

## Custom *IT'S A DISASTER!* book and ebook overview and pricing

Fedhealth's customizable disaster preparedness and first aid manual is a unique tool for companies, agencies and groups to help staff, members, customers and communities prepare for the unexpected.

The 266-page paperback provides quick-reference instructional bullets in 2-color format with tips on what people should think about and do before, during and after most types of **emergencies** and **disasters** (e.g. floods, hurricanes, tornadoes, infectious disease outbreaks, active shooter scenarios, etc.), as well as how to administer basic **first aid**.

Bulk price on the paperback is only **\$6.00** U.S. each (~ 60% off \$14.99 list) when purchasing **28 or more** copies, plus Fedhealth offers FREE customization and match benefits when using grants + more.

Books can be customized either with peel & stick labels using our standard **red** books (28+ copies) ... or the book covers, **title** and **first 12 pages** can be personalized in full color in the **print** process (**1,000** copies & up), and we bundle custom jobs together to do large bulk prints to keep price low.

Extra pages can also be added for a minor upcharge, and **small / rush** custom print jobs can be arranged but the unit price will be **higher** so please call for estimates.

We also can customize our **interactive PDF ebook** in bulk...
