Magic Show - \$225

Dunraven Magic will provide you with a professional magic show that thrills kids and adults alike, making it a party your guests will never forget! The forty-five minute, music-filled show ranges from classic tricks like the magic coloring book to fun illusions such as the sword-through-neck routine. Your guests will be able to participate in the magic. We can also work into the show some of your or your guest of honor's favorite things (like colors, movies and music).

Setup and Removal

Your magician will arrive 15-20 minutes prior to the start time to find out where you would like the performance to take place. The magician will then set up the performance area. When it's time for the show, the magician will let you know and when you are ready, will begin. When the show is over, the magician will need 10 or so minutes to pack up.
