RELEVANT COURSEWORK

Writing Workshop I: Film

Nov 2024

Applied principles of character development, plot construction, and format to film scripts in a workshop environment. Participated in the workshop by posting, reading, and revising and providing feedback on seven scripts.

Project and Portfolio II

Apr 2025

Learned about the different components of writing effective copy across various media. Practiced writing copy.

Learned the five most common types of editing and used them to edit copy, websites, and other course-related work.

Outcome: Created copywriting sample and developed proficiency in Copyediting and Proofreading.
