ASSISI SEVA SAMAJ SOCIETY

ANNUAL REPORT FOR THE YEAR 2024-2025

It is my pleasure to present this year's annual report highlighting our key milestone and achievements and accomplished by our **ASSISI SEVA SAMAJ SOCIETY**. Give thanks to the lord for his love endures forever. The society continues to foster a sense of community and responsibility while promoting the key activities such as hospital and education.

Vision: - To become like humble, poor crucified Jesus and radiate His compassion.

Mission: - Through our Medical, Educational, Pastoral and Social ministries we the ASMI sisters care, console, teach and heal the people of God as Jesus did and make them experience the compassionate love of the heavenly Father and prepare them for His kingdom.

Assisi seva samaj society has 4 units , mainly 1) Pushpa Hospital, Dalli rajhara 2) Nirmala English Medium School , Dalli rajhara 3) St. Francis School , Nakhtighar , Kobra 4) Assisi Shanti Hospital , Narayanpur.

PUSHPA HOSPITAL , DALLI RAJHARA

In 1966, Pushpa Hospital commenced its journey as a modest establishment in the quaint town of Dalli rajhara, which is now part of the Balod district. We proudly offer a facility with 75 beds, supported by a team of 7 physicians, 20 trained staff members, and 10 assistants.

This hospital is equipped with inpatient and outpatient departments, offering a comprehensive range of services, including medicine, obstetrics and gynecology, pediatrics, ophthalmology, ultrasonography, laboratory services, electrocardiography, and radiology. It places significant emphasis on serving marginalized segments of society, which is an integral aspect of our mission. We are dedicated to the care of leprosy patients, the tuberculosis control program, the district blindness control initiative, and palliative care for cancer patients and those who are terminally ill.

We provided our services in the inpatient department, catering to approximately 800 individuals, including leprosy patients and those requiring

surgeries conducted throughout the year 2024-2025. We were privileged to extend concessions, complimentary treatments, and financial assistance to many economically disadvantaged patients and their families, amounting to an impressive sum of approximately ₹24,35,514.00.

TB Awareness And Control Programs

We initiated our tuberculosis national program in 1993 in collaboration with the government and commenced the admission process. A comprehensive initiative encompassing 42 schools and 16 villages was conducted, alongside the involvement of mithanin, government health workers, and our hospital staff, who received training and awareness pertainingto private practitioners concerningtuberculosisleprosy, and cancer

Pain And Palliative Care

Our palliative care unit was established in 2018 with the support of the Catholic Health Association of India. We offer complimentary treatment for patients requiring palliative care, primarily focusing on those afflicted with cancer, chronic kidney disease (CKD), chronic obstructive pulmonary disease (COPD), thalassemia, and stroke. Palliative care camps are organized both within our hospital and in rural communities and educational institutions.

We currently have 80 patients receiving palliative care. Volunteers, alongside counselors and nursing assistants, conduct home visits to provide primary health care and encourage patients to seek hospital treatment when necessary.

We are pleased to report that we have successfully treated 47 new cases of leprosy and 17 new tuberculosis patients. Our facility accommodates 235 inpatients suffering from leprosy and 289 outpatients. Additionally, we distributed 156 ulcer kits and provided 120 MCR chapels. Furthermore, we organized 11 camps focused on the prevention of deformities.

Anti-Leprosy Program

Anti-leprosy program was commemorated within the hospital premises, featuring an awareness initiative and a rally, complemented by a skit performed by the students of Maruti School of Nursing. Dr. Saibal Jana graced the occasion as the chief guest. Numerous students, educators, and hospital staff attended this significant event.

PREVENTION OF DEFORMITY CAMP

NIRMALA ENGLISH MEDIUM SENIOR SECONDARY SCHOOL,

DALLI-RAJHARA

It is with immense pride that we present the Annual Report for the academic year 2024-25. This report articulates the milestones achieved in realizing the mission and vision of Nirmala English Medium Senior Secondary School. It stands as a testament to the dynamic nature of our institution, our unwavering commitment to excellence, and our relentless pursuit of the highest standards in education.

Our primary aim is to provide an enriching educational experience for every student, equipping them with a broad range of skills to foster independence and a lifelong love for learning. We look forward to a future filled with even greater accomplishments. We invite you to review the significant activities and achievements of the school during this academic year.

A NEW BEGINNING

The Nirmala family is a dedicated team comprising highly-trained teaching and support staff. Under the able guidance of our Manager, Sr. Sachitha, Principal Sr. Jossiya, and Vice Principal Sr. Leena Francis, our 56 teaching and 14 non-teaching staff members work in unison to nurture our student body of 1420.

The academic year 2024-25 commenced on April 1st, 2024, as we warmly welcomed our students back to the campus. The session will conclude on March 31st, 2025, to be followed by the summer vacation.

ACADEMIC EXCELLENCE AND HOLISTIC DEVELOPMENT

We are delighted to share that our students of Classes X and XII from the 2024-2025 batch achieved outstanding results in the board examinations, securing a 100% pass rate.

- In **Class X**, **Dipali Sahu** topped the school with an impressive **92.8%**.
- In **Class XII**, **Deepesh Mishra** was the top performer in the Commerce stream with **95.2%**, while **Nikitha Jaiswal** led the Science stream with **91.6%**.

A significant number of our students achieved meritorious rankings, a direct result of the continuous efforts of our dedicated staff. Special classes and remedial measures were diligently implemented to provide extra support to students requiring it. Beyond academic excellence, we strive to prepare our students for the challenges of a competitive world. It is our firm belief that students graduating from Nirmala carry forward the values instilled in them, excelling in their chosen paths and serving as role models in society. Our state-of-the-art infrastructure, including well-equipped laboratories for all subjects, a comprehensive library, and digitally enabled smart classes, facilitates an effective and engaging learning environment.

All examinations are conducted in the board format, with our Education Committee ensuring the fulfilment of academic objectives through meticulously prepared question papers, practical's, assignments, and records. Student performance is individually monitored and evaluated. We foster creativity and balanced growth through art-integrated studies, projects, and subject enrichment activities, ensuring our students develop into socially responsible citizens in tune with our rich cultural heritage. The curriculum is delivered in strict adherence to CBSE norms.

Our commitment to inclusive education remains paramount. This academic year, 30 students received full fee concessions, and 265 students

palliative care. In the outpatient department, we attended to around 15,500 patients over the course of a year, achieving an impeccable zero mortality rate.

Furthermore, free tuition was provided to academically weaker and deserving students. We also focus on instilling strong moral values and maintain a close connection with our students and their families through regular home visits.

INFRASTRUCTURE DEVELOPMENT

The extension work for the new block of Nirmala School, which began in May 2024, is almost ready to be used .and it is well furnished to be used for the pre-primary students ensuring comfort and independence for the young learners. The walls displays the Artwork & the educational posters and visuals to bring out a stimulating environment for the holistic growth of the young ones. The learning area also provides a safe space with no risk factors. An outdoor play area is getting ready for these blooming ones.

ANNUAL DAY CELEBRATION **" VIBRANT INDIA" a spectacular celebration of Unity & Culture)**

The Annual day, themed "Vibrant India was an unprecedented success, setting a new benchmark for excellence in our community. The event was a breathtaking tapestry of India's rich and diverse cultural heritage, brought to life through a serious of meticulously planned and flawlessly executed performances and activities. Vibrant India was not just an event; it was an experience that celebrated the very spirit of our nation's unity in diversity.

CONCLUSION

I extend my heartfelt gratitude to the Assisi Seva Samaj, our dedicated teachers, supportive parents, and well-wishers who have been instrumental in our journey. Your unwavering support in all our endeavours has been vital in shaping the future of our children and, in turn, our nation. The remarkable achievements of our school are a direct reflection of the commitment and dedication of our highly qualified faculty, who work tirelessly to build a bright

I am incredibly grateful for the passion and hard work demonstrated by our students, staff, and parents, which made these accomplishments possible. As we move forward, we are resolute in our commitment to build upon this success and cultivate an even more enriching learning environment for all.

Let us look forward to another year of growth and discovery. I conclude this report with a promise of continued excellence and the hope of new beginnings, inspired by the words of Peter Drucker "The best way to predict the future is to create it.

ASSISI SHANTI HOSPITAL, NARAYANPUR

Assisi Shanti Hospital rendering healthcare services to the people of this locality for the past 50 years. Hospital is a 30 bedded, with needed departments like Casuality ,OPD, IPD, Labour room, Operation Theater, Laboratory, Pharmacy, X-Ray, ultrasonography, ECG etc..... There are about 50 to 60 out patients and 5 to 10 in patients per day. We have got 2 Doctors and 7 trained staffs with 15 nursing trainees.

We do give health care services irrespective of Cast or Religion. And many poor people of the interior villages are also benefiting from this institution. We give free treatment for the deserving patients. We could support some people who are in financial crisis and unable to pay for the treatment like free Surgery, Medicine and other treatments etc.

We also conducted medical camp in the village. We had URO medical camp and URO surgery; by this we could help so many poor people from the interior village. This month of 24th and 25th Doctor will be coming for medical camp and surgery from CMC Vellore Medical College. Fire plant extended to IP section and fire detection alarm connected.

New water tank placed for fire plant. In the operation theater new LED OT light installed. Operation Theater is repaired and put new tiles. Oldest water tank demolished. New Boring done.

Over the ground floor of the IP section whole area is covered with Tin sheet by the project.

Our hospital Ambulance is now running 11th year. So we are planning to go for a new one. Hope to do more services for the poor people of the locality in the future with the Grace of God.

THANKS BE TO GOD
