CUSTOMER SATISFACTION & FEEDBACK

At the Hare & Hounds we strive to provide a high-quality friendly service and warm cosy atmosphere with a view to you finding your visit both enjoyable and highly satisfying. A lot of hard work goes into this and the vast majority of our customers walk away happy as a result.

During your time with us if there is any part of your experience you are not satisfied or if you have any requests or arising needs then please do not hesitate to inform a member of the team so that whatever it may be is brought to our attention and we have the opportunity to address it and correct the situation for you, we are unable to do anything once you have left and would rather you walk away firstly happy with the experience but if there has been something you were not satisfied with that it was raised, addressed and resolved to your satisfaction. Your satisfaction is of the highest importance to us. Once again! we are unable to do anything about something you don't tell us about.
