STEP 2: CHOOSE THE LOOK OF YOUR LASH STYLE

Natural eye

Customizes the shape of your eyes.

Open eye

Shorter lengths in the inner and outer corner, with a longer length in-between.

Cat eye

Shorter lengths in the inner corner and gradually gets longer towards the outer corner.

Doll eye

Uses the same lash length through out the lash line

STEP 3: CHOOSE THE CURL STYLE C OR D

STEP 4: CHOOSE THE LENGTH

STEP 5:

Now, relax and enjoy your beauty nap and wake up to a beautiful set of lash extensions. Please remember to use your inside voice, silence your phone, refrain from talking on the phone and remember to be as still as possible as this is a very tedious service.
