHT

Motion Sensitivity	10 - 50 Feet Adjustable
--------------------	-------------------------

Peak Lumen Output	3000 Lm
-------------------	---------

Equivalent Lumen Output with Lens	8460 Lm
-----------------------------------	---------

Charging Time	9-10 Hours
---------------	------------

Battery	Lithium Ion
---------	-------------

Battery Pack	325 Watt/Hours
--------------	----------------

Housing	Anodized Aluminum
---------	-------------------

SMD LED Chip	CREE COB
--------------	----------

SMD Chip Power	30W 15VAC
----------------	-----------

Dim Brightness (Adjustable)	6000+ Lumens
-----------------------------	--------------

Mounting Tube Adapters	2.3" - 2.44" Diameter
------------------------	-----------------------

CCT (Light Color)	5000K 3000K Available
-------------------	-----------------------

CRI (Color Rendering Index)	70
-----------------------------	----

Weather Rating	IP 65 Wet Locations
----------------	---------------------

Size / Weight	48 x 17 x 8" 56 Lbs
---------------	---------------------

Working Temperatures	- 4°to +125°F
----------------------	---------------
