I wish you will have a great year in 2022!!!!!!!!!!!!!!!!!!!!!!!!!!!!

It was the highest honor to talk with you on the phone. Thank you very much for taking your time and giving a valuable follow-up email. I'm so grateful and sincerely appreciate your time and helpful support. Please continue my application for Northcentral University's Doctor of Philosophy in Technology Management (PhD-TM) program. I will finish my IT Project Management Master of Science Degree at APUS by April 1, 2022. However, I have applied for the Direct Plus Loan and approved it. Please review my FAFSA, Direct Plus Loans, Plus Credit Counseling, and Master Promissory Note (MPN) for Direct PLUS loans information. Thank you very much for all your time and help. Many thanks!!!!!!!!!!!!!!!!!!!!

Happiness, Prosperity, Longevity!

I wish you will have the great year 2022, and it will fill you with peace and happiness forever!!!!!!!!!!!!!!!!!!!!
