# Training & Classes

## Orientation

Our **new-shooter orientations** are held every Monday evening at 6 p.m. The class takes just about two hours to complete (including range time).

Cost for the orientation **does not include** firearm rental or ammunition.

**Each course is limited.** So be sure to sign up ahead of time.

In your initial orientation, we cover fundamental safety and handgun knowledge, range regulations and sighting. Once you're on the range, one of our range officers will visit with you to insure you're comfortable and to answer any questions you may have.

## NRA Based Introduction to Handguns

This introduction to handguns course is designed to give you the basic knowledge, skills and attitude necessary for owning and using a handgun safely and without fear.

This class is designed for people with little or no knowledge of handguns and lasts approximately two hours. Following the course, you will feel confident using the range alone and better understand what questions to ask as your skills improve.

### Course Content

- Firearms handling & safety
- Shooting Fundamentals
- Range Safety
- How to Choose a Handgun
- Cleaning and Storage
- Shooting Skill Improvement

## Ohio Concealed Carry License (CCW)

We offer an **all inclusive program**, instructed on site, which not only covers the basics, but also goes a step further with a focus on Ohio law from a police perspective.

Our CCW course is taught by **NRA and OPTC certified** instructors. You are guided through the program in a comfortable classroom setting with a maximum of 15 students per course.

You will receive all the instruction necessary to subsequently apply for your concealed carry permit.

Upon completion of our 8-hour program, you will receive your **NRA Basic Pistol Certificate** and a **First Strike CCW Certificate**. In combination, these documents are proof of your education and assurance of its quality.
