

Proxy Authorization for Free Museum Admission

The Bitterroot Discovery Children's Museum offers free admission to families who use WIC, SNAP, or EBT benefits.

We understand that benefit cards are sometimes used by other trusted adults—such as babysitters, relatives, or caregivers—to support children who receive benefits. This form allows the cardholder to approve those individuals for museum admission.

What You Need to Know

- Free admission is available when a valid WIC, SNAP, or EBT card is shown.
- If the name on the card does not match the adult using it, this form must be completed.
- Only people listed on this form may use the card to confirm free admission in the future.
- This approval is only for museum admission. It does not allow any other use of the benefit card.
- This information is used only to confirm free admission and will not be shared.
