ROWDYS 20 BRONCOS 14

Managers Notes:

Broncos- The Broncos concluded their regular season with a loss to the Rowdys 20-14 team. Despite the defeat, the Broncos showed resilience, with Roy Camillo delivering a remarkable performance by going five-for-five and accumulating three RBIs. Jim Dietrich also contributed significantly, hitting four-for-four with one RBI. Randy Cobb and Rob Brassea each went 4/5 and three RBIs each. Now, the Broncos are gearing up for the playoffs, so let's go Broncos!

Diamonds- First and foremost, after missing two games, Nick Gazelas returned to pitch a strong nine inning complete game, and got a couple of strike outs. In a game where we needed a full team effort to beat a tough, determined Prime Time, we got just that. All of our hitters got at least one hit and scored at least one run. In fact, in the 6th inning our last 6 batters got 6 consecutive hits and scored 5 runs. Perfect at the plate were Dave Balfour (4 for 4, 2 2b, 7 RBI), Brian Briegleb (5 for 5), Tye Peyton (4 for 4) and having his best offensive game of the season, when we needed it, Rick Casados (3 for 3, BB, 3 runs, 1 RBI). A big thank you to Bob Sylvia (4 for 5, 4 runs) who made sparkling plays at 2b, including starting a double play after making a tough running catch on a pop up. We're old school and think that championships should be won on the field, and look forward to our game against the Bears in two weeks to determine the league winner.

Rowdys- The Rowdy's got off to another great start scoring 5 runs in the 1st inning. Then followed up with 4 runs in the 4th, 5 runs in the 5th, 5 runs in the 7th and 1 run in the 8th. Perfect at the plate were Roger Gonzalez with one double, 4 rbi's and Barry Walter with 3 doubles and 1 rbi. Eden Marin provided the defensive highlights with excellent fielding and throwing including what would have been a double play except for the new 80+ rule. Joe Fegueroa and Rich Jovel shared the pitching duties.

The Bears - BYE

Prime Time- Thanks to Robert and Tim for helping us today. The team made all the hits and put runs on the board, but the 9th inning proved to be a wall we could not break. The speed of the Diamonds around the bases could not be stopped. Take a couple weeks off and let's see if we can improve during the tourney.
