The Honorable US President Joseph Biden
1600 Pennsylvania NW
Washington, DC 20500

Dear US President Joseph Biden:

Congratulations!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Happy Friday, March 11, 2022!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

I wish US President Joseph Biden and Vice President Harris will have the most magnificent magical year in 2022!!!!!!!!!!!!!!!!!!!!

PLEASE HELP!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Truthfully, Michael is internally grateful for your email today, March 11, 2022, to give me a quick note that one year ago, you signed the *American Rescue Plan* into law. I'm so grateful and sincerely appreciate your time and your valuable email. Many thanks!!!!!!!!!!!!!!!!!!!! Fairly, I have seen that the outdated American and world laws rule us against our human value of free will. We got such many terrible money problems globally. We have worked so hard for our lives and ended up with many debts. Business owners owned more than a billion debts, and workers had little money in their banks. Our human values are low, and we don't have the quality of our lifestyle as we should. The American and world's outdated laws have caused terrible, distressingly bad crime, prostitution, war, discrimination, and many more. They are the most significant human errors, and they violate the constitution. They need to have American and the world Supreme Courts make the Judicial Reviews and reform to absolute financial freedom human rights laws

immediately without delay or as soon as possible. We can not live on with the outdated American and world regulations or rules that are hurting everybody in the world about money problems forever. These fundamental financial freedom human rights laws need to reform as the most priority and justice.

Honestly, we can quickly print money legally from the American and the world treasury department. We should print all the money for everybody to enjoy advanced technology and futuristic paradise highest-class lifestyles equality as the most priority and justice. We need to end the middle-class and low-class lifestyles from now on, and Mr. President Joseph Biden and the First Lady Dr. Jill Biden will live with the highest-class lifestyles of absolute or true financial freedom. Mr. President's family will have more than a trillion US dollars in your bank account all the time. Mr. President's family will have the most advanced futuristic automation luxury houses on your private island. Mr. President's family will have the most excellent futuristic advanced technology with 8K autonomous exotic computer cars, autonomous cruises, autonomous spaceships, automation luxury houses by the beaches, as many as you wanted, and so forth, like today and the future to come. Cheer!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Furthermore, Mr. President Joseph Biden and the world leaders need to make the Judicial Reviews with the Supreme Courts and reform the American and world laws to have the proper or true financial freedoms with highest-class lifestyles equality for everybody globally. Thus, people globally can enjoy paradise's highest-class lifestyles forever from now on. The United Nations Foundation Chairman Ted Turner needs to reform the UN Universal Declaration of Human rights to have financial freedom human rights. UN Foundation Chairman Ted Turner needs to sign it into law immediately without delay. The Outdated UN Universal Declaration of Human Rights violated the constitution, and it needs to be reformed immediately without delay or as soon as possible. More than seven billion American and international voter families will significantly appreciate Mr. Chairman Ted Turner's help.

Fairly, the world financial freedom human rights needs to be the statement in the Preamble and Article 2 of the UN Universal Declaration of Human Rights law immediately without delay. Everyone is entitled to all the rights of financial freedoms outlined in this Declaration, without distinction of any kind, such as race, color, sex, language, religion, political or other opinions, national or social origin, property, birth, or another status. The aim is to guarantee the world financial freedom human rights of all global citizens without distinction of nationality, sex, education, or status.

Thus, the World Bank Group, International Monetary Fund, and the world treasury department need to fund money and grants to people globally, fully trillion and trillion US dollars and the world currencies in our bank account immediately without delay. Each human in this world can not get hurt for money because we can legally print money from the treasury department globally. Therefore, we can buy all 8K autonomous computer exotic cars, autonomous cruises, autonomous spaceships, automation luxury houses by the beaches, and so forth, like today and the future to come. The time has changed that technology gives us the most remarkable lives. Thus, we need to have the world financial freedom laws to enjoy our true highest-class financial freedoms forever from now on.

Truthfully, it is time to reform our American and world laws and the UN Universal Declaration of Human Rights law immediately without delay. Thus, everyone will have true financial freedom with the highest class lifestyle equality and peace for every human globally. We need to end the low and middle-class lifestyles from now on. This human right needs to be the most priority and justice. All world Supreme Courts need to power over these financial freedom human rights laws immediately with delay. Thus, US President Joe Biden, all world leaders, and United Nations Foundation Chairman Ted Turner need to sign them into laws immediately without delay or as soon as possible because they violated the constitution. It is a time for US President Joseph Biden, United Nations Foundation Chairman Ted Turner, and the world leaders to make the most remarkable history. Cheer!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Moreover, I have learned that Section 2 of Article III gives **the Supreme Court judicial power over "all Cases, in Law and Equity, arising under this Constitution," meaning that the Supreme Court's main job is to decide if laws are constitutional.** The ability to determine whether a law violates the constitution is called Judicial Review. Please review more information about Judicial Review at the links below:

Additionally, I have seen that we got the most significant human errors to live with the economic system to force us to do many wrong things in the world. We have built townhouses, condominiums, and homes that were not advanced technologies. We should make all the most excellent futuristic advanced

technology with all 8K autonomous exotic computer cars, autonomous cruises, autonomous spaceships, automation luxury houses by the beaches, and so forth, like today and the future to come. I have seen many economy cars and cities were not correct development, and we have wasted our time to such the wrong product live. We should enjoy the outstanding futuristic advanced technology from now.

Furthermore, we have been punished for working for the outdated American and world laws to work such wrong ways and get such money problems. We have worked so hard for our lives and ended up with many debts. I have seen that business owners owned more than a billion debts, and workers had little money in their banks. Our human values are low, and we don't quality of our lifestyle as we should. All the world's money problems have caused terrible, distressingly bad crime, prostitution, war, discrimination, and so forth in the low-class lifestyles.

Beyond being grateful, Michael wants to thank you for your and Democrats' emails on March 8, 2022, to build a better future for America, on March 4 and March 3, 2022, to discuss your first State of the Union address of March 2, 2022. Michael also wants to thank you for your and Democrats' emails to support Democrats, to fully support Judge Ketanji Brown Jackson for the next justice of the US Supreme Court on February 25, 2022, to fight for a brighter, better future for every American on February 16, 2022, and pass the *Freedom to Vote Act* and the *John Lewis Voting Rights Advancement Act* on January 14, 2022. I'm so grateful and sincerely appreciate your time and your and Democrats' valuable emails. Many thanks!!!!!!!!!!!!!!!!!!!!!! I saw your first State of the Union address on March 2, 2022. I liked that you talked about investing in America's future, modernizing our infrastructure, and continuing to build a better future for the American people.

Additionally, I have seen that you, the world leaders, United Nations Foundation Chairman Ted Turner, the World Bank Group, the International Monetary Fund (IMF), and the Democratic and Republican parties, try to help American and international people from time to time about their money problems. All the world's money problems have caused terrible, distressingly bad crime, prostitution, war, discrimination, and so forth in the low-class lifestyles. I have seen that the Democratic party will need to raise more money to defend the existing Democratic majorities in November. Thus, the Democrats can fight for every piece of the Biden-Harris plan you talked about on March 2, 2022, of your first State of the Union address. Truthfully, we have needed the money for personal and business very hard globally, including the Democratic (A strong DNC – Elect more Democrats) and the Republican parties.

Fairly, I think that '**MONEY CAN CHANGE THE WORLD.**' We have the most significant human errors to obey the American, and world outdated laws force us to work very hard for money and have such depressing and sorry lives. The American and world's outdated laws rule us against our human value of free will. We have worked so hard for our lives and ended up with many debts. I have seen that business owners owned more than a billion debts, and workers had little money in their banks. Our human values are low, and we don't quality of our lifestyle as we should. The American and world's outdated laws have caused terrible, distressingly bad crime, prostitution, war, discrimination, and many more. They are the most significant human errors, and they violate the constitution. They need to have American and the world Supreme Courts make the Judicial Reviews and reform to absolute financial freedom human rights laws immediately without delay or as soon as possible. These fundamental financial freedom human rights laws need to form into permanent financial freedom laws as the most priority and justice.

Honestly, American and international people need to have the highest useful lives and financial freedom forever. The US and world governments can legally and easily print money from the treasury department, so the US and world governments should give all American and international people financial freedom forever. Our outdated American and International Laws need to have Judicial Review and reform to provide all American and international people financial freedom forever. Thus, we can enjoy our real freedom lives. We can't keep hurting ourselves about money problems because we can legally print the money quickly, and we need the most significant break in our lives if we can.

Additionally, it is the highest honor to fully support Judge Ketanji Brown Jackson for the next justice of the US Supreme Court. According to CNN, Judge Ketanji Brown Jackson is the first Black woman to sit on the highest court in the United States of America. I think it is time to change the world. Truthfully, my most excellent favorite song is Fame by Irene Care, produced by United Nations and CNN Chairman Ted Turner. I liked the fame lyrics like:

'Baby, look at me
And tell me what you see
You ain't seen the best of me yet
Give me time
I'll make you forget the rest

I got more in me

And you can set it free

I can catch the moon in my hand

Don't you know who I am

Remember my name, fame

I'm gonna live forever

I'm gonna learn how to fly, high!!!!!!!!!!!!!!,' and so forth. Please watch the reference music video below:

Truthfully, I think US President Joseph Biden is one of the most brilliant, gifted, mastermind Einstein, most outstanding intellect, brain, and physical presidents in American history. Keep up your most exceptional works. Honestly, I am so grateful to be teamwork with you. It was the highest honor to partner with you and President Barack Obama, Gerald Ford, George Herbert Walker Bush, Ronald Reagan, Bill Clinton, Jimmy Carter, Donal Trump, George Bush, and many more. We have always fought for a brighter, better future for every American. I received President Barack Obama and First Lady Michelle LaVaughn Robinson Obama's emails almost every morning during his presidential terms. The First Lady Michelle LaVaughn Robinson Obama stated that she wanted to make incredible American history. I think it is time for Mr. Joseph Biden to make the most outstanding American history. Cheer!! I have contacted the local, national, and world news to publicize my story so that more than seven billion voter families globally will appreciate your and the world leaders' reforms, including the Democratic and Republican parties.

Honestly, American and international voters voted to select the world leaders, Senate, and House Representatives to reform world laws about money problems. However, the outdated world laws right now are against our human free will about our financial needs. They are the most significant human errors that need to be Judicial Reviews and updated. They need to be signed into laws immediately without delay. These human rights need to be the biggest priority and justice. The UN Universal Declaration of Human

Rights needs to reform to have a human right to financial freedom automatically. Thus, the World Bank Group, the International Monetary Fund (IMF), and the world federal treasury department will fund money and grants to people globally, fully trillion and trillion US dollars and the world currencies in our bank account immediately without delay. Each human in this world can not get hurt for money because we can legally print money from the treasury department globally. Therefore, we can buy all 8K autonomous computer exotic cars, autonomous cruises, autonomous spaceships, automation luxury houses by the beaches, and so forth, like today and the future to come. The time has changed that the technology gives us the most remarkable lives. Thus, we need to update the world laws to enjoy our true highest-class financial freedoms forever from now on.

Gratefully, I have learned that the United Nations created by the 50 most excellent countries included the Big-Five: China, the United States, France, the Soviet Union, and the United Kingdom (the five victors of World War II). The United Nations missions to keep the peace, honor equality, and most prosperous globally. Today, the United Nations has 193 government countries. The United Nations won twelve Nobel Peace Prizes from 1950 to 2020. The main missions of the United Nations are to maintain world peace and security, protect human rights, promote the most significant economic, social, cultural, and freedom through International law. However, International Law needs to reform to get the highest money power to keep the peace, fix climate crises, and help everybody in the world to have real paradise lives with the correct financial freedom. Our world will be genuinely remarkable when all human beings in the world live with the wealthiest superlative advanced technology, highest-class lifestyle independently, peacefully, and equality. It means all political parties in the world will come to be balanced, and it also means we will have a peaceful world full of enjoyment. We need to end all low-class and middle-class lifestyles as soon as possible, and we need to live only in the highest-class lifestyle world.

Moreover, the United Nations Foundation has 193 country members like the World Bank Group, 189 member countries, and the International Monetary Fund has 190 member countries together with more than one big family. We have one most enormous world full of loves and friendships. We should enjoy the greatest superlative advanced futuristic technology with absolute financial freedom and paradise highest-class lifestyle forever. These human rights need to be the most priority and justice. Thus, we should build the most excellent superlative futuristic advanced technology and enjoy the real highest-class lifestyle world together independently, peacefully, and equally for each human globally, including the newborn children.

More than 7 billion Americans and international voter families worldwide will sincerely appreciate US President Joseph Biden, the world leaders, and United Nations Foundation Ted Turner updating and signing them into the laws automatically.

Honestly, I liked that United Nations Secretary-General António Guterres stated in his seven quotes, "The success of the UN and the international community lies in our common commitment to our common values." – [Vision Statement](#) submitted on April 4, 2016. Awesomely, the most fantastic news is that the 22-year-old Stepdaughter Ella Amhoff of our US Vice resident Kamala Harris is wearing a red Stella McCartney diamond mesh bodysuit. Ella Amhoff has shown the futuristic look with sparkling eye gems and Cartier jewelry as our paradise dream has come true for real. Each of us will live like the wealthiest king and queen with superlative advanced technology, independence, equality, and a peacefully highest-class lifestyle. Each of us will have trillion and trillion US dollars and the world currencies in our bank account. Thus, we can buy all 8K autonomous computer exotic cars, autonomous cruises, autonomous spaceships, automation luxury houses by the beaches, and so forth, like today and the future to come. However, I have more than 10,000 supporters for my petition group, 'Makes America Greatest Place on Earth.'
