The Honorable US President Joseph Biden and First Lady Dr. Jill Biden
1600 Pennsylvania NW
Washington, DC 20500

Dear President Joseph Biden and First Lady Dr. Jill Biden

Happy Friday!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

I hope you and your family will have the most fabulous weekend!!!!!!!!!!!!!!!!!!!!

I hope you and your family will have the most magnificent magical year in 2022!!!!!!!!!!!!!!!!!!!!

PLEASE HELP!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Michael is internally grateful for many of your emails to fight every day for the most significant future for the American people. I'm so thankful and sincerely appreciate your time and valuable emails. Many thanks!!!!!!!!!!!!!!!!!!!! I liked that you stated in your email yesterday, March 31, 2022, "We are stronger today than we were a year ago, and I'm confident that we'll be stronger a year from now than we are today. Make no mistake, we would not be here were it not for our Democratic leaders at the local, state, and federal levels -- and the folks like you who helped elect them, MICHAEL." I'm so thankful and sincerely appreciate your time and many valuable emails. Many thanks!!!!!!!!!!!!!!!!!!!!

Honestly, American and international voters voted to select the US and world leaders, Senators, and House Representatives to reform US and world laws about money problems. However, the outdated US and world laws right now are against our human free will about our financial needs. They are the most significant human errors that need to be Judicial Reviewed and updated. They need to be signed into laws immediately without delay. These human rights need to be the biggest priority and justices. The UN Universal Declaration of Human Rights needs to reform to automatically have a human right to financial freedom. Thus, the World Bank Group, the International Monetary Fund (IMF), and the world federal treasury department will fund money and grants to people globally, fully trillion and trillion US dollars and the world currencies in our bank account immediately without delay. Each human in this world can not get hurt for money because we can legally print money from the treasury department globally. Therefore, we can buy all 8K autonomous computer exotic cars, autonomous cruises, autonomous spaceships, automation luxury houses by the beaches, and so forth, like today and the future to come. Time has changed, and technology gives us the most remarkable lives. Thus, we need to update the US and world laws to enjoy our true highest-class financial freedoms forever.

Truthfully, US President Joseph Biden and your family will live the highest-class lifestyles of absolute or true financial freedom. US President Biden's family will have more than a trillion US dollars in your bank account all the time. Your family will have the most advanced futuristic automation luxury houses on your private islands. Your family will have the most excellent futuristic advanced technology with 8K autonomous exotic computer cars, autonomous cruises, autonomous spaceships, automation luxury houses by the beaches, as many as you want, and so forth, like today and the future to come. Cheer!!!!!!!!!!!!!!!!!!!!!! Diamonds are forever!!!!!!!!!!!!!!!!!!!!!!

Honestly, American and international people need to have the highest useful lives and financial freedom forever. The US and world governments can legally and easily print money from the treasury department, so the US and world governments should give all American and international people financial freedom forever. Our outdated American and International Laws need to have Judicial Review and reform to provide all American and international people financial freedom forever. Thus, we can enjoy our real freedom lives. We can't keep hurting ourselves about money problems because we can legally print the money quickly, and we need the most significant break in our lives if we can.

Fairly, President Joseph Biden, Vice President Kamala Harris, and the world leaders need to conduct Judicial Reviews and reform American and world laws to give American and the international people true financial freedom forever. The United Nations Foundation chairman Ted Turner needs to improve the United Nations Universal Declaration of Human rights to give everyone globally true financial independence or financial freedom with the unique highest-class lifestyle forever. They need to be done immediately without delay or as soon as possible. We need to build the most advanced remarkable futuristic highest-class world as quickly as possible. Please support the reform to make our real paradise come true. More than 7 billion American and international people will sincerely appreciate US President Joseph Biden and Vice President Kamala Harris making this Judicial Review and reforming our outdated American law to have true financial freedom. I am excited about this reform because the new financial freedom laws will give our world the most excellent advanced futuristic technology paradise of the highest-class lifestyle forevermore. Diamonds are forever for real, Cheer!!

I think US President Joseph Biden is one of the most brilliant, gifted masterminds of Einstein, the most outstanding intellect, brain, and physical presidents in American history. Keep up your most exceptional works. Mr. President, please conduct the Judicial Review and reform our Americans to make our American paradise dream come true immediately without delay. It should have been done since the beginning of our American Constitutional or by many of American greatest presidents in the past. Moreover, time has gone so fast. Many most outstanding leaders have come and gone. Who will change the world? US President Joseph Biden, UN Foundation Chairman Ted Turner, and present world leaders have to be present. I don't think you want to sit in the White House and wait for President Barack Obama to return and sign this one reform. This financial freedom American and world laws are so tasty, de·li·cious, fla·vor·ful, having a full, distinctive taste; full of flavor. I remember President wrote to me about his Alaska trip. Do you know that one summertime in the 1970s, Michael went to Alaska and have enjoyed all the delicious foods? Moreover, Michael doesn't worry about the delicious foods when you elected to become the United States of America president. I think you need to sign it into a true financial freedom American law, and you don't need to worry about the old rule process. For example, a broken computer can not work correctly. It needs to be fixed or replaced with a new computer like a new device. I have seen you are working on the broken political system, and it's violet the constitution that needs to be reformed immediately, and you have the right to do that. I have contacted the local, national, and world news to publicize my story. Thus, more than seven billion voter families globally will appreciate US First Lady Dr. Jill Biden, President Joseph Biden, Vice President Kamala Harris, the world leaders, and UN Chairman Ted Turners' reforms, including the Democratic and Republican parties.

Honestly, I am so grateful to be teamwork with US First Lady Dr. Jill Biden, Vice President Kamala Harris, and President Joseph Biden. It was the highest honor to partner with President Joseph Biden, President Barack Obama, Gerald Ford, George Herbert Walker Bush, Ronald Reagan, Bill Clinton, Jimmy Carter, Donal Trump, George Bush, and many more. We have always fought for a brighter, better future for every American. I received President Barack Obama and First Lady Michelle LaVaughn Robinson Obama's emails almost every morning during his presidential terms. The First Lady Michelle LaVaughn Robinson Obama stated that she wanted to make incredible American history. I think it is time for US First Lady Dr. Jill Biden, Vice President Kamala Harris, and President Joseph Biden to make the most outstanding American history. Let's update our American law to have the most exceptional paradise, highest-class lifestyles forevermore. Cheer!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!! I have contacted the local, national, and world news to publicize my story. Thus, more than seven billion voter families globally will appreciate US First Lady Dr. Jill Biden, President Joseph Biden, Vice President Kamala Harris, the world leaders, and UN Chairman Ted Turners' reforms, including the Democratic and Republican parties.

Moreover, Michael is so grateful to have learned about the US and world Supreme Courts Judicial Reviews and the United Nations Universal Declaration of Human rights. Michael has seen that the outdated American and world laws rule us against our human value of free will. We got such many terrible money problems globally. Michael has noticed that you and the Democrats work very hard to raise money challenges, so everyone needs money in the world, including the Republican party.

Additionally, the outdated American and world laws have violated the constitution because they did not work for the American and international people, including all women and children globally. They are hurting American and international people about money problems badly. We did not have the correct human rights as we should. We have the most significant human errors that we continue to obey to work with the outdated American and world laws that hurt us about terrible money problems. For example, a computer has a problem running correctly so; we need to fix it or buy a new computer. Advanced technology gives us remarkable lives. We need to enjoy genuine paradise and highest-class lifestyles forever like diamonds are forever. I am excited about reforming outdated American and world laws and the United Nations Universal Declaration of Human rights to give everyone true financial freedom and the unique highest-class lifestyle globally.

class lifestyles from now on. US President Joseph Biden and your family will live with the highest-class lifestyles of absolute or true financial freedom. US President Biden's family will have more than a trillion US dollars in your bank account all the time. Your family will have the most advanced futuristic automation luxury houses on your private island. Your family will have the most excellent futuristic advanced technology with 8K autonomous exotic computer cars, autonomous cruises, autonomous spaceships, automation luxury houses by the beaches, as many as you want, and so forth, like today and the future to come. Cheer!!!!!!!!!!!!!!!!!!!!!! Diamonds are forever!!!!!!!!!!!!!!!!!!!!!!

Furthermore, President Joseph Biden, Vice President Kamala Harris, and the world leaders need to conduct Judicial Reviews with the US and world Supreme Courts and reform the outdated American and world laws to have the proper or accurate financial freedoms with the highest-class lifestyles equality for everybody globally. President Joseph Biden and Vice President Kamala Harris need to bring them up to the US Supreme Court to have the 'Judicial Review' the outdated American laws immediately or as soon as possible. Thus, American people can enjoy paradise's highest-class lifestyles forever. The United Nations Foundation Chairman Ted Turner needs to reform the UN Universal Declaration of Human rights to have financial freedom human rights. UN Foundation Chairman Ted Turner needs to sign it into law immediately. The Outdated UN Universal Declaration of Human Rights violated the constitution, and it needs to be reformed immediately without delay or as soon as possible. More than seven billion American and international voter families will significantly appreciate US First Lady Dr. Jill Biden, President Joseph Biden, Vice President Kamala Harris, the world leaders, and Mr. Chairman Ted Turner's help.

Moreover, the world's financial freedom human rights need to be the statement in the Preamble and Article 2 of the UN Universal Declaration of Human Rights law immediately. Everyone is entitled to all the rights of financial freedoms outlined in this Declaration, without distinction of any kind, such as race, color, sex, language, religion, political, national, property, birth, and status. The aim is to guarantee the world financial freedom human rights of all global citizens without distinction of nationality, sex, education, and class.

Thus, the World Bank Group, International Monetary Fund, and the US and world treasury department need to fund money and grants to people globally, fully trillion and trillion US dollars and the world currencies in our bank account immediately without delay. Each human in this world can not get hurt for money because we can legally print money from the treasury department globally. Therefore, we can buy all 8K autonomous computer exotic cars, autonomous cruises, autonomous spaceships, automated

luxury houses by the beaches, and so forth, like today and the future to come. The time has changed that technology gives us the most remarkable lives. Thus, we need to have the world financial freedom laws to enjoy our true highest-class economic freedoms forever.

Truthfully, it is time to immediately reform our outdated American and world laws and the UN Universal Declaration of Human Rights law. Thus, everyone will have true financial freedom with the highest class lifestyle, equality, and peace for every human globally. We need to end the low and middle-class lifestyles from now on. This human right needs to be the most priority and justice. All world Supreme Courts need power over these financial freedom human rights laws immediately without delay or as soon as possible. Thus, US President Joe Biden, all world leaders, and United Nations Foundation Chairman Ted Turner need to sign them into laws immediately without delay or as soon as possible because they violated the constitution. It is a time for US First Lady Dr. Jill Biden, President Joseph Biden, Vice President Kamala Harris, United Nations Foundation Chairman Ted Turner, and the world leaders to make the most remarkable history. Cheer!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Moreover, I have learned that Section 2 of Article III gives **the Supreme Court judicial power over "all Cases, in Law and Equity, arising under this Constitution," meaning that the Supreme Court's main job is to decide if laws are constitutional.** The ability to determine whether a law violates the constitution is called Judicial Review. Please review more information about Judicial Review at the links below:

<https://constitutioncenter.org/interactive-constitution/article/article-iii#article-section-2>

<https://constitutioncenter.org/interactive-constitution/article/article-iii>

Additionally, I have seen that we got the most significant human errors to live with the economic system to force us to do many wrong things worldwide. We have built townhouses, condominiums, and homes that were not advanced technologies. We should make all the most excellent futuristic advanced technology with all 8K autonomous exotic computer cars, autonomous cruises, autonomous spaceships, automation luxury houses by the beaches, and so forth, like today and the future to come. I have seen many economy cars and cities were not correct development, and we have wasted our time developing such the wrong products. We should enjoy the outstanding futuristic advanced technology from now.

Furthermore, we have been punished for working for the outdated American and world laws to work such wrong ways and get such money problems. We have worked so hard for our lives and ended up with many debts. I have seen that business owners owned more than a billion debts, and workers had little money in their banks. Our human values are low, and we don't quality our lifestyles as we should. All the world's money problems have caused terrible, distressingly bad crime, prostitution, war, discrimination, and so forth in the low-class lifestyles.

Additionally, I saw President Joseph Biden's first state of the Union address on March 2, 2022. I liked that he talked about investing in America's future, modernizing our infrastructure, and continuing to build a better future for the American people. I have seen that US First Lady Dr. Jill Biden, US President Joseph Biden, US Vice President Kamala Harris, the world leaders, United Nations Foundation Chairman Ted Turner, the World Bank Group, the International Monetary Fund (IMF), and the Democratic and Republican parties try to help American and international people from time to time about their money problems. All the world's money problems have caused terrible, distressingly bad crime, prostitution, war, discrimination, and so forth in the low-class lifestyles. I have seen that the Democratic party will need to raise more money to defend the existing Democratic majorities in November. Thus, the Democrats can fight for every piece of the Biden-Harris plan that Mr. President Joseph Biden talked about on March 2, 2022, in his first state of the Union address. Truthfully, we have needed the money for personal and business very hard globally, including the Democratic (A strong DNC – Elect more Democrats) and the Republican parties.

Fairly, I think that **'MONEY CAN CHANGE THE WORLD.'** We have the most significant human errors in obeying the American and world's outdated laws, forcing us to work very hard for money and having such depressing and sorry lives. The American and world's outdated laws rule us against our human value of free will. We have worked so hard for our lives and ended up with many debts. I have seen that business owners owned more than a billion debts, and workers had little money in their banks. Our human values are low, and we don't quality our lifestyle as we should. The American and world's outdated laws have caused terrible, distressingly bad crime, prostitution, war, discrimination, etc. They are the most significant human errors, and they violate the constitution. They need to have American and the world Supreme Courts make the Judicial Reviews and reform to absolute financial freedom human rights laws

immediately without delay or as soon as possible. These fundamental financial freedom human rights laws need to form into permanent financial freedom laws as the most priority and justices.

Honestly, American and international people need to have the highest useful lives and financial freedom forever. The US and world governments can legally and easily print money from the treasury department, so the US and world governments should give all American and international people financial freedom forever. Our outdated American and International Laws need to have Judicial Review and reform to provide all American and international people financial freedom forever. Thus, we can enjoy our real freedom lives. We can't keep hurting ourselves about money problems because we can legally print the money quickly, and we need the most significant break in our lives if we can.

Additionally, it is the highest honor to fully support Judge Ketanji Brown Jackson for the next justice of the US Supreme Court. According to CNN, Judge Ketanji Brown Jackson is the first Black woman to sit on the highest court in the United States of America. I think it is time to change the world. Truthfully, my most excellent favorite song is Fame by Irene Care, produced by United Nations and CNN Chairman Ted Turner. I liked the fame lyrics like:

'Baby, look at me
And tell me what you see
You ain't seen the best of me yet
Give me time
I'll make you forget the rest

I got more in me
And you can set it free
I can catch the moon in my hand
Don't you know who I am

Remember my name, fame
I'm gonna live forever
I'm gonna learn how to fly, high!!!!!!!!!!!!!!,' and so forth. Please watch the reference music video below:

Gratefully, I have learned that the United Nations created by the 50 most excellent countries included the Big Five: China, the United States, France, the Soviet Union, and the United Kingdom (the five victors of World War II). The United Nations' mission is to keep the peace, honor equality, and most prosperous globally. Today, the United Nations has 193 government countries. The United Nations won twelve Nobel Peace Prizes from 1950 to 2020. The main missions of the United Nations are to maintain world peace and security, protect human rights, promote the most significant economic, social, cultural, and freedom through International law. However, International Law needs to reform to get the highest money power to keep the peace, fix climate crises, and help everybody in the world to have real paradise lives with the correct financial freedom. Our world will be genuinely remarkable when all human beings in the world live with the wealthiest superlative advanced technology, highest-class lifestyle independently, peacefully, and equality. It means all political parties in the world will come to be balanced, and it also means we will have a peaceful world full of enjoyment. We need to end all low-class and middle-class lifestyles as soon as possible, and we need to live only in the highest-class lifestyle world.

Moreover, the United Nations Foundation has 193 country members, like the World Bank Group, 189 member countries, and the International Monetary Fund has 190 member countries together with more than one big family. We have one most enormous world full of loves and friendships. We should enjoy the greatest superlative advanced futuristic technology with absolute financial freedom and paradise highest-class lifestyle forever. These human rights need to be the most priority and justice. Thus, we should build the most excellent superlative futuristic advanced technology and enjoy the real highest-class lifestyle world together independently, peacefully, and equally for each human globally, including newborn children. More than 7 billion Americans and international voter families worldwide will sincerely appreciate US First Lady Dr. Jill Biden, President Joseph Biden, Vice President Kamala Harris, the world leaders, and United Nations Foundation Chairman Ted Turner updating and signing them into the correct Financial freedom laws.

I liked that United Nations Secretary-General António Guterres stated in his seven quotes, "The success of the UN and the international community lies in our common commitment to our common values." – Vision Statement submitted on April 4, 2016. Awesomely, the most fantastic news is that the 22-year-old Stepdaughter Ella Amhoff of our US Vice resident Kamala Harris is wearing a red Stella McCartney

diamond mesh bodysuit. Ella Amhoff has shown the futuristic look with sparkling eye gems and Cartier jewelry as our paradise dream has come true for real. Each of us will live like the wealthiest king and queen with superlative advanced technology, independence, equality, and a peacefully highest-class lifestyle. Each of us will have trillion and trillion US dollars and the world currencies in our bank account. Thus, we can buy all 8K autonomous computer exotic cars, autonomous cruises, autonomous spaceships, automation luxury houses by the beaches, and so forth, like today and the future to come.

Additionally, thank you very much for many of the greatest works from US First Lady Dr. Jill Biden, President Joe Biden, Vice President Kamala Harris, US Senate Committee Budget Chairman Bernie Sanders, US Senate Majority Leader Charles Schumer, US Senators, House of Representatives, Nancy Pelosi – Speaker of House Representatives, the Committee on Ways and Means, Chairman Richard Neal, President Donald Trump, Democratic Party, and Republican Party have helped the American People to survive from the COVID-19 crisis. Significantly, the World Bank and the International Monetary Fund (IMF) have contributed many grants and loans to help people globally to survive during the COVID-19 crisis. The World Bank and IMF both try to promote international financial stability and monetary cooperation. Its mission also facilitates international trade, promotes employment and sustainable economic growth, and helps to reduce global poverty. The World Bank has 189 member countries, and the IMF has 190 member countries and is committed to reducing poverty and making the world the wealthiest place possible. Truthfully, the World Bank Group and International Monetary Fund have funded many grants and loans to many countries worldwide during the Coronavirus (COVID-19) crisis.
