*For more information on how the days flow and general schedule please refer to our handbook or website.

What are your main reasons for wanting your child to attend Ignite Creative School?

What are some reasons your child would like to attend Ignite Creative School?

Realistically, how much time per week do you have to help/support your student in their schoolwork? _____

Many students need to adapt to our way of learning in that we encourage students to be self-propelled, ask questions, and seek solutions on their own, rather than expect the teacher to “spoon feed them”. With this in mind, how well does your child navigate tasks when given clear instructions but left on their own to complete them?

Do you feel your student enjoys trying new things? Why or why not?

What are some good experiences you have had at previous schools you hope might continue at Ignite Creative School?

Student Education Information

Please provide any information regarding your child's particular learning style (successes or challenges) that you would like the instructors to know about.

Has your child ever been diagnosed with OR tested for an IEP (Individualized Educational Program)? Has your child been tested/diagnosed for any behavioral challenges? No ☐ Yes ☐

Has the student applicant ever been suspended, put on academic probation, served detention, received demerits or been disciplined for any misbehavior or violations of policy at school? If yes, please describe. (If you wish to discuss this in person, of HAVE already discussed this with our administration, simply note that in the box below).

I hereby authorize representatives of Ignite Creative School to verify all information provided in this application. I certify that all stated facts are true and it is understood that any misrepresentation or omission is cause for ICS to reject this application. ICS is a Christian, non-denominational, homeschool program. ICS serves the Greater Missoula area community by providing instructors to instruct my child(ren) in certain academic subjects. However, I understand that I am ultimately responsible for the overall education of my own child(ren).

Next steps:

After reviewing the application, ICS will conduct family interviews (unless done previous to filling out application). These can be done in-person or via Zoom. Students wishing to attend and parents are to be present. All accepted students and parents are required to read and sign the ICS Handbook which includes the acknowledgement of regulations concerning cell phone use, tablets, dress code, code of conduct, at home work, teacher responsibilities, student responsibilities, disciplinary policy, grievance protocol, academic expectations, and calendar year. In addition, parents will be asked to sign a financial responsibilities contract and make a schedule of payment for each semester for their student(s).

Once accepted, there will be a short new student questionnaire for each student so that teachers and administrators can be best equipped to help students in when they begin ICS.

Please email this application and any questions you may have to: ignitelearncreate@protonmail.com (OR you can drop it off at the school and leave it in our “dropbox”).

We will be in touch within three business days unless notified (due to administrative leave, etc).

Thank you. We look forward to talking with you.
