

# POTTER WORX

## BRINGING TEAMS TOGETHER THROUGH CREATIVE EXPERIENCE

### Allowing teams to reset, refocus, and reconnect

In today's demanding work environments, mindfulness isn't just a wellness tool it's a competitive advantage.

### What We Provide:

- A curated selection of bisque (blank) pottery pieces - pre-ordered for your event
- Premium underglaze paints (41 colours to choose from), brushes, stencils, and protective equipment
- Full setup and breakdown at your chosen venue
- Experienced facilitators who guide the session in a relaxed, inclusive manner
- Clear glazing
- Kiln firing
- Delivery of finished masterpieces to the office

### What You'll Experience:

- A 2 hour long workshop aimed to inspire creativity, foster focus, and support overall well-being
- Participants can enjoy painting their masterpieces while receiving guidance, tips and support from a facilitator.
- The session encourages collaboration, strengthens connections among colleagues, and contributes to a positive, engaged team culture in a calm and professional environment
- Workshops can be designed to align with a shared team goal or a relevant business objective
