

# Shooters All-Season Paintball- COVID-19 Update

*The health and safety of our players and our staff is of utmost importance to us. In order to ensure we are in compliance with COVID-19 Protocols we have created a few new guidelines that we would like to share here.*

1. First and foremost, if you are not feeling well, have a fever, have been in close proximity to someone who has tested positive or had symptoms of COVID-19, please stay home to help keep others safe.
2. Players are asked to utilize the new on-line waiver and reservation system we have in place. The number of players will be limited. Please no spectators
3. For the time being, Check-in will take place outside our proshop. Please maintain your distance and be patience with the process that might take a little longer. It's important that we implement a safe system.
4. Please wear face masks in common areas.
5. While you may determine your proximity to your group members, we ask that you maintain a safe 6 foot distance from other groups.
6. Please use only tables which have been assigned to your group in the picnic area and in Paint & Air. All those in your group needing air fills should approach the fill station together when indicated.
7. Hand sanitizing dispensers are located in several areas for your convenience, including inside the porta-potties and at the air fill station. Additionally, we have increased our sanitation efforts in high-touch areas.
8. Rental equipment is cleaned with antibacterial agents and is used only once weekly.

**Due to the fact, county and state guidelines are changing frequently, our procedures are subject to change. We appreciate your support and understanding at this time and look forward to a time when we can gather together without restrictions. Be safe and take care!**

For any questions, please call 530.656.2469.
