Having a wedding?

We'll have it done BBQ style!

We believe that a wedding that serves their guests a delicious array of smoked meats and BBQ is a wedding you won't want to miss.

Weddings are a time of celebration, a time for eating delicious food, sipping on decadent cocktails and reminiscing with lifelong friends and loved ones. Of course, BBQ fits into that equation! We don't think BBQ as a dish only served over sporting events and really cool office parties. To us, BBQ fits most celebratory occasions, and we bring the best BBQ to accommodate your wedding needs.

Where it all started...

Like all great things in life, we started as a passion project. Way back in 2003, our founder Barry tested the waters of BBQ in his own backyard. Fast forward to 2012, and there you have it...B3Q opened its doors at its current location in West Pittston, PA.

We're proud to say that we are veteran owned and operated. Since opening our doors in 2012, Barry has passed the smokehouse torch on to Dominick who continues our legacy of award winning B3Q!

And although a lot of things change over time, our quality isn't one of them. We're committed to serving the highest caliber smoked meats around. We know that if you want something done right, you have to do it yourself. That's why we make everything in-house from our sauces to our sides.

Great people. Delicious ingredients. True B3Q.

We're a real smoke show! Come in and see for yourself.
