Managers Notes:

Cardinals- The Warriors hot bats won the day as the Cards could not generate enough hits to keep pace. Brian pitched well and the middle of the lineup hit well today. The opportunities were there for more runs but the clutch hitting wasn't up to the task. Better days are ahead for the Cards. Pray for more sunshine when we face the Rovers next week. Defensive play of the day was Todd's tumbling catch.

Mudcats- "This week the Mudcats took on the Outlaws. It was a hard-fought battle that went back and forth for the entire game. After nine innings, the score was tied 20-20, leading to an extra inning of play. However, neither team was able to score, leaving the final result tied 20-20 after ten innings.

Per league rules, the next tiebreaker involves comparing the team managers to decide the winner. After reviewing the Outlaws' manager, Bob Frey—noting his involvement in high-stakes poker games and rigged pinball tournaments, as well as his choice of the team name ""The Outlaws""—the league contrasted his record with that of Doug Johnson. Doug, often called the league's ""Golden Boy,"" has won Manager of the Year six times and was voted by the players as the ""nice guy in the league.""

As a result, the league had no other choice but to declare the Mighty Mudcats the unanimous winner. Top hitters : Sean Brannon, Mike Smith, and Terry Pryor all were 4/5, Matt Alberti, Cruz Cisneros, and Tim Larson all were 3/4 and Pat Keisling went 3/5"

Outlaws- The Outlaws got a great start scoring 5 runs in the first inning but inconsistent offense and defense resulted in a tie game. It was disappointing that the top of the order couldn't score a run in the bottom of the 10th inning to grab the win. Everyone got at least one hit. The leading hitter was Dave Gerds going 4 for 5 with 2 homeruns, a double and 7 rbi's. Rich Mills went 5 for 5, Bob Frey, Chris Castaneda and Dave Ochs went 4 for 5. Two defensive

highlights were a catch at the fence by Dave Lagman and a running shoestring catch at first base by Miloe McCall.

Rovers- The Rovers lost a heartbreaker to the Wolfpack 29-28 in the bottom of the 9th with 2 outs. The Rovers top hitters were Tony Camillo going 5-5 with 4 doubles, 1 triple, a walk and 8 RBIs. This was Coach Tony's first game of the young season and he was "ON FIRE". Dennis Romero was 4-5 with a top of the 9th 2-run HR, and 3 singles and 6 RBIs. Cary Mitsuyoshi was 5-5 with a triple, a double, 3 singles, a walk and 4 RBIs. The Rovers smashed 36 hits and scored 28 runs. Great job! Keep working together Rovers!

Warriors- Danny Berajano, Bob Bohannon and Levalea (La'i) Faleafine all paced the Warriors with 5 hits each in a victory against the Cardinals. Mike Kim and La'i each knocked in 5 runs with Danny B driving in 4. Tom Knab turned on the power in his last three at bats with 2 triples and a double. Leo Camper was also one of 5 Warriors who had at least 2 extra base hits. Randy Garber finally made an out this season but still reached base in 4 out of 5 at bats and is batting .900 on the season! There were several great defensive plays with Danny B making some nice catches and Randy G playing a stellar third base. Great game everyone!
