Many thanks!!!!!!!!!!!!!!!!!!!!!! Michael would like to update US Senate Majority Leader Chuck Schumer's family, US Senator Maggie Hassan's family, and US Former Judge and Chief Justice Cheri Beasley's family on the issue that matters to Michael the most. Truthfully, all the outdated American and world laws need to be omitted or forgetfully immediately shut out. They are causing many terrible money problems, such as distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors,

violating the American and global constitutions. Moreover, for example, many computers can't run correctly because they have old or old computers. Thus, they need to have the replacement to the most excellent 8k or better computers. We don't want to continue to use all the outdated computers because we can legally print money from our American and world treasury departments. We don't want to continue to work with the outdated American and world laws that cause us many terrible money problems. Thus, we need to print all money to solve all the money in America and the world. The outdated American and world laws need to be signed immediately to the new American and world rules of the most futuristic advanced technology in America and the world to give us the paradise dreams come true. Or they need to conduct the Judicial Review with the US and the world supreme courts and reform them immediately or as soon as possible. Moreover, we have the tremendous power that judge Jackson, Ketanji Brown, won 53-47 votes on April 7, 2022.

Additionally, I have seen that we have the most significant human errors in living with the economic system, forcing us to do many wrong things worldwide. We have built townhouses, condominiums, and homes without advanced technologies. We can legally print money from our American and world treasury departments. We should make all the most excellent futuristic advanced technology with all 8K autonomous exotic computer cars, autonomous cruises, autonomous spaceships, automation luxury houses by the beaches, and so forth, like today and the future to come to enjoy our true paradise lives. I have seen many American and global economy cars and cities were not developed correctly, and we have wasted our time developing low-quality towns, cities, and vehicles. We should make all the most excellent futuristic advanced technology with all 8K autonomous exotic computer cars, autonomous cruises, autonomous spaceships, automated luxury houses by the beaches, and so forth, like today and the future. We should enjoy the outstanding futuristic advanced technology from now on. Fairly, we have been punished for working for the outdated American and world laws to work such wrong ways and get such money problems. We have worked so hard for our lives and ended up with many debts. I have seen that business owners owned more than a billion debts, and workers had little money in their banks. Our human values are low, and we don't quality our lifestyles as we should. All the world's money problems have caused terrible, distressingly bad crime, prostitution, war, discrimination, and so forth in the low-class lifestyles.

Truthfully, I have seen that US President Joseph Biden's family, Former President Barack Obama's family, and Vice President Kamala Harris's family are the most remarkable and genius presidential teams in the world. I am so grateful and sincerely appreciate being a part of this reform of the outdated American and world laws about money problems. Mr. President Joseph Biden needs to create a new American constitution with the highest-class American lifestyle of absolute financial freedom and equality for each American. Thus, we can solve all American money problems and immediately enjoy

our futuristic advanced technology without delay. We need to end American middle-Class and low-class lifestyles from now on.

Gratefully, Mr. President Joseph Biden should be another true hero like Mr. President George Washington, who created "Washington's Constitution." in 1787; James Madison was the constitution's chief architect. These were essential to promote America's liberty, protect property, and preserve independence. Washington's Constitution is 235 years old today. By the end of 1786 in Massachusetts, President George Washington began to doubt if Americans were capable of self-government. It was the printing of devalued paper money by Rhode Island. In the nineteenth century, the Supreme Court decided a series of cases that upheld the power of Congress to issue paper money to make it legal tender into a basic or fundamental law.

In March 1787, three months after the disturbances in Massachusetts, President George Washington wrote to his former aide, the Marquis de Lafayette, on the campaign for constitutional reform. President George Washington wanted the American people to have the correct American federal system. The Legislatures have appointed the power delegate representatives to revise the American law on Monday at Philadelphia. Moreover, we need to have an updated American constitution to work for all American voters about money problems. Washington's Constitution is 235 years old today and has outdated money problems in America. I have seen that we can legally quickly print money from our US treasury department, so we should print all the money to solve our American money problems. We need to improve all outdated American laws to give American people the highest class lifestyles and equality for each American. We need to end the American low-class and middle-class lifestyles immediately. Therefore, we can buy all 8K autonomous exotic computer cars, autonomous cruises, autonomous spaceships, automated luxury houses by the beaches, and so forth, like today and the future. Time has changed, and technology gives us the most remarkable lives. Thus, we need to update the US and world laws to enjoy our true highest-class financial freedoms forever. Truthfully, all the outdated American and world laws need to be omitted or forgetfully immediately shut out. They are causing many terrible money problems, such as distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions. We got former President Barack Obama and Jackson Ketanji Brown. We got the POWERS!!!!!!!!!!!!!!!!!!!!!! Cheers!!!!!!!!!!!!!!!!!!!!!! Let's make the most remarkable American history. Diamonds are forever!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Furthermore, Mr. President Joseph Biden should be another true hero like Mr. President Thomas Jefferson. The latter composed the original draft of The **United States Declaration of Independence**, the

document which Congress edited. The [Second Continental Congress](#) meeting in [Philadelphia, Pennsylvania](#), on July 4, 1776. The Declaration, these new states took a collective first step in forming the [United States of America](#). The declaration was signed by 56 of America's [Founding Fathers](#), congressional representatives from [New Hampshire](#), [Massachusetts Bay](#), [Rhode Island and Providence Plantations](#), [Connecticut](#), [New York](#), [New Jersey](#), [Pennsylvania](#), [Maryland](#), [Delaware](#), [Virginia](#), [North Carolina](#), [South Carolina](#), and [Georgia](#). The declaration was made to guarantee equal rights for every American person that [all men are created equal](#), that they are endowed by their [Creator](#) with certain [unalienable Rights](#), that among these are [Life, Liberty and the pursuit of Happiness](#).—That to secure these rights, Governments are instituted among Men, deriving their just powers from the [consent of the governed](#). Independence Day, the Fourth (4th) of July is a public holiday in the United States of America that commemorates the adoption of the Declaration of Independence on July 4, 1776, which declared the original colonies to be free from British rule. The holiday falls on a Monday this year.

Fairly, I have seen that every human in the world can not have true freedom or independence if we have money problems. Thus, we need to reform outdated American and world laws and the United Nations Universal Declaration of Human rights to give everyone true financial freedom and the unique highest-class lifestyle globally. I have seen that we can legally quickly print money from our US and world treasury departments, so we should print all the money to solve our American and the world money problems. We need to improve all outdated American laws to give American people the highest class lifestyles and equality for each American. We need to end the American low-class and middle-class lifestyles immediately. Therefore, we can buy all 8K autonomous exotic computer cars, autonomous cruises, autonomous spaceships, automated luxury houses by the beaches, and so forth, like today and the future. Time has changed, and technology gives us the most remarkable lives. Thus, we need to update the US and world laws to enjoy our true highest-class financial freedoms forever. These human rights need to be the most priority and justice. Truthfully, all the outdated American and world laws need to be omitted or intentionally or forgetfully immediately shut out. They are causing many terrible money problems, such as distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions. We got former President Barack Obama and Jackson Ketanji Brown. We got the POWERS!!!!!!!!!!!!!!!!!!!!!! Cheers!!!!!!!!!!!!!!!!!!!!!! Let's make the most remarkable American and world histories. Diamonds are forever!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Truthfully, Michael has talked to many American and international voters in Las Vegas, Nevada, and my American Public University and American Military University classmates, staff, and Northcentral University staff. Michael told them about reforming outdated American and world laws and the United Nations Universal Declaration of Human rights to give everyone true financial freedom and the unique highest-class lifestyle globally. They were so excited about the reforming and hoped the outdated American and world laws and the United Nations Universal Declaration of Human rights could get

reformed immediately or as soon as possible. Michael withdrew Michael's doctoral program and tries to work full time on the reform outdated American and world laws.

Furthermore, I have learned that Section 2 of Article III gives **the Supreme Court judicial power over "all Cases, in Law and Equity, arising under this Constitution," meaning that the Supreme Court's main job is to decide if laws are constitutional.** The ability to determine whether a law violates the constitution is called Judicial Review. I think our American and world laws were outdated, and they are hurting people about money problems globally. All the world's money problems have caused terrible, distressingly bad crime, prostitution, war, discrimination, and so forth in the low-class lifestyles. The American and world's outdated laws need to have **Judicial Reviews from the American and the world Supreme Courts. The American and world's outdated laws are not constitutional, and they violate the constitution and hurt people with money problems. All laws in the world need to work for people's paradise dreams globally. These are significant human errors, and these human rights need to be reformed immediately without delay or as soon as possible.**

"THUS, ALL WORLD SUPREME COURTS NEED TO POWER OVER THESE FINANCIAL FREEDOM HUMAN RIGHTS LAWS IMMEDIATELY WITHOUT DELAY. THUS, US PRESIDENT JOE BIDEN, ALL WORLD LEADERS, AND UNITED NATIONS FOUNDATION CHAIRMAN TED TURNER NEED TO SIGN THEM INTO LAWS IMMEDIATELY WITHOUT DELAY OR AS SOON AS POSSIBLE."

'MONEY CAN CHANGE THE WORLD.'

Gratefully, the World Bank Group, the International Monetary Fund (IMF), and the world federal treasury department need to fund money and grants to all people in the world trillions and trillions (US dollars) or the world currencies in their bank accounts all the time to enjoy our real paradise lives. These human rights need to be the biggest priority and justice. We need to end all low-class and middle-class lifestyles from now on. We need to live only in the highest-class lifestyle world. International Law needs to reform to get the highest money power to keep the peace, fix climate crises, and help everybody in the world to have real paradise lives with the correct financial freedom. Our world will be genuinely remarkable when all human beings in the world live with the wealthiest superlative advanced technology, and highest-class lifestyle independently, peacefully, and equality. It means all political parties in the world will come to be balanced, and it also means we will have a peaceful world full of enjoyment. We need to end all low-class and middle-class lifestyles from now on, and we need to live only in the highest-class lifestyle world. Would you please try to understand and help?

It is time to reform our American and the world laws to give everyone true financial freedom with the highest class lifestyle equality and peace for every human globally. We need to end the low and middle-class lifestyles from now on. This human right needs to be the most priority and justice. All world Supreme Courts need power over these financial freedom human rights laws immediately without delay. Thus, US President Joe Biden, all world leaders, and United Nations Foundation Chairman Ted Turner need to sign them into laws immediately without delay or as soon as possible because they violated the constitution.

Priority, we need to conduct the Judicial Review and reform our outdated American laws immediately or as soon as possible. Judge Jackson, Ketanji Brown needs to help us do a 'Judicial Review' and improve all outdated American laws to give American people the highest class lifestyles and equality for each American. We need to end the American low-class and middle-class lifestyles immediately. Therefore, we can buy all 8K autonomous exotic computer cars, autonomous cruises, autonomous spaceships, automated luxury houses by the beaches, and so forth, like today and the future comes. Time has changed, and technology gives us the most remarkable lives. Thus, we need to update the US and world laws to enjoy our true highest-class financial freedoms forever. Truthfully, all the outdated American and world laws need to be omitted or intentionally or forgetfully immediately shut out. They are causing many terrible money problems, such as distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions. We got former President Barack Obama and Jackson Ketanji Brown. We got the POWeRs!!!!!!!!!!!!!!!!!!!!!! Cheers!!!!!!!!!!!!!!!!!!!!!!

Let's make the most remarkable American and world histories. Diamonds are forever!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Michael liked that Mr. President said in an email on June 12, 2022, " Since I was first elected to the US Senate as a 29-year-old kid, getting to speak one-on-one with the people I represent has been one of my favorite parts of the job. I love talking directly with Democrats like you, MICHAEL -- about your hopes and dreams, the challenges you face, and what got you in this fight. Since Kamala and I took office, we've been able to accomplish so much -- and that's all thanks to the support of this grassroots team and the Democratic majorities you helped elect. We passed the *American Rescue Plan* and the Bipartisan Infrastructure Deal and got the first Black woman confirmed to the US Supreme Court. But we have a lot more work ahead to keep building a better America."

Michael liked that First Lady Dr. Jill Biden said in an email on June 14, 2022, "Throughout the years, I've learned that at least three things can make Joe smile from ear to ear: Our kids and grandkids, chocolate chip ice cream, and getting to talk one-on-one with Americans like you, MICHAEL. Meeting people like you, and having the chance to hear your hopes and dreams, grounds him and motivates him to keep fighting the hard battles. That's why Joe would love nothing more than to meet you in person."

Michael's hopes and dreams are Michael would like that Mr. President helps us to reform our outdated US law automatically to give the American people to live with the highest class, with a billionaire lifestyle. A **trillionaire** is an individual American with a net worth of more than one **trillion** in US dollars or another similarly valued currency, including a newborn child, equality, and peaceful life forever. We need to end the American Middle-class and low-class immediately from today. Or Mr. President needs to conduct a "Judicial Review" with the Supreme Court to reform our outdated American law immediately to highest-class lifestyle equality and peaceful life for each American forever. **The children globally are POWERS!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!! The children in the world are DIAMONDS FOREVER!!!!!!!!!!!!!!!!!!!!!!!!!!!! Please, the American and world leaders need to reform US and world laws about money problems. The outdated US and world laws right now are against our human free will about our financial needs. They are the most significant human errors that need to be automatically reformed or conducted in Judicial Reviews and updated. They need to be signed into laws immediately without delay. These human rights need to be the biggest priority and justice. The UN Universal Declaration of Human Rights needs to reform to have a human right to financial freedom automatically. Thus, the World Bank Group, the International Monetary Fund (IMF), and the world federal treasury department will fund money and grants to people globally, fully trillion and trillion US dollars and the world currencies in our bank account immediately without delay. Each human in this world can not get hurt for money because we can legally print money from the treasury department globally. Therefore, we can buy all 8K autonomous computer exotic cars, autonomous cruises, autonomous spaceships, automated luxury houses by the beaches, and so forth, like today and the future to come. Truthfully, our first President of the United States of America, George Washington, formed the new government in 1787, called "Washington's Constitution." James Madison was the constitution's chief architect. These were essential to promote America's liberty, protect property, and preserve

independence. Washington's Constitution is 235 years old today. By the end of 1786 in Massachusetts, President George Washington began to doubt if Americans were capable of self-government. It was the printing of devalued paper money by Rhode Island. In the nineteenth century, the Supreme Court decided a series of cases that upheld the power of Congress to issue paper money to make it legal tender into a basic or fundamental law.

In March 1787, three months after the disturbances in Massachusetts, President George Washington wrote to his former aide, the Marquis de Lafayette, on the campaign for constitutional reform. President George Washington wanted the American people to have the correct American federal system. The Legislatures have appointed the power delegate representatives to revise the American law on Monday at Philadelphia.

President George Washington turned the constitutional convention of rules. Those rules provided that each state would have one vote; a majority of states represented could carry a vote; most controversially, secrecy would prevail. The Virginians and Pennsylvanians met privately to the framework for a constitution, which became known as the Virginia Plan because Virginia governor Edmund Randolph offered it at the convention. The Virginians Plan will be a total alternation of the present federal system and substituting a great National Council with full legislative Powers upon all the Objects of the Union. States' votes will prove the constitution. Congress had gathered as a meeting to draft the Articles—amendments.

In 1790, Gilbert du Motie, known as the Marquis de Lafayette, sent the key to [George Washington](#) on behalf of the people of France. Lafayette and President George Washington developed a special relationship during the American Revolution. The bond between the two men grew so strong that they were more like a father and son than a commanding general and his top-ranking officer. For Lafayette, there was no better person to receive the symbol of the end of ancient tyranny than the man who fought bravely to establish the United States.

Remarkably, Marquis de Lafayette returned to France and was appointed to the [Assembly of Notables](#) in 1787, convened in response to the fiscal crisis. He was elected a member of the [Estates-General of 1789](#), where representatives met from the three traditional orders of French society: the clergy, the nobility, and the commoners. After forming the [National Constituent Assembly](#), he helped to write the [Declaration of the Rights of Man and the Citizen](#) with [Thomas Jefferson](#)'s assistance. This document was inspired by the [United States Declaration of Independence](#) and invoked [natural law](#) to establish basic principles of the democratic nation-state. He also advocated the end of slavery,

keeping with the philosophy of [natural rights](#). Please review the links below for more information about outdated US and world laws:

Truthfully, all the outdated American and world laws need to be omitted or forgetfully immediately shut out. They are causing many terrible money problems, such as distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions. Washington's Constitution is 235 years old today. The US constitution is totally outdated, and Michael has seen many reforms from the US government for money problems. However, Michael has seen that the US and international people need money badly for personal, business, and political challenges.

Michael thinks we are all humans in the world and that we want to have a paradise dream come true. We need to live with the highest class, with a trillionaire lifestyle. A **trillionaire** is an individual American with a net worth of more than one **trillion** in US dollars or another similarly valued currency, including a newborn child, equality, and peaceful life forever. We need to end the American Middle-class and low-class immediately from today. Or Mr. President needs to conduct a "Judicial Review" with the Supreme Court to reform our outdated American law immediately to highest-class lifestyle equality and peaceful life for each American forever.

Reasonably, American and international voters voted to select the US and world leaders, Senators, and House Representatives to reform US and world laws about money problems. However, the outdated US and world laws right now are against our human free will about our financial needs. They are the

most significant human errors that need to be automatically reformed or conducted in Judicial Reviews and updated. They need to be signed into laws immediately without delay. These human rights need to be the biggest priority and justice. The UN Universal Declaration of Human Rights needs to reform to have a human right to financial freedom automatically. Please, US Senate Majority Leader Chuck Schumer, US Senator Maggie Hassan, and Former Judge and Chief Justice Cheri Beasley need to write to US President Joseph Biden and request him to help us automatically reform our outdated American law and sign it into law to give us true free financial freedom and the highest-class lifestyle forever immediately or as soon as possible. Please let the local, national, and world news know that all the outdated American and world laws need to be omitted or intentionally or forgetfully immediately shut out. Subject: Will you join me?

The stakes are just too high, friend. That's why I had to reach out to you personally right away:

It's imperative that we protect Maggie Hassan's vital voice in the Senate. She's working tirelessly day in and day out on the issues that matter most to all Americans, from voting rights to bodily autonomy,

and we can't afford to lose her.

But Mitch McConnell and his dark-money cronies are working just as hard to take back this pivotal seat, funneling MILLIONS into attack ads to spread harmful misinformation about Maggie.

They need to flip just ONE seat to take back the Senate, and it could very well be this one if we don't act now. [**So please, will you join this people-powered movement today and make a gift of \\$3 to defend this seat and our razor-thin Senate majority?**](#)

Maggie is no stranger to tough fights like this one. She won her last election by only 1,017 votes – which means that Republicans have made her their top target this year – and we need to reach every last voter we can before Election Day.

Maggie is relying on grassroots supporters like you to come together and bolster this campaign all the way until November. **Every voter, every dollar, every single last one of you can make all the difference in this campaign.**

So, friend, can Maggie count on you? [Become an integral part of this fight today with a donation of \\$3 so we can fight back against the GOP's attacks and keep the Senate blue!**](#)**

Thanks for your support.

Chuck Schumer
