

Dear Ladies and Gentlemen or Kings or Queens:

**Congratulations!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!**

Happy Wednesday, March 16, 2022!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

I wish kings or queens will have the most beautiful Week!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

I wish kings or queens will have the most magnificent magical year in 2022!!!!!!!!!!!!!!!!!!!!!!

Greatest news!!!!!!!!!!!!!!

I can not thank you enough. I am truly grateful for more than 7 billion Americans and the international voter families worldwide as all voters legally support my petition 'Makes America Greatest Place on Earth.' I think all laws in the world need to work for people's paradise dream about absolute financial freedom and peaceful lives. The outdated American and world rules right now are against our human free will, and they are the most significant human errors and violate the constitution. They need to have the Judicial Review and reform immediately without delay or as soon as possible. These financial freedom human rights need to be the biggest priority and justice. I have emailed US President Joseph Biden, Vice President Kamala Harris, and United Nations Foundation Chairman Ted Turner to reform the outdated UN Universal Declaration of Human Rights and outdated American laws immediately without delay or as soon as possible. You can review this World Financial Freedom page for more updated information.

Additionally, I will start the first TIM 7001 course with North Central University from March 28, 2022, to May 22, 2022, for my **PHD-TM - Doctor of Philosophy in Technology Management – Specialization in IT Project Management.**

Thank you very much for reading!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Many thanks!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Happiness, Prosperity, Longevity!

I wish kings or queens will have the trillionaire lives, and they will fill you with peace and happiness forever!!!!!!!!!!!!!!!!!!!!

Michael De Shannon
