Don't you hate it when you lose a Patient?

You might have already climbed the ladder of success, but DSM is more competitive than ever!

Our unique course is for **Dentists** at all levels of DSM knowledge. This unique Mini-Residency adds an essential component for Dentists to add a sustainable competitive advantage among competitors.

With more Sleep Apnea Oral Appliance awareness, in accordance with dental sleep medicine's journals Policy Statement, 2018, at a minimum, Dentists must have the QDO before treating Sleep Apneaa. Dentists already having success in DSM are unlikely to sustain in the future without the QDO.

Gain the Competitive Advantage!
