GREATEST NEWS!!!!!!!!!!!!!!!!!!!!!!!!!!!! PLEASE HELP!!

Michael is so thankful and sincerely appreciates your time and valuable email today, April 28, 2022. Many thanks!!!!!!!!!!!!!!!!!!!!!!!!!!!! Michael would like to update you on the issue that matters to me the most. Truthfully, all the outdated American and world laws need to be omitted or intentionally or forgetfully immediately shut out. They are causing many terrible money problems, such as distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions.

Fairly, for example, many computers can't run correctly because they have outdated or are old computers. Thus, they need to have the replacement to the most excellent 8k or better computers. We don't want to continue to use all the outdated computers because we can legally print money from our American and world treasury departments. We don't want to continue to work with the outdated American and world laws that cause us many terrible money problems. Thus, we need to print all money to solve all the money in America and the world. The outdated American and world laws need to be signed automatically immediately to the new American and world rules of the most futuristic advanced technology in America and the world to give us the paradise dreams come true. Or they need to conduct the Judicial Review with the US and the world supreme courts and reform them immediately or as soon as possible. Moreover, we have the tremendous power that judge Jackson, Ketanji Brown, won 53-47 votes on April 7, 2022.

Priority, we need to conduct the Judicial Review and reform our outdated American laws immediately or as soon as possible. Judge Jackson, Ketanji Brown needs to help us do a 'Judicial Review' and improve all outdated American laws to work and give American people the highest class lifestyles equality for each American. We need to end the American low-class and middle-class lifestyles immediately. Therefore, we can buy all 8K autonomous exotic computer cars, autonomous cruises, autonomous spaceships, automated luxury houses by the beaches, and so forth, like today and the future comes. Time has changed, and technology gives us the most remarkable lives. Thus, we need to update the US and world laws to enjoy our true highest-class financial freedoms forever.

Truthfully, all the outdated American and world laws need to be omitted or intentionally or forgetfully immediately shut out. They are causing many terrible money problems, such as distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions. We got former President Barack Obama and Jackson Ketanji Brown. We got the POWERS!!!!!!!!!!!!!!!!!!!!!! Cheers!!!!!!!!!!!!!!!!!!!!!! Let's make the most remarkable American history. Diamonds are forever!!!!!!!!!!!!!!!!!!!!!!

Reasonably, American and international voters voted to select the US and world leaders, Senators, and House Representatives to reform US and world laws about money problems. However, the outdated US and world laws right now are against our human free will about our financial needs. They are the most significant human errors that need to be automatically reformed or conducted in Judicial Reviews and

updated. They need to be signed into law immediately without delay. These human rights need to be the biggest priority and justice. The UN Universal Declaration of Human Rights needs to reform to automatically have a human right to financial freedom. Thus, the World Bank Group, the International Monetary Fund (IMF), and the world federal treasury department will fund money and grants to people globally, fully trillion and trillion US dollars and the world currencies in our bank account immediately without delay. Each human in this world can not get hurt for money because we can legally print money from the treasury department globally. Therefore, we can buy all 8K autonomous computer exotic cars, autonomous cruises, autonomous spaceships, automated luxury houses by the beaches, and so forth, like today and the future to come. Time has changed, and technology gives us the most remarkable lives. Thus, we need to update the US and world laws to enjoy our true highest-class financial freedoms forever. Cheers!!!!!!!!!!!!!!!!!!!!!! Let's make the most remarkable American history. Diamonds are forever!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Please write to Mr. President Joseph Biden to automatically reform our America and sign it into law to give us true free financial freedom and the highest-class lifestyle forever immediately or as soon as possible. Please let the local, national, and world news know that all the outdated American and world laws need to be omitted or intentionally or forgetfully immediately shut out. They are causing many terrible money problems, such as distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. It would always be about you. You helped elect Joe, hold the Democratic majority in the House, and flip the Senate. Since then, we've accomplished a lot together. It is time to celebrate the most futuristic advanced technology in America and the world to have paradise dreams come true. They are the most significant human errors to obey the outdated American and world laws that have forced us to work against our human free will and our paradise dreams about many money problems.
