

TAMARA KATE IS COMING TO YELLOWKNIFE!!!!

MAY 28-31, 2026

Tamara is a licensed fabric designer and quilter who is best known for the playful use of colour she employs in her designs and her fresh, inventive eye where quilt design is concerned. Her work has been featured in a number of international quilting magazines, she designs her own line of quilt patterns and she regularly creates original quilts for companies within the textile industry.

Tamara has been sharing her love of designing fresh, modern quilts and other needle arts with students internationally for a number of years. She equally enjoys teaching techniques and inspiring others to embrace their unique voice in creating contemporary textiles true to their personal vision.

Trunk Show and Lecture - Thursday, May 28/26

“For the Love of Colour”

Tamara will be discussing her work at a lecture which will be held Thursday, May 28. Location and time yet to be determined. This lecture will be free for all members and invited guests.

Three Exciting Class Opportunities!!!

Designing a More Modern Quilt

Fri May 29

6:30 pm - 9:30 pm

\$50.00 for members (\$90.00 for non-members)

Are you intrigued by modern quilts, but don't know how to jump in? Do you have the desire to move beyond the repetition of traditional blocks and create more original quilts? If so, this class should start all kinds of ideas and leave you feeling motivated to approach your craft in a new light! We will work only with paper because when the trepidation of cutting into precious fabrics is removed, we free ourselves to explore. We will start with looking at many of the basic principles of modern quilt design then you will be led through a variety of fun, creative exercises including simplifying shapes and layout, choosing more bold, yet harmonious colour combinations and designing based on an existing inspirational image.

Curves and Transparency
Sat May 30
9:00 am - 4:00 pm
\$100.00 for members (\$140.00 for non-members)

Playing with the illusion of transparency in quilt design adds depth and luminosity to the pieces we create. Couple this with flowing curves and the result is a dynamic, eye catching, unique quilt that speaks volumes about the maker's personality. Learn the techniques Tamara uses to plan, cut and execute this style of modern quilt (no appliquéd involved) and the colour theory that helps make it shine.

EPP - Beyond the Hexie
Sun May 31
9:00 am - 4:00 pm
\$100.00 for members (\$140.00 for non-members)

Piecing by hand with shapes that would be more complicated to tackle with a sewing machine (y-seams, complex geometry and even curves) opens up many new possibilities in your quilting repertoire. Learn essential English Paper Piecing techniques, tips and tricks to tackle a variety of shapes and be well on your way to making a colourful, modern, mini geometric work of art. We will discuss shape, colour, layout and even start thinking about designing your own templates.

How can I register??

Registration will be open upon receipt of the newsletter or you may register at any time.
Spaces will be limited so don't delay...reserve your spot by paying today!!

Options are to pay by EMT to Donna at baja@ssimicro.com or in person at the next Quilt Guild meeting.

Regular cancellation policies are in effect.

If you have any questions, contact Donna!!
