ASSISI SEVA SAMAJ SOCIETY

ANNUAL REPORT FOR THE YEAR 2022 – 2023

"True progress quietly and persistently moves along without notice." St Francis of Assisi.

Assisi Seva Samaj stands today with its clear vision and mission as follows.

Vision:- To become like humble, poor, crucified Jesus and radiate His compassion.

Mission:- Through our medical, educational, pastoral and social ministries, we the ASMI sisters care, console, teach and heal the people of God as Jesus did and make them experience the compassionate love of the Heavenly Father and prepare them for His kingdom.

Assisi Seva Samaj has 4 units mainly 1) Pushpa Hospital, Dallirajhara 2) Assisi Shanti Hospital, Narayanpur 3) St. Francis School, Naktighar and 4) Nirmala Senior Secondary School, Dallirajhara.

PUSHPA HOSPITAL

Our Pushpa Hospital started in 1966 as a small dispensary by Late Rev. Joseph Kandathil the founder of ASMI with the assistance of our 3 sisters (Nuns). It started mainly for the Leprosy patients.

Now it is upgraded to 75 bedded inpatient facility of a General Hospital with the following facilities like Obstetrics, Medicine, Paediatrics, Dermatology, Radiology, Ophthalmology, Laboratary, ECG, Sonography facilities along with Leprosy and TB National elimination Programmes, Palliative care Programme and District Blindness control Programmes.

In General OPD we have daily 30 to 40 out patients and the number of admissions have significantly reduced as we do not have Ayushman Bharat health Scheme in our hospital. Due to this many of our poor patients are finding difficult to spend the money for the treatment thus are deprived of our services. Many a times we are obliged to give free treatment for such kind patients.

Leprosy and TB control Programmes

We started our leprosy work in collaboration with the government in 1982. T.B elimination programme in 1992 in collaboration with the government. We conduct survey, education and treatment (S.E.T) and admit Leprosy patients for reaction, ulcer care, Reconstructive surgeries and for their general diseases. Now we have 20 beds exclusively for Leprosy patients. From the nearby blocks likeDondi, Gurur, Gunderdehi, Dondi Lohara we are getting referrals from the government hospital for inpatient care services. This current year we have a total of 54 new Leprosy patients. We have conducted 15 village surveys and awareness programmes on TB, Leprosy, Palliative care and cacer. Once a month we conduct house to house surveys for Leprosy case finding at the early stages. Once we get a positive case we conduct contact survey of the fifty neighboring houses.

Total Number of Camps -----08

Total families covered under this ------1164

House hold contact are -----5703

Total Number screened ----------4666.

Number of RCS performed --------06

For few of the inpatients who are really poor we provide free treatment which comes to be Rs 23,12204/-

We have helped one Leprosy patient to build his own home costing around 3 lakh rupees, 2 families supported to buy a pair of goat and earn their lively hood. 10 Families helped for their small businesslike running petty shops, 2 families helped to get LPG cooking gas connection, 14 students were given educational assistance.

TB control Prgramme

We started our T.B work in 1993 in collaboration with the government and began to admit T.B patients. This year 2022 to 2023 we could give free treatment to 30 of new TB patients. Along with the medicine we also provide nutritious food to

inpatients, Protein supplementation to all. We also adopted 2 TB patients for nutritional food supply for 6 months.

Palliative care programme

Our palliative care unit started in 2018 by the help of Catholic Health Association of India. We give free treatment for palliative care patients mainly cancer, CKD, COPD, Thalassemia and stroke patients. In the year 2022 to 2023 we could treat and council around 75 inpatients and we conducted home based Palliative care to 250 patients.

District Blindness control Programme

In collaboration with the government we have signed the agreement for DBCS of Balod District for the year 2022 to 2023. So far we have performed 1200 cataract surgeries free of charge.

General Duty Assistant Course: We do join with the national Skill development programme and conduct GDAC training for poor girls. This year we could train 12 poor girls at a subsidized fees and equip them for self employment.

NIRMALA ENGLISH MEDIUM SENIOR SECONDRY SCHOOL

"Learning gives creativity, creativity leads to thinking, thinking provides knowledge and knowledge makes you great". I have great pleasure in presenting the Annual report of

the school. This year has been a very eventful one for us, we have made great efforts to transform ourselves and have been extremely successful in most of our endeavors. After the occurrence of the Covid pandemic we could bring back education with precautions, care and more systematically. I the Principal of the school hereby express my utmost gratitude to God Almighty for his guidance and blessings that followed us throughout the Academic Year 2022-23.

REOPENING:

Nirmala family consists of well trained teaching staff and supporting staff. The Manager is Sr.Sachitha Francis, Principal is Sr. Jossiya Mary, Vice Principal Sr. Priya Francis. We have 56 teaching & 12 Non teaching staffs. The strength of our school is 1475.

NEMSSS reopened its Academic Year on April 4th 2022. We welcomed the students along with management and staff. The classes went up to 14th of May and school were closed for summer vacation, the school reopened on 16 th of June and classes for primary and secondary began. On 20th June. The new comers were welcomed solemnly to the school by the pre-primary section and helped them to feel at home with the school through audio-visual programmes.

ACADEMIC EXCELLENCE:

Excellence in academics is the hallmark of any good institution and students of 10 th and 12th proved it with their results, our students made us proud. We achieved 100 % results in class X and XII Board exams. We have a good number of students who have achieved a merited ranking. This was possible because of the continuous efforts of the dedicated staff that paid extra care to the weak students through special classes and other remedial measures. We can be proud that apart from preparing the students to qualify for academic demands special efforts were made continuously to enable them to face the challenges of the competitive world. We have paid great importance that the students who pass out from our school should carry forward the values they have inherited, excel in whatever they do and be a role models in society. We have the infrastructure to facilitate the need of the students which includes labs for all subject and a library, we have converted the classes to digitally smart classes for effective learning. The students academic performance is measured in a series of formative and summative assessment plans through examinations, and practical basis with a lot of emphasis on learning through processes.

All examinations were conducted in the board format where the Education committee makes sure of academic aims through the preparation of question papers, practical's, assignments and records. The class performance of the students is individually focused and evaluated and made creative through art-integrated studies, projects and subject enrichment activities where the learners achieve balanced growth as a social, responsible being in tune with the cultural heritage.

The curricular approach in teaching and learning is followed as to CBSE norms.

TEACHER'S ENRICHMENT PROGRAMMES.

The school arranges teachers Enrichment seminars for all the teachers in the beginning of the academic year. On 9th July one day seminar was arranged for all the teachers of our school. Rev. Fr. Dr. John Xavior of Raipur Diocese was the resource person. It enabled us to come together for a good beginning. Teachers also took part in various orientation seminars, workshops and hubs learning.

programmes arranged by CBSE to stay updated with emerging trends. Regular staff meetings and committee meetings are conducted to evaluate the quality of performance in education, discipline cultural and current activities of the school. Evaluation of implemented plans and the use of innovative methods are applied both in teaching and learning programmes.

INVESTITURE CEREMONY & LEADERSHIP:

Our school office bearers were officially sworn in a very impressive investiture ceremony on 29 th June. The school cabinet was led by our Head boy Master Dewrat, Head girl Kumari Kriti Nayak and the other office bearers. As it says. "Strength does not come from physical capacity, it comes from unity". The students of our school are divided into four different groups namely St. Joseph (Red) St.Therese (yellow) St. Francis (green) and St. Mary (Blue). Each house is managed by house Captain, vice captain and Secretary . Each house takes up their duty of conducting day today activities and makes sure of the participation of all.

CO -CURRICULAR ACTIVITIES:

Various co-curricular activities are held in the school for the integrated development and skill performance in physical, mental, moral, social, communicational and interpersonal peer group relationship areas. Students at every stage of their education are introduced with age appropriate co-curricular activities to explore their inborn talent and abilities, such as public speaking, body language depiction and self expression. There are various competitions carried out for hunting the talent and promoting the competitive spirit and encouragement in our students through the participation in various activities such as calligraphy, drawing and painting, crafts and writing skills, music, dance elocution, fancy-dress, spell bee, one act play, dramas and quiz etc. On Saturdays most of these activities are

MEDICAL CARE:

Special attention were given to our students in the field of health since the post Covid effects were prevailing in various places, Along with PHC and Family Health & welfare Department of Balod district the vaccination processes were completed in the school for all the age group. Deworming day was observed as per the order and medicines were given to the students.

SPORTS AND PHYSICAL EDUCATION:

The school has always been taking initiativeness to get the best talent in the sports arena. We have conducted various sport competitions and Sport day was observed in the school on 16 th and 17 th of December 2022 with pomp and show. Nirmala School has the pride moments when it comes to the sports, under the guidance of our experienced sport personals, students often get the chance to participate in state and national level events. Our students had the venture in Khelo India National Youth games in Haryana and National school games Gwalior, Umai National Championship at Indore.

being carried out as individual and group events. The students were awarded for their educational and cultural excellence with medals and certificates. It gives me pride, that many of our students have already represented our school in state and national level competitions in various talent examinations in Maths, Science, Arts and technology organised by CBSE like Interpol, Olympiad, state level painting and writing competitions.

TEACHER'S PICNIC:

"All work and no play make the jack a dull boy". The school had organised 3 days picnic for all the staff, keeping in mind the need of relaxation and entertainments,40 teachers visited the historical places in Jaipur and Jodhpur in Rajasthan from 25 th December to 30 th December 2022.

EXHIBITION:

In the month of October we had the Science exhibition of static and working models, craft models from waste materials and other craft exhibitions for all students from classes 1 to XII. The students came forward with new creative ideas and models on various topics like energy concepts, conservations, and protective measures of our environment and natural resources.

Indiaca in NIEPD Nanded M.H, Kalaripayattu at Trivandrum Kerala are some of the highlights in it. Our coaches help the students to explore the talent and give them training during and after the school.

SMC & PTM:

School management Committee (SMC) places the important role for the smooth functioning of the school.SMC consist of President of the society and representatives of school management, Parents, teachers and other officials, who works as the advisory board and decision making agents in various aspects and needs.

Parent- Teacher Meetings (PTM) are held in the school occasionally to discuss the progress of our students and to increase the bond between the parents and the educators and to ensure the value based education with excellence.

CELEBRATION OF NATIONAL AND INTERNATIONAL DAYS AND CBSE ACTIVITIES:

The National days are celebrated in the school with care and attention to imbibe in the students love towards nation and spirit of patriotism. The school observes the

ASSISI SHANTHI HOSPITAL, NARAYANPUR-DT, C.G. STATE

Annual Report of the year 2022-2023

Assisi Shanti Hospital is rendering healthcare services to the people of this locality for the past 50 years. Hospital is a 30 bedded, with needed facilities, like, OPD, IP, LABOUR ROOM, OPERATION THEATRE LABORATORY, PHARMACY, X-RAY, ULTRA SONOGRAPHY, ECG, EMERGENCY SERVICES etc.... There are minimum 45-50 outpatients per day. We have g two doctors and 8 trained staff with 8 Nursing trainees.

We do give health care services irrespective of Caste or Religion. And many poor people of the interior villages are also benefitting from this institution. We do give free treatment for the deserving people. Till August, we had the Govt. Scheme

called Ayushman Bharat, but after that Government has stopped this provision from private hospitals, and so many poor people are fining difficult.

During the year 2022-2023 we could support some people who were in financial crisis.

1. Free checkup, surgery, medicines & treatment, for poor patients.

2. Education:- Three Bsc Nursing students(Mahima kashyap, Sachitha Minj, Kiran) are supported for their studies and hostel fees (for complete course)
3. Poor children of the villagers are also given financial help and computer studies.
4. A widow and a mentally challenged girl and their family are supported monthly for their daily food and needs.

5. And some families with provisions and utensils and blankets as they lost everything in the natural calamities.

6. We also conducted two medical camps in the villages of Chottebettiya and Charama.

Hoping to do more services for the poor people of the locality in the future with the Grace of God.

2. Poor children of the villagers are also given financial help and computer
