Unleash Creativity, Innovation and Excellence through the Visual Arts!

# OUR ART PROGRAM

**Learn to Draw!** Instructional drawing and painting classes that incorporates elements and principles of design using a variety of art media.

## Academy of Art Programs (Parent Paid):

- Academy of Art offers instructional art classes in a variety of medium including drawing, painting, clay and mixed media
- Classes are held at your facility as an enrichment program
- Classes are generally one hour, once a week for 4 to 6 weeks, or run as two semesters
- All supplies provided by Academy of Art
- Programs are parent paid (ex: 4 classes = \$80/month)
- Class size varies from eight child minimum to fifteen, though size varies upon program choice and is flexible based on school needs

## School/Facility Responsibilities:

- Advertising for upcoming art classes (Academy of Art will provide flyers and sign ups)
- Location for advertisement
- Flyer/Email/Newsletter distribution to students and families
- Appropriate space to hold art class (existing art room is preferable, but any classroom can be used)

## Benefits:

- No cost to your school
- Ability to offer a unique art enrichment program for your students

Our art program offers art studies and advancement to those children who love the subject and who want to learn more. Our instructors are artists themselves and have the ability and skill of instructing children how to create what they see plus share an appreciation for art history, famous artists and cultures.

# OUR CURRICULUM

**Foster Self-Expression!** Academy of Art's curriculum incorporates the standards of visual arts.
