Dear UN Foundation Chairman Ted Turner:

Happy New year 2022 and Happy Asian Holiday Season 2021!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

I wish you and your family will have the most magnificent magical year in 2022!!!!!!!!!!!!!!!!!!!!!!

I'm so grateful and sincerely appreciate your time and help the world for peace, honor equality, and the most prosperous globally. Today, United Nations Foundation has 193 government countries like the World Bank Group has 189 member countries, and the International Monetary Fund has 190 member countries together more than one big family. Truthfully, we are together like one most enormous world full of loves. We are the most fantastic friends together in one most extraordinary world – The United Nations, the World Bank Group, and the International Monetary Fund.

Truthfully, I think UN Foundation Chairman Ted Turner is the most brilliant, gifted, mastermind Einstein, most outstanding intellect, brain, and physical UN Foundation Chairman globally. Keep up your most exceptional works. Moreover, thank you very much for many of the most outstanding results from UN Foundation Chairman Ted Turner, UN Foundation CEO Elizabeth Cousens, UNA-USA Team, Nancy Pelosi – Speaker of House Representatives, US Senator Jacky Rosen, US Congresswoman Dina Titus, US Senator Catherine Cortez Masto, US First Lady Dr. Jill Biden, President Joe Biden, Vice President Kamala Harris, US Senators, House of Representatives, Senate Committee Budget Chairman Bernie Sanders, Majority Leader Chuck Schumer, the Committee on Ways and Means, Chairman Richard Neal, President Donald Trump, Democratic Party, and Republican Party have helped the American People to survive from the COVID-19 crisis. Significantly, the World Bank and the International Monetary Fund (IMF) have contributed many grants and loans to help people survive during the COVID-19 crisis.

The World Bank and IMF both try to promote international financial stability and monetary cooperation. Their mission also facilitates international trade, promotes employment and sustainable economic growth, and helps to reduce global poverty. The World Bank has 189 member countries, and the IMF has 190 member countries, and they commit to reducing poverty and making the world the wealthiest place possible. Moreover, the World Bank Group and International Monetary Fund have funded many grants and loans worldwide during the Coronavirus (COVID-19) crisis. Additionally, I am writing to you today because I have received an invitation email from UNA – USA Communication Officer Gillian Wilson for the Affinity Group Co-Chairs of UNA – USA position on August 24, 2021. Moreover, I have reviewed the UN Universal Declaration of Human Rights. I have seen that the UN Universal Declaration of Human Rights needs to be automatically reformed immediately without delay for everybody globally to have financial freedom forever. We need to live only with the highest-class lifestyle world equality, supporting and advancing LGBTQIA+ rights. We need to end the low-class and middle-class lifestyles globally from now on. Please review my learning about the UN Universal Declaration of Human Rights and your background at the links below:

Moreover, the updated financial freedom of the UN Universal Declaration of Human Rights will not need to go through the process of old vote rules because they will provide for all people globally to have the most excellent paradise dreams. We all want the financial freedom of the UN Universal Declaration of Human Rights law to give us the most extraordinary future. The financial freedom of the UN Universal Declaration of Human Rights law is our future paradise dream, and it is the fundamental law from now on. We need to live with the highest class lifestyles equality for each human in the world, and we need to end the world low-class and

middle-class lifestyles from now on. We need to follow our hearts and live with our true paradise dreams. Mr. UN Foundation Chairman Ted Turner needs to sign it into law immediately without delay. More than seven billion American and international voter families will greatly appreciate your help.

Truthfully, American and international voters voted to select the world leaders, Senate, and House Representatives to reform world laws. However, the outdated world laws right now are against our human free will about money problems. They are the most significant human errors that need to update automatically immediately without delay. They need to be signed into laws immediately without delay. These financial freedom human rights need to be the biggest priority and justice. The UN Universal Declaration of Human Rights needs to reform to automatically have a human right to financial freedom immediately without delay. Thus, the World Bank Group will fund grants to people globally, fully trillion and trillion US dollars and the world currencies in our bank account immediately without delay. Each human in this world can not get hurt for money because we can legally print money from the treasury department globally. Therefore, we can buy all 8K autonomous computer exotic cars, autonomous cruises, autonomous spaceships, automation luxury houses by the beaches, and so forth, like today and the future to come. The time has changed that technology gives us the most remarkable lives. Thus, we need to automatically update the world financial freedom laws to enjoy our true highest-class financial freedoms forever from now on.

Fairly, since we can lawfully print money from our world Treasury Department, we need to print all cash for all people globally to enjoy the absolute paradise dream. We also need to live with the most superior advanced technology, highest-class lifestyle with true financial freedom and peaceful lives equality forever. We need to end the world's middle and low-class lifestyles from now on. We need to live only the highest-class lifestyle with financial freedom and peaceful lives equality for everyone in the world forever.

Moreover, I have learned that the United Nations created by the 50 most excellent countries included the Big-Five: China, the United States, France, the Soviet Union, and the United Kingdom (the five victors of World War II). The United Nations missions to keep the peace, honor equality, and most prosperous globally. Today, the United Nations has 193 government countries like the World Bank Group has 189 member countries, and the International Monetary Fund has 190 member countries together more than one big family. Surprisingly, our greatest hero is United Nations Foundation Chairman Ted Turner. You are our greatest hero, and you are a chosen one.

United Nations Foundation Chairman Ted Turner will be our world superman or superhero to rescue our world with the most significant money problems like COVID-19 pandemic, Climate change, poverty, terrible, distressingly bad crime, prostitution, war, discrimination, and so forth in the low-class and middle-class lifestyles. Mr. UN Foundation Chairman Ted Turner needs to sign the UN Universal Declaration of Human Rights' financial freedom permanently into law immediately without delay. So, we will enjoy our absolute financial freedom lives forever, including all the newborn children globally. Please consider this human right needs to be the most priority and justice. Please help!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

king and queen with superlative advanced technology, independence, equality, and a peacefully high-class lifestyle. Each of us will have trillion and trillion US dollars and the world currencies in our bank account. Thus, we can buy all 8K autonomous computer exotic cars, autonomous cruises, autonomous spaceships, automation luxury houses by the beaches, and so forth, like today and the future to come.
