MICHAEL, it's Joe. I want to start off by saying *thank you*. Because of your support, our nation is firmly on the road to recovery. Together, we passed the *American Rescue Plan*, getting shots in arms and checks in pockets, and the Bipartisan Infrastructure Law, which will create good-paying jobs and modernize our infrastructure.

These accomplishments were made possible because you secured a Democratic White House and Congress. But here's the honest truth: Our majorities are incredibly slim. If we lose just one seat in the Senate or five in the House, the GOP will be back in control -- possibly putting my agenda on the line.

You know I hate asking for money, but the DNC faces an important end-of-month deadline tonight. Will you be one of the 133 more supporters from Las Vegas our party needs to make a \$7 donation before midnight? Without our majorities, it'll be next to impossible to keep building a better America.

You and I both know that the DNC counts on this grassroots team. Time and time again, you have shown up. *Just look at how much we've accomplished together so far, MICHAEL.* I'm sure we can do it again come November.

Be one of the 133 more supporters from Las Vegas to chip in \$7 to the DNC before midnight. Every penny will help Democrats compete and win up and down the ballot in every ZIP code this fall.

Your support means everything to Kamala and me. From the bottom of my heart, thank you.

Joe
