ADDENDUM NO. 01

PROJECT NO: 1110162

MULTIPLE WATER WELL REPLACEMENTS

- MATADOR WILDLIFE MANAGEMENT AREA
- GENE HOWE WILDLIFE MANAGEMENT AREA

NOTICE TO ALL BIDDERS:

This addendum shall be considered part of the Contract Documents and is issued to change, amplify, or delete from or otherwise explain the documents where provisions of this addendum differ from those of the original contract documents. This addendum shall have precedence over the original contract documents and shall govern.

Bidders are hereby notified that they shall incorporate this addendum in their bid, and it shall be construed that the Contractor's Bid shall reflect with full knowledge, all items, changes and modifications to the contract documents herein specified.

Bidders are advised to check for updates, addenda issuance, and bid opening date changes on the Electronic State Business Daily at:

SECTION 1:

-SOLICITATION CALENDAR CHANGE

1. Change to Bid Submission due date:

The Bid Submission due date is changed to **June 15, 2021**.

Information published in the Notice to Bidders is revised to read: Bids will be received by the Contracting Branch, Infrastructure Division, Texas Parks and Wildlife Department (TPWD), 4200 Smith School Road, Austin, Texas 78744, **until 2:00 PM, June 15, 2021**.

All other bid submission instructions remain unchanged.

2. Additional Site Visit Opportunity:

[*bidder question*] We missed the pre bid meeting for the water well install located in Paducah, are we still able to bid on this and also make a site visit?

The Pre-Bid Conference is not a mandatory condition for participation in bidding, therefore prospective bidders who did not attend the Conference remain eligible to bid.

TPWD can offer another opportunity to view the sites in addition to the original opportunity that was conducted on May 13th. **Prospective bidders who still wish view the sites may contact Chip Ruthven, WMA Project Leader, to arrange for a visit date and time.** Mr. Ruthven can be reached using chip.ruthven@tpwd.texas.gov or 806-492-3405.

Prospective bidders are reminded that Site Visits are only an opportunity to view onsite conditions. There is no informational presentation associated with visits and bidder questions will not be addressed during the visits.

Note that while prospective bidders are encouraged to view onsite conditions, Site Visits are not a mandatory condition for participation in bidding.

**SECTION 2:
-QUESTIONS WITH RESPONSES**

1. Are there existing wells at the locations? Could water from these wells be used by the well driller in the drilling operations?

Water for drilling is available onsite from the existing wells, provided uninterrupted supply is maintained for staff at the facility. The awarded contractor must coordinate with the Owner-Designated Representative and facility staff regarding specific times and amounts of onsite water use for construction in order to ensure uninterrupted supply for facility operations can be maintained.

**BID DUE DATE REVISED TO:
June 15, 2021 by 2:00PM (CT)**

Bidders shall acknowledge receipt of this addendum in the space provided on the Contractor's Bid Schedule form located above the signature block.

WARNING: BIDDER'S FAILURE TO ACKNOWLEDGE RECEIPT OF ADDENDA MAY RESULT IN REJECTION OF BID.

END OF ADDENDUM NUMBER 01

Sincerely,

**Nicole Chupka- CTPM, CTCM
Contract Manager
Infrastructure Division**
