Dear MICHAEL SHANNON,

Congratulations! We are pleased to announce that your degree will be conferred on 4/1/2022. If you have questions about your conferral date, you may contact us at graduations@apus.edu.

Please note that your conferral can NOT be listed on any transcript you order until after your official conferral date.

Your digital diploma will be emailed to your primary email address on file approximately 3 weeks AFTER your conferral date. If you are a military student, please ensure that your primary email address in your student record is not a **.mil** email address.

Your physical diploma will be shipped to your shipping address on file approximately 6 weeks AFTER your conferral date.

Please remember to check your email address and your mailing address in your student record BEFORE your conferral date in order to ensure that your diploma is being sent to the correct addresses. Unfortunately if you do not update your email and mailing address prior to your conferral date, you will need to pay for the diploma to be remailed if it is not received.

Thank You and Congratulations!
