I was hoping I wouldn't have to send this email, but I'm hearing that we're well short of tonight's fundraising goal. **We can turn things around, but with only a few hours until midnight, the window of opportunity is closing. We need 231 more supporters from Las Vegas to chip in \$7 to the DNC to help close the gap.**

With this year's midterm elections getting closer and closer by the day, the DNC is relying on your continued support to ensure we can continue making critical investments necessary to compete and win this November.

**If we don't meet our goal, we could put our Democratic majorities in danger. Will you be one of 231 more supporters from Las Vegas to chip in \$7 to the DNC ahead of tonight's deadline?**

DONATE: \$7

DONATE: \$10

DONATE: \$25

DONATE: \$50

DONATE: \$100

With only *one* Senate seat and *five* House seats standing between a Republican- or Democratic-controlled Congress, we're leaving nothing to chance. Our investments in things like voter protection, outreach, and crucial technology infrastructure are more expensive than you might think.

In order to protect our majorities and help stop Republicans from taking back control, we must meet tonight's fundraising goal to protect Democrats nationwide.

**MICHAEL, be one of 231 more supporters from Las Vegas to chip in \$7 to the DNC ahead of tonight's fundraising deadline. We cannot afford to miss this goal, and Democrats everywhere are counting on you to help get the job done.**

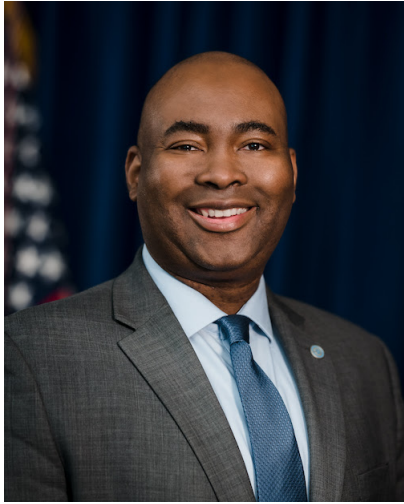

Thanks for everything you do,

Jaime
