

# HEBREW VOWELS

Please note that the Aleph (א) is a silent letter and adopts the sounds of the vowels.

The Aleph (א) is used below, on the right side of the page, to show you how the vowels look and act with a Hebrew letter.

 /  Kamatz / Patah		 / 
 /  Segol / Tzei're		 / 
 /  Heerik / Heerik Maleh		 / 
 /  Holam / Holam Maleh		 / 
 /  Koobootz / Shoorook		 / 
 Sh'va**		

\*\*Please note that the Sh'va is not technically considered a vowel, but is used similarly and serves the purpose of a vowel, for this class.
