BAHAMAS EMERGENCY CHILDREN'S HOSTEL

BAHAMAS CHRISTMAS OUTREACH

Life Beyond Water had the awesome opportunity to serve alongside the Myles and Ruth Munroe Foundation at the Bahamas Emergency Children's Hostel. The Hostel is a public facility where children that have been abused or neglected find temporary refuge. Some of the children were transferred from a Hostel in Freeport. They too were subject to the same neglect but also suffered loss of their temporary home in Hurricane Dorian. We enjoyed a great day of food, fun, laughter, candy, gifts and toys. The children were overjoyed and so grateful for the outpouring of love. We would like to say thank you for your generous donations that made all of this possible

Your generous donations at work. These gifts were presented to the Bahamas Children's Emergency Hostel

PARTNER SPOTLIGHT

Meet our amazing Partner Lisa Morris. Lisa along with her husband Cail Morris own a home daycare facility that is called Just 4 Kids. This wonderful missionary not only gave her time away from family to travel with Life Beyond Water to the Bahamas, she raised funds, received donations and was a great joy ministering to the children of the Bahamas. I would personally like to thank Lisa and Just 4 Kids as well as all those who linked arms with her to make this outreach a success.

Water is life's most basic necessity. Over 750 million people in the world suffer from a lack of clean water. Because of your giving we were able to provide 100 families with this filter. Each filter provides a family with 150 gallons of clean water a day for approximately 10 years. Life Beyond Water Global Outreach would like to say THANK YOU! We are helping families around the globe live a life beyond water.

Ty's Place is restaurant in Nassau that was started in honor of Ty a young boy with Down's Syndrome. They employ adults that are living with Downs helping them experience a full life while teaching skills and self-esteem. Life Beyond Water was able to bless them as a part of our Christmas Outreach. The property sits adjacent to the Bahamas Down's Syndrome Center. We were also able to serve the children at the Bahamas Down's Syndrome Center as well as a day of encouragement and crafts with the children at the Randfurly Home.

YOU CAN HELP!

Life Beyond Water Global Outreach endeavors to make an impact in the earth. If you would like to make a difference visit our website and make a monetary donation . If you would like to touch the nations please send us a message via our website and JOIN us. We will be partnering with several awesome organizations this year to make an impact. We need your help to make all these things possible .YOU ARE THE HELP!
