The Honorable US President Joseph Biden

Dear US President Joseph Biden:

Congratulations!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Happy Thursday, February 17, 2022!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

I wish US President Joseph Biden and Vice President Harris will have the most magnificent magical in 2022!!!!!!!!!!!!!!!!!!!!

PLEASE HELP!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Thank you very much for your invitation email to fight for a brighter, better future for every American on February 16, 2022, and pass the *Freedom to Vote Act* and the *John Lewis Voting Rights Advancement Act* on January 14, 2022. I'm so grateful and sincerely appreciate your time and your valuable emails. Many thanks!!!!!!!!!!!!!!!!!!!!

Truthfully, I think US President Joseph Biden is one of the most brilliant, gifted, mastermind Einstein, most outstanding intellect, brain, and physical presidents in American history. Keep up your most exceptional works. Honestly, I am so grateful to be teamwork with you. It was the highest honor to partner with you and President Barack Obama, Gerald Ford, George Herbert Walker Bush, Ronald Reagan, Bill Clinton, Jimmy Carter, Donal Trump, George Bush, and many more. We have always fought for a brighter, better future for every American. I have received the President Barack Obama and the First Lady Michelle LaVaughn Robinson Obama emails almost every morning. The First Lady Michelle LaVaughn Robinson Obama stated

that she wanted to make incredible American history. I think it is time for Mr. Joseph Biden to make the most outstanding American history.

Honestly, thank you very much for many of the most outstanding results from UN Foundation Chairman Ted Turner, UN Foundation CEO Elizabeth Cousens, UNA-USA Team, Nancy Pelosi – Speaker of House Representatives, US Senator Jacky Rosen, US Congresswoman Dina Titus, US Senator Catherine Cortez Masto, US First Lady Dr. Jill Biden, President Joe Biden, Vice President Kamala Harris, US Senators, House of Representatives, Senate Committee Budget Chairman Bernie Sanders, Majority Leader Chuck Schumer, the Committee on Ways and Means, Chairman Richard Neal, President Donald Trump, Democratic Party, and Republican Party have helped the American People to survive from the COVID-19 crisis. Significantly, the World Bank and the International Monetary Fund (IMF) have contributed many grants and loans to help people survive during the COVID-19 crisis.

The World Bank and IMF both try to promote international financial stability and monetary cooperation. Their mission also facilitates international trade, promotes employment and sustainable economic growth, and helps to reduce global poverty. The World Bank has 189 member countries, and the IMF has 190 member countries, and they commit to reducing poverty and making the world the wealthiest place possible. Moreover, the World Bank Group and International Monetary Fund have funded many grants and loans worldwide during the Coronavirus (COVID-19) crisis. Additionally, I think all laws in the world need to work for people's paradise dream about absolute financial freedom and peaceful lives. The outdated American laws right now are against our American human free will, and they are the most human errors that need to update from now on automatically. This human right needs to be the biggest priority and justice.

Faithfully, US President Joseph Biden and Vice President Harris need to automatically update our American laws to give all American people absolute financial freedom and peaceful lives forever from now on. We have obeyed American and the world's outdated laws against our human free will and given us live with the sorrows throughout history. These updated American laws will not need to go with the old rule process of votes to reform this new financial freedom American laws because these laws are the most excellent laws to give our American paradise dreams to come true. They will provide all American people the unique highest-class lifestyles, peaceful lives equality forever. Thus, they will be the true American laws legally for all American people from now on.

Moreover, the updated financial freedom American laws will not need to go to the process of old vote rules from the Parliament consisting of two Houses (the Senate and the House of Representatives) because they will provide for all American people to have the most excellent paradise dreams. We all want these laws to give us the most extraordinary future. These financial freedom American laws are our future paradise dreams, and these are the fundamental laws from now on. We need to live with the highest class lifestyles equality for each American, and we need to end the American low-class and middle-class lifestyles from now on. We need to follow our hearts and live with our true American paradise dreams. Mr. President needs to sign it into law immediately without delay. I have contacted local, national, global news directors to publicize my story. More than seven billion American and international voter families will significantly appreciate Mr. Josesh Biden's help, including the Republican and Democratic parties.

Truthfully, we have needed the money for personal and business very hard globally, including the Democratic and Republican parties. American and international voters voted to select the world leaders, Senate, and House Representatives to reform world laws about money problems. However, the outdated world laws right now are against our human free will about our financial needs. They are the most significant human errors that need to update automatically from now on. They need to be signed into laws immediately without delay. These human rights need to be the biggest priority and justice. The UN Universal Declaration of Human Rights needs to reform to automatically have a human right to financial freedom. Thus, the World Bank Group will fund grants to people globally, fully trillion and trillion US dollars and the world currencies in our bank account immediately without delay. Each human in this world can not get hurt for money because we can legally print money from the treasury department globally. Therefore, we can buy all 8K autonomous computer exotic cars, autonomous cruises, autonomous

spaceships, automation luxury houses by the beaches, and so forth, like today and the future to come. The time has changed that the technology gives us the most remarkable lives. Thus, we need to automatically update the world laws to enjoy our true highest-class financial freedoms forever from now on.

Fairly, since we can lawfully print money from our US Treasury Department, we need to print all cash for our American people to enjoy the absolute American paradise dream. We also need to live with the most superior advanced technology, highest-class lifestyle with true financial freedom and peaceful lives equality forever. We need to end the American middle and low-class lifestyles from now on. We need to live only the highest-class lifestyle with financial freedom and peaceful lives equality for everyone in the world forever. The American and international people need to have the highest valuable lives and financial freedom forever. All the world's money problems have caused terrible, distressingly bad crime, prostitution, war, discrimination, and so forth in the low-class lifestyles. Honestly, the US and world governments can legally and easily print money from the treasury department, so the US and world governments should give all American and international people financial freedom forever. Our American and the outdated International Laws need to be automatically reformed to provide all American and international people financial freedom forever. Thus, we can enjoy our real freedom lives. We can't keep hurting ourselves about money problems because we can legally print the money quickly, and we need the most significant break in our lives if we can. The world government can legally print money from the treasury departments. Still, many people in the world are hurting for cash and desperate for money, so our world money problem human rights need to be signed into laws as the most priority and justice. We need to end all low-class and middle-class lifestyles from now on. We need to live only in the highest-class lifestyle world.

Furthermore, our outdated American laws and International Law in the world have forced our human value meager. We did not have quality lives as we should or did not have the correct human rights. These are the most significant human errors, so we need to automatically replace the American laws and International Law immediately without delay. The World Bank and the International Monetary Fund (IMF) need to fund grants to all people in the world trillions and trillions (US dollars) or the world currencies in their bank account all the time to enjoy our real paradise lives. These human rights need to be the biggest priority and justice. We need to end all low-class and middle-class lifestyles from now on. We need to live only in the highest-class lifestyle world. International Law needs to reform to get the highest money power to keep the peace, fix climate crises, and help everybody in the world to have real paradise lives with the correct financial freedom. Our world will be genuinely remarkable when all human beings in the world live with the wealthiest superlative advanced technology, highest-class lifestyle independently, peacefully, and

equality. It means all political parties in the world will come to be balanced, and it also means we will have a peaceful world full of enjoyment. We need to end all low-class and middle-class lifestyles from now on, and we need to live only in the highest-class lifestyle world. Would you please try to understand and help?

Moreover, they are the most human errors to live the lives of sadness and against our free will. MR. PRESIDENT JOE BIDEN and the world leaders need to sign them into absolute financial freedom, peaceful highest-class lifestyles forever laws immediately without delays. These human rights need to be the most priority and justice. Or we can reform our Amendment I to add in the FINANCIAL FREEDOM, FREEDOM OF PEACE, AND AMERICAN HIGHEST-CLASS LIFESTYLE FOREVER!!!!!!!!!!!!!!!!!!!!!!

Gratefully, I have learned that the United Nations created by the 50 most excellent countries included the Big-Five: China, the United States, France, the Soviet Union, and the United Kingdom (the five victors of World War II). The United Nations missions to keep the peace, honor equality, and most prosperous globally. Today, the United Nations has 193 government countries. The United Nations won twelve Nobel Peace Prizes from 1950 to 2020. The main missions of the United Nations are to maintain world peace and security, protect human rights, promote the most significant economic, social, cultural, and freedom through International law. However, International Law needs to reform to get the highest money power to keep the peace, fix climate crises, and help everybody in the world to have real paradise lives with the correct financial freedom. Our world will be genuinely remarkable when all human beings in the world live with the wealthiest superlative advanced technology, highest-class lifestyle independently, peacefully, and equality. It means all political parties in the world will come to be balanced, and it also means we will have a peaceful world full of enjoyment. We need to end all low-class and middle-class lifestyles as soon as possible, and we need to live only in the highest-class lifestyle world.

Moreover, the United Nations Foundation has 193 country members like the World Bank Group, 189 member countries, and the International Monetary Fund has 190 member countries together with more than one big family. We have one most enormous world full of loves and friendships. We should enjoy the greatest superlative advanced futuristic technology with absolute financial freedom and paradise highest-class lifestyle forever. These human rights need to be the most priority and justice. Thus, we should build the most excellent superlative futuristic advanced technology and enjoy the real highest-class lifestyle world together independently, peacefully, and equally for each human globally, including the newborn children.

More than 7 billion Americans and international voter families worldwide will sincerely appreciate US President Joseph Biden and the world leaders updating and signing them into the laws automatically.

Honestly, I liked that United Nations Secretary-General António Guterres stated in his seven quotes, "The success of the UN and the international community lies in our common commitment to our common values." – [Vision Statement](#) submitted on April 4, 2016. Awesomely, [the most fantastic news is that the 22-year-old](#) Stepdaughter Ella Amhoff of our [US Vice resident](#) Kamala Harris is wearing a red Stella McCartney diamond mesh bodysuit. Ella Amhoff has shown the futuristic look with sparkling eye gems and Cartier jewelry as our paradise dream has come true for real. Each of us will live like the wealthiest king and queen with superlative advanced technology, independence, equality, and a peacefully highest-class lifestyle. Each of us will have trillion and trillion US dollars and the world currencies in our bank account. Thus, we can buy all 8K autonomous computer exotic cars, autonomous cruises, autonomous spaceships, automation luxury houses by the beaches, and so forth, like today and the future to come.
