HENRY SNYDER FOUNDATION

Henry Snyder Foundation was created in memory of Henry Snyder. Hank, as he was known, proudly served in the United States Navy from 1959 until 1965 when he was honorably discharged. Due to asbestos exposure while serving our country, Hank developed mesothelioma and sadly passed away on October 5th, 2016. Our mission is to raise money for Veteran charities while keeping his memory alive. Hank was honored to serve his country and supporting our troops was very dear to his heart.

UNBROKEN WARRIORS

Unbroken Warriors was established to provide veterans that are suffering from Post-Traumatic Stress Disorder (PTSD) the means to pursue effective residential treatment through various proven therapeutic techniques. Our goal is for all American war veterans to manage their PTSD symptoms and regain control of their lives.
