

Valencia After School Music Lessons

Why is learning music so important?

The researchers at Boston Children's Hospital conclude that children with musical training show enhanced executive function when compared to non-musicians, especially for cognitive flexibility, working memory, and processing speed.

- Student's First & Last Name: _____
- Student's grade: _____
- Parent's Name: _____
- Cell #: _____
- Email: _____
- Emergency Contact: _____

My student would like to enroll in the music class for ...

____ Piano \$150 (\$85 for families on assistance programs, no application nec)
