

These are the steps and link you will need to follow

Equis Financial REQUIRES one of two Anti Money Laundering Courses. One of these is the RegEd AML! This will be a free course for you, the agent. To get this deal, however, you MUST use this link (see below). If you do not, **we will not be able to reimburse you for any charges**. We also recommend that you bookmark this link since you will always need to use this link to log back into the course once registered.

You will also be presented with an option to use this course for Continuing Education with your state. You will want to opt out of this as this particular AML Course cannot be applied for CE credits. Equis will also not be responsible for any fees accrued outside of the RegEd AML course.

Once you click on the link, you'll see the below registration screen. Fill out all the required information and you will be on your way to completing your AML training!

This course will be accepted by all of our carriers EXCEPT Royal Neighbors. They will require the LIMRA AML course. LIMRA can only be completed when contracting is initiated with Royal Neighbors as only they can put you into the LIMRA database. Read the article below to get the LIMRA AML completed.

[What is LIMRA? What carriers require it and how do I get it?](#)

Unlike most AML courses, **RegEd may not provide a certificate for you**. In this case, a screenshot of your completion will be accepted! If you've recently completed RegEd but didn't save a screenshot, just let us know and we can look you up in their system and retrieve this for you.
