GREATEST NEWS!!!!!!!!!!!!!!!!!!!!!!!!!!!!!! PLEASE HELP!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Michael is so thankful and sincerely appreciates US President Scott Walker's time and valuable email on July 1, 2022, and many more. Many thanks!!!!!!!!!!!!!!!!!!!!!!!!!!!!!! Michael would like to update US President Scott Walker on the issue that matters to Michael the most. Truthfully, all the outdated American and world laws need to be omitted or intentionally or forgetfully immediately shut out. They are causing many terrible money problems, such as distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the

American and world histories. They are the most significant human errors, violating the American and global constitutions. Fairly, for example, many computers can't run correctly because they have outdated or are old computers. Thus, they need to have the replacement to the most excellent 8k or better computers. We don't want to continue to use all the outdated computers because we can legally print money from our American and world treasury departments. We don't want to continue to work with the outdated American and world laws that cause us many terrible money problems. Thus, we need to print all money to solve all the money in America and the world. The outdated American and world laws need to be signed automatically immediately to the new American and world rules of the most futuristic advanced technology in America and the world to give us the paradise dreams come true. Or they need to conduct the Judicial Review with the US and the world supreme courts and reform them immediately or as soon as possible. Moreover, we have the tremendous power that judge Jackson, Ketanji Brown, won 53-47 votes on April 7, 2022.

Priority, we need to conduct the Judicial Review and reform our outdated American laws immediately or as soon as possible. Judge Jackson, Ketanji Brown needs to help us do a 'Judicial Review' and improve all outdated American laws to give American people the highest class lifestyles and equality for each American. We need to end the American low-class and middle-class lifestyles immediately. Therefore, we can buy all 8K autonomous exotic computer cars, autonomous cruises, autonomous spaceships, automated luxury houses by the beaches, and so forth, like today and the future comes. Time has changed, and technology gives us the most remarkable lives. Thus, we need to update the US and world laws to enjoy our true highest-class financial freedoms forever. Truthfully, all the outdated American and world laws need to be omitted or intentionally or forgetfully immediately shut out. They are causing many terrible money problems, such as distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions. We got former President Barack Obama and Jackson Ketanji Brown. We got the POWERS!!!!!!!!!!!!!!!!!!!! Cheers!!!!!!!!!!!!!!!!!!!! Let's make the most remarkable American history. Diamonds are forever!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Moreover, Michael liked that Mr. President said in an email on June 12, 2022, " Since I was first elected to the US Senate as a 29-year-old kid, getting to speak one-on-one with the people I represent has been one of my favorite parts of the job. I love talking directly with Democrats like you, MICHAEL -- about your hopes and dreams, the challenges you face, and what got you in this fight. Since Kamala and I took office, we've been able to accomplish so much -- and that's all thanks to the support of this grassroots team and the Democratic majorities you helped elect. We passed the *American Rescue Plan* and the Bipartisan Infrastructure Deal, and got the

**globally. Therefore, we can buy all 8K autonomous computer exotic cars, autonomous cruises, autonomous spaceships, automated luxury houses by the beaches, and so forth, like today and the future to come. Time has changed, and technology gives us the most remarkable lives. Thus, we need to update the US and world laws to enjoy our true highest-class financial freedoms forever. Let's make the most remarkable American and world histories. Diamonds are forever!!!!!!!!!!!!!!!!!!!!!!

Truthfully, our first President of the United States of America, George Washington, formed the new government in 1787, called "Washington's Constitution." James Madison was the constitution's chief architect. These were essential to promote America's liberty, protect property, and preserve independence. Washington's Constitution is 235 years old today. By the end of 1786 in Massachusetts, President George Washington began to doubt if Americans were capable of self-government. It was the printing of devalued paper money by Rhode Island. In the nineteenth century, the Supreme Court decided a series of cases that upheld the power of Congress to issue paper money to make it legal tender into a basic or fundamental law.

In March 1787, three months after the disturbances in Massachusetts, President George Washington wrote to his former aide, the Marquis de Lafayette, on the campaign for constitutional reform. President George Washington wanted the American people to have the correct American federal system. The Legislatures have appointed the power delegate representatives to revise the American law on Monday at Philadelphia. President George Washington turned the constitutional convention of rules. Those rules provided that each state would have one vote; a majority of states represented could carry a vote; most controversially, secrecy would prevail. The Virginians and Pennsylvanians met privately to the framework for a constitution, which became known as the Virginia Plan because Virginia governor Edmund Randolph offered it at the convention. The Virginians Plan will be a total alternation of the present federal system and substituting a great National Council with full legislative Powers upon all the Objects of the Union. States' votes will prove the constitution. Congress had gathered as a meeting to draft the Articles—amendments.

In 1790, Gilbert du Motie, known as the Marquis de Lafayette, sent the key to [George Washington](#) on behalf of the people of France. Lafayette and President George Washington developed a special relationship during the American Revolution. The bond between the two men grew so strong that they were more like a father and son than a commanding general and his top-ranking officer. For Lafayette, there was no better person to receive the symbol of the end of ancient tyranny than the man who fought bravely to establish the United States. Remarkably, Marquis de Lafayette returned to France and was appointed to the [Assembly of Notables](#) in 1787, convened in response to the fiscal crisis. He was elected a member of the [Estates-General](#)

[of 1789](#), where representatives met from the three traditional orders of French society: the clergy, the nobility, and the commoners. After forming the [National Constituent Assembly](#), he helped to write the [Declaration of the Rights of Man and the Citizen](#) with [Thomas Jefferson](#)'s assistance. This document was inspired by the [United States Declaration of Independence](#) and invoked [natural law](#) to establish basic principles of the democratic nation-state. He also advocated the end of slavery, keeping with the philosophy of [natural rights](#).

Furthermore, all the outdated American and world laws need to be omitted or intentionally or forgetfully immediately shut out. They are causing many terrible money problems, such as distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions. Washington's Constitution is 235 years old today. The US constitution is totally outdated, and Michael has seen many reforms from the US government for money problems. However, Michael has seen that US and international people need money badly for personal, business, and political challenges. Michael thinks we are all humans in the world and that we want to have a paradise dream come true. We need to live with the highest class, with a trillionaire lifestyle. A **trillionaire** is an individual American with a net worth of more than one **trillion** in US dollars or another similarly valued currency, including a newborn child, equality, and peaceful life forever. We need to end the American Middle-class and low-class immediately from today. Michael's hopes and dreams are Michael would like that Mr. President helps us to reform our outdated US law automatically to give the American people to live with the highest class, with a trillionaire lifestyle. Or Mr. President needs to conduct a "Judicial Review" with the Supreme Court to reform our outdated American law immediately to highest-class lifestyle equality and peaceful life for each American forever.

Reasonably, American and international voters voted to select the US and world leaders, Senators, and House Representatives to reform US and world laws about money problems. However, the outdated US and world laws right now are against our human free will about our financial needs. They are the most significant human errors that need to be automatically reformed or conducted in Judicial Reviews and updated. They need to be signed into laws immediately without delay. These human rights need to be the biggest priority and justice. The UN Universal Declaration of Human Rights needs to reform to have a human right to financial freedom automatically. Thus, the World Bank Group, the International Monetary Fund (IMF), and the world federal treasury department will fund money and grants to people globally, fully trillion and trillion US dollars and the world currencies in our bank account immediately without delay. Each human in this world can not get hurt for money because we can legally print money from the treasury department globally. Therefore, we can buy all 8K autonomous computer exotic cars, autonomous cruises, autonomous spaceships, automated luxury houses by the beaches, and so forth, like today and the future to come. Time has changed, and technology gives us the most remarkable lives. Thus, we need to update the US and world laws to enjoy our true highest-class financial freedoms forever. Cheers!!!!!!!!!!!!!!!!!!!!!! Let's make the most remarkable American and world histories. Diamonds are forever!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Please, US President Scott Walker needs to write to US President Joseph Biden and request Mr. President to help us automatically reform our outdated American law and sign it into law to give us true free financial freedom and the highest-class lifestyle forever immediately or as soon as possible. Please let the local, national, and world news know that all the outdated American and world laws need to be omitted or intentionally or forgetfully immediately shut out. They are causing many terrible money problems, such as distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions. They need to be reformed and signed into law with financial freedom highest-class lifestyle immediately without delay. These human rights need to be the biggest priority and justice. The UN Universal Declaration of Human Rights needs to reform to have a human right to financial freedom automatically. Each human in this world can not get hurt for money because we can legally print money from the treasury department globally. Therefore, we can buy all 8K autonomous computer exotic cars, autonomous cruises, autonomous spaceships, automated luxury houses by the beaches, and so forth, like today and the future to

come. Time has changed, and technology gives us the most remarkable lives. Thus, we need to update the US and world laws to enjoy our true highest-class financial freedoms forever. I liked that First Lady Dr. Jill Biden's email stated on April 25, 2022, **"MICHAEL -- when Joe launched his campaign for President three years ago today, I knew that his race would never be about him. It would always be about you. You helped elect Joe, hold the Democratic majority in the House, and flip the Senate. Since then, we've accomplished a lot together. Joe and Kamala are working hard for you every day to build a better America, and we can't stop now."**

Additionally, thanks very much for Mr. President's email on April 8, 2022, to celebrate Jackson, Ketanji Brown. I'm so thankful and sincerely appreciate many valuable emails. Many thanks!!!!!!!!!!!!!!!!!!!!!! I liked that President Joseph Biden stated in Mr. President's email on March 31, 2022, "We are stronger today than we were a year ago, and I'm confident that we'll be stronger a year from now than we are today. Make no mistake, we would not be here were it not for our Democratic leaders at the local, state, and federal levels -- and the folks like you who helped elect them, MICHAEL." Michael is so thankful and sincerely appreciates many valuable emails. Many thanks!!!!!!!!!!!!!!!!!!!!!!

Moreover, it's the most excellent news that former President Barack Obama teamed up with Mr. President in the White House again. Thus, we got the power!!!!!!!!!!!!!!!!!!!!!! It is time to celebrate the most futuristic advanced technology in America and the world to have paradise dreams come true. They are the most significant human errors to obey the outdated American and world laws that have forced us to work against our human free will and our paradise dreams about many money problems. We need to reform the outdated American and world laws to give us the most futuristic advanced technology highest-class lifestyles for each human in the world equality immediately without delay or as soon as possible. These outdated American and world law reforms need not follow the old rules to do the reforms because the outdated American and world laws are totally obsolete. All the outdated American and world laws need to be omitted. They need to have shut out either intentionally or forgetfully immediately because they are causing many terrible money problems, distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions.

Subject: Reagan Ranch Alert

[View this email in your browser](#)

Alert: The Ronald Reagan Presidential Library and Museum and the Reagan Ranch are run by two different organizations.

Dear Mr. Shannon:

U.S. Rep Liz Cheney gave a speech this week at the Reagan Library and many people have contacted us about it.

The Reagan Ranch is owned and operated by Young America's Foundation (YAF). We do not operate the Reagan Library.

I am proud that YAF took over President Ronald Reagan's Rancho del Cielo on April 21, 1998. We continue to honor his conservative legacy today with speakers and conferences that focus on things like limited government, lower taxes, strong national defense, free enterprise, individual liberties, founding principles, and the rule of law.

Last week, we held a Reagan Ranch High School Conference. Conservative speakers included U.S. Rep. **Byron Donalds**, Virginia Attorney General **Jason Miyares**, **Micheal Knowles**, **Liz Wheeler**, and many more great voices from the movement.

Looking ahead, we have separate conferences for high school and college students in July. They are filled with conservative speakers. Our programs are held across the country—in Washington, D.C., at the Ronald Reagan Boyhood Home in Dixon, Illinois, at regional events, and at the Reagan Ranch in Santa Barbara, California.

Radio host and conservative warrior **Mark Levin** made his feelings clear with this post:

Mark R. Levin  @marklevinshow · 1h

Thankfully, the Reagan Ranch is proudly run by YAF and Scott Walker. For now on, it'll be the true home of Reaganism. twitter.com/ScottWalker/st...

Please help us spread the word about the work we are doing at YAF to train the next generation of leaders in the fight for freedom. Feel free to pass this email on to family and friends. Visit YAF.org to share information on upcoming conferences or to join our efforts.

Thank you for your interest and support of our work. We are grateful!

Keep Fighting for Freedom,

Governor Scott Walker
