GREATEST NEWS!!!!!!!!!!!!!! PLEASE HELP!!!!!!!!!!!!!!

Michael is so thankful and sincerely appreciates US DNC Chairman Jaime Harrison's time and values email yesterday, July 7, 2022, an email on June 24, 2022, an email on June 23, 2022, an email on June 19, 2022, an email on May 1, 2022, an email on May 29, 2022, an email on May 26, 2022, an email on May 21, 2022, an email on May 19, 2022, an email on May 17, 2022, an email on May 14, 2022, and many more.

Many thanks!!!!!!!!!!!!!! Moreover, Michael would like to update US DNC Chairman Jaime Harrison on the issue that matters to Michael the most. Truthfully, all the outdated American and world laws need to be omitted or intentionally or forgetfully immediately shut out. They are causing many terrible money problems, such as distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions. Moreover, for example, many computers can't run correctly because they have outdated or are old computers. Thus, they need to have the replacement to the most excellent 8k or

better computers. We don't want to continue to use all the outdated computers because we can legally print money from our American and world treasury departments. We don't want to continue to work with the outdated American and world laws that cause us many terrible money problems. Thus, we need to print all money to solve all the money in America and the world. The outdated American and world laws need to be signed automatically immediately to the new American and world rules of the most futuristic advanced technology in America and the world to give us the paradise dreams come true. Or they need to conduct the Judicial Review with the US and the world supreme courts and reform them immediately or as soon as possible. Moreover, we have the tremendous power that judge Jackson, Ketanji Brown, won 53-47 votes on April 7, 2022.

Additionally, I have seen that we got the most significant human errors to live with the economic system to force us to do many wrong things worldwide. We have built townhouses, condominiums, and homes that were not advanced technologies. We can legally print money from our American and world treasury departments. We should make all the most excellent futuristic advanced technology with all 8K autonomous exotic computer cars, autonomous cruises, autonomous spaceships, automation luxury houses by the beaches, and so forth, like today and the future to come to enjoy our true paradise lives. I have seen many economy cars and cities globally were not correct development, and we have wasted our time developing such low-quality cars and cities. We should make all the most excellent futuristic advanced technology with all 8K autonomous exotic computer cars, autonomous cruises, autonomous spaceships, automated luxury houses by the beaches, and so forth, like today and the future to come. We should enjoy the outstanding futuristic advanced technology from now on.

Fairly, we have been punished for working for the outdated American and world laws to work such wrong ways and get such money problems. We have worked so hard for our lives and ended up with many debts. I have seen that business owners owned more than a billion debts, and workers had little money in their banks. Our human values are low, and we don't quality our lifestyles as we should. All the world's money problems have caused terrible, distressingly bad crime, prostitution, war, discrimination, and so forth in the low-class lifestyles.

Furthermore, I have learned that Section 2 of Article III gives **the Supreme Court judicial power over "all Cases, in Law and Equity, arising under this Constitution," meaning that the Supreme Court's main job is to decide if laws are constitutional.** The ability to determine whether a law violates the constitution is called Judicial Review. I think our American and world laws were outdated, and they are hurting people about money problems globally. All the world's money problems have caused terrible,

distressingly bad crime, prostitution, war, discrimination, and so forth in the low-class lifestyles.

The American and world's outdated laws need to have **Judicial Reviews from the American and the world Supreme Courts. The American and world's outdated laws are not constitutional, and they violate the constitution and hurt people with money problems. All laws in the world need to work for people's paradise dreams globally. These are significant human errors, and these human rights need to be reformed immediately without delay or as soon as possible.**

"THUS, ALL WORLD SUPREME COURTS NEED TO POWER OVER THESE FINANCIAL FREEDOM HUMAN RIGHTS LAWS IMMEDIATELY WITHOUT DELAY. THUS, US PRESIDENT JOE BIDEN, ALL WORLD LEADERS, AND UNITED NATIONS FOUNDATION CHAIRMAN TED TURNER NEED TO SIGN THEM INTO LAWS IMMEDIATELY WITHOUT DELAY OR AS SOON AS POSSIBLE."

'MONEY CAN CHANGE THE WORLD.'

Gratefully, the World Bank Group, the International Monetary Fund (IMF), and the world federal treasury department need to fund money and grants to all people in the world trillions and trillions (US dollars) or the world currencies in their bank accounts all the time to enjoy our real paradise lives. These human rights need to be the biggest priority and justice. We need to end all low-class and middle-class lifestyles from now on. We need to live only in the highest-class lifestyle world. International Law needs to reform to get the highest money power to keep the peace, fix climate crises, and help everybody in the world to have real paradise lives with the correct financial freedom. Our world will be genuinely remarkable when all human beings in the world live with the wealthiest superlative advanced technology, and highest-class lifestyle independently, peacefully, and equality. It means all political parties in the world will come to be balanced, and it also means we will have a peaceful world full of enjoyment. We need to end all low-class and middle-class lifestyles from now on, and we need to live only in the highest-class lifestyle world. Would you please try to understand and help?

It is time to reform our American and the world laws to give everyone true financial freedom with the highest class lifestyle equality and peace for every human globally. We need to end the low and middle-class lifestyles from now on. This human right needs to be the most priority and justice. All world Supreme Courts need power over these financial freedom human rights laws immediately without delay. Thus, US President Joe Biden, all world leaders, and United Nations Foundation Chairman Ted Turner need to sign them into laws immediately without delay or as soon as possible because they violated the constitution.

Priority, we need to conduct the Judicial Review and reform our outdated American laws immediately or as soon as possible. Judge Jackson, Ketanji Brown needs to help us do a 'Judicial Review' and improve all outdated American laws to give American people the highest class lifestyles and equality for each American. We need to end the American low-class and middle-class lifestyles immediately. Therefore, we can buy all 8K autonomous exotic computer cars, autonomous cruises, autonomous spaceships, automated luxury houses by the beaches, and so forth, like today and the future comes. Time has changed, and technology gives us the most remarkable lives. Thus, we need to update the US and world laws to enjoy our true highest-class financial freedoms forever. Truthfully, all the outdated American and world laws need to be omitted or intentionally or forgetfully immediately shut out. They are causing many terrible money problems, such as distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions. We got former President Barack Obama and Jackson Ketanji Brown. We got the POWERS!!!!!!!!!!!!!!!!!!!! Cheers!!!!!!!!!!!!!!!!!!!! Let's make the most remarkable American history. Diamonds are forever!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Michael liked that Mr. President said in an email on June 12, 2022, " Since I was first elected to the US Senate as a 29-year-old kid, getting to speak one-on-one with the people I represent has been one of my favorite parts of the job. I love talking directly with Democrats like you, MICHAEL -- about your hopes and dreams, the challenges you face, and what got you in this fight. Since Kamala and I took office, we've been able to accomplish so much -- and that's all thanks to the support of this grassroots team and the Democratic majorities you helped elect. We passed the *American Rescue Plan* and the Bipartisan Infrastructure Deal, and got the first Black woman confirmed to the US Supreme Court. But we have a lot more work ahead to keep building a better America."

Michael liked that First Lady Dr. Jill Biden said in an email on June 14, 2022, "Throughout the years, I've learned that at least three things can make Joe smile from ear to ear: Our kids and grandkids, chocolate chip ice cream, and getting to talk one-on-one with Americans like you, MICHAEL. Meeting people like you, and having the chance to hear your hopes and dreams, grounds him and motivates him to keep fighting the hard battles. That's why Joe would love nothing more than to meet you in person."

PLEASE HELP!!

President George Washington began to doubt if Americans were capable of self-government. It was the printing of devalued paper money by Rhode Island. In the nineteenth century, the Supreme Court decided a series of cases that upheld the power of Congress to issue paper money to make it legal tender into a basic or fundamental law.

In March 1787, three months after the disturbances in Massachusetts, President George Washington wrote to his former aide, the Marquis de Lafayette, on the campaign for constitutional reform. President George Washington wanted the American people to have the correct American federal system. The Legislatures have appointed the power delegate representatives to revise the American law on Monday at Philadelphia.

President George Washington turned the constitutional convention of rules. Those rules provided that each state would have one vote; a majority of states represented could carry a vote; most controversially, secrecy would prevail. The Virginians and Pennsylvanians met privately to the framework for a constitution, which became known as the Virginia Plan because Virginia governor Edmund Randolph offered it at the convention. The Virginians Plan will be a total alternation of the present federal system and substituting a great National Council with full legislative Powers upon all the Objects of the Union. States' votes will prove the constitution. Congress had gathered as a meeting to draft the Articles—amendments.

In 1790, Gilbert du Motie, known as the Marquis de Lafayette, sent the key to George Washington on behalf of the people of France. Lafayette and President George Washington developed a special relationship during the American Revolution. The bond between the two men grew so strong that they were more like a father and son than a commanding general and his top-ranking officer. For Lafayette, there was no better person to receive the symbol of the end of ancient tyranny than the man who fought bravely to establish the United States.

Remarkably, Marquis de Lafayette returned to France and was appointed to the [Assembly of Notables](#) in 1787, convened in response to the fiscal crisis. He was elected a member of the [Estates-General of 1789](#), where representatives met from the three traditional orders of French society: the clergy, the nobility, and the commoners. After forming the [National Constituent Assembly](#), he helped to write the [Declaration of the Rights of Man and the Citizen](#) with [Thomas Jefferson's](#) assistance. This document was inspired by the [United States Declaration of Independence](#) and invoked [natural law](#) to establish basic principles of the democratic nation-state. He also advocated the end of slavery, keeping with the philosophy of [natural rights](#). Please review the links below for more information about outdated US and world laws:

Moreover, all the outdated American and world laws need to be omitted or intentionally or forgetfully immediately shut out. They are causing many terrible money problems, such as distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions. Washington's Constitution is 235 years old today. The US constitution is totally outdated, and Michael has seen many reforms from the US government for money problems. However, Michael has seen that US and international people need money badly for personal, business, and political challenges.

Michael thinks we are all humans in the world and that we want to have a paradise dream come true. We need to live with the highest class, with a trillionaire lifestyle. A **trillionaire** is an individual American with a net worth of more than one **trillion** in US dollars or another similarly valued currency, including a newborn child, equality, and peaceful life forever. We need to end the American Middle-class and low-class immediately from today. Michael's hopes and dreams are Michael would like that Mr. President helps us to reform our outdated US law automatically to give the American people to live with the highest class, with a trillionaire lifestyle. Or Mr. President needs to conduct a "Judicial Review" with the Supreme Court to reform our outdated American law immediately to highest-class lifestyle equality and peaceful life for each American forever.

Reasonably, American and international voters voted to select the US and world leaders, Senators, and House Representatives to reform US and world laws about money problems. However, the outdated US and world laws right now are against our human free will about our financial needs. They are the most significant human errors that need to be automatically reformed or conducted in Judicial Reviews and updated. They need to be signed into laws immediately without delay. These human rights need to be the

biggest priority and justice. The UN Universal Declaration of Human Rights needs to reform to have a human right to financial freedom automatically. Thus, the World Bank Group, the International Monetary Fund (IMF), and the world federal treasury department will fund money and grants to people globally, fully trillion and trillion US dollars and the world currencies in our bank account immediately without delay. Each human in this world can not get hurt for money because we can legally print money from the treasury department globally. Therefore, we can buy all 8K autonomous computer exotic cars, autonomous cruises, autonomous spaceships, automated luxury houses by the beaches, and so forth, like today and the future to come. Time has changed, and technology gives us the most remarkable lives. Thus, we need to update the US and world laws to enjoy our true highest-class financial freedoms forever. Cheers!!!!!!!!!!!!!!!!!!!!!! Let's make the most remarkable American and world histories. Diamonds are forever!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Please, US DNC Chairman Jaime Harrison needs to write to US President Joseph Biden and request Mr. President to help us automatically reform our outdated American law. Mr. President needs to sign it into law to give us true free financial freedom and the highest-class lifestyle forever immediately or as soon as possible. Please let the local, national, and world news know that all the outdated American and world laws need to be omitted or intentionally or forgetfully immediately shut out. They are causing many terrible money problems, such as distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions. They need to be reformed and signed into law with financial freedom highest-class lifestyle immediately without delay. These human rights need to be the biggest priority and justice. Furthermore, Michael is internally grateful for many emails from First Lady Dr. Jill Biden, President Joe Biden, Democrats, Senator Jacky Rosen, Catherine Cortez Masto, Chairwoman Dr. Dina Titus, Vice President Kamala Harris, Chairman Jaime Harrison, Senator Majority Leader Charles Schumer, Senator Lizabeth Warren, Nancy Pelosi, Senator Maggie Hassan, US Governor of Kansas Laura Kelly, Chairwoman Ronna Mc Daniel, Vice-Chairwoman Tammy Duckworth, President of Heritage Dr. Kevin Roberts, Newt Gingrich, Former First Lady Mitchel Obama, Former Former President Barack Obama, Bill Gates, Dr. Ben Carson, Senator Cory Booker, Senator Mark Kelly, Republican Party, Congresswoman Ilhan Omar, Senior Director of United Nations Association – USA, Farah Eck, Director of United Nations Association – USA, Rachel Bowen Pittman, World Bank Live Updates, CBS News, CNN News, Trump News, Young America's Foundation – Reagan, Medium Daily Digest, US Congressman Jeff Duncan, Ted Cruz, LVMPD Foundation, Jimmy Carter, Clinton Foundation, George W. I liked that First Lady Dr. Jill Biben's email stated on April 25, 2022, **"MICHAEL -- when Joe launched his campaign for President three years ago today, I knew that his race would never be about him. It would always be about you. You helped elect Joe, hold the Democratic majority in the House, and flip the Senate. Since then, we've accomplished a lot together. Joe and Kamala are working hard for you every day to build a better America, and we can't stop now."**

Additionally, thanks very much for Mr. President's email on April 8, 2022, to celebrate Jackson, Ketanji Brown. I'm so thankful and sincerely appreciate many valuable emails. Many thanks!!!!!!!!!!!!!!!!!!!!!! I liked that President Joseph Biden stated in Mr. President's email on March 31, 2022, "We are stronger today than we were a year ago, and I'm confident that we'll be stronger a year from now than we are today. Make no mistake, we would not be here were it not for our Democratic leaders at the local, state, and federal levels -- and the folks like you who helped elect them, MICHAEL." Michael is so thankful and sincerely appreciates many valuable emails. Many thanks!!!!!!!!!!!!!!!!!!!!!!

Moreover, it's the most excellent news that former President Barack Obama teamed up with Mr. President in the White House again. Thus, we got the power!!!!!!!!!!!!!!!!!!!!!! It is time to celebrate the most futuristic advanced technology in America and the world to have paradise dreams come true. They are the most significant human errors to obey the outdated American and world laws that have forced us to work against our human free will and our paradise dreams about many money problems. We need to reform the

outdated American and world laws to give us the most futuristic advanced technology highest-class lifestyles for each human in the world equality immediately without delay or as soon as possible. These outdated American and world law reforms need not follow the old rules to do the reforms because the outdated American and world laws are totally obsolete. All the outdated American and world laws need to be omitted. They need to have shut out either intentionally or forgetfully immediately because they are causing many terrible money problems, distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions.

Fairly, they need to be reformed and signed into law with financial freedom highest class lifestyle immediately without delay. These human rights need to be the biggest priority and justice. MICHAEL,

Summer is in full swing!

Last month, we celebrated love, self-expression, and the freedom to be one's authentic self as part of Pride. It was also a time to take inspiration from members of the LGBTQ+ community who had the courage to fight for equality.

The Biden-Harris administration has joined that fight in full force. Over the past year and a half, the president has issued one of the most comprehensive executive orders in the history of LGBTQ+ rights, provided Americans with a gender neutral passport marker, prioritized the needs of queer and trans foster kids, and fought for safety and justice for missing and murdered trans BIPOC people.

Meanwhile, MAGA Republicans continue to look for reasons to divide the country and play political games with people's lives. Their unrelenting war on reproductive health care that resulted in the Supreme Court overturning *Roe v. Wade* is just the beginning.

Enough is enough. As Democrats, we work tirelessly to make sure that every single voice is heard. That is the basis of the American Dream: we are all equal.

We need to elect public servants who deliver for their communities. We need to elect governors, attorneys general, state legislators, and federal representatives to stand as the last line of defense for Americans' reproductive rights. We need to elect leaders who do more than talk about gun control but actively build upon the most major gun legislation in 30 years.

We need to elect Democrats.

As summer heats up, we'll be counting on you to spread the word. The Democratic Party is committed to the founding ideals that make this country great. When you vote for Democrats up and down the ticket, you're voting for integrity, service, and equality.

That is how we will strengthen our majorities in Congress and flip seats in statehouses. It all starts with you.

Jaime

Roe v. Wade

In response to Republican calls to ban abortion nationally, the DNC is launching an extended campaign branded “[MAGA Hot Mic](#)” to turn the volume up on Republicans up and down the ballot, detailing what their extreme MAGA agenda actually is: wildly out of touch with the American people, dangerous, and deadly. We’ve also built a website called [DefendChoice.org](#) to share resources and places to direct your attention to help take action and speak out. A record number of activists have already signed up. People are showing that they will do everything within their power to enact change and secure women’s right to control their own bodies.

On the Ground

The DNC announced new investments in Democratic state parties across the country, which will fund state-specific programs for organizing, field, and voter protection to help Democratic candidates compete up and down the ballot this November:

The new [Tennessee Democratic Party](#) organizing director will help register and turn out potential voters across the Volunteer State. Through this organizing program, the TNDP will target key legislative races to lay the groundwork to break the Republican supermajority in the Tennessee Legislature.

The [South Dakota Democratic Party's](#) new field director will help the party compete in races around the state and work alongside the native outreach director to organize within the nine tribes of South Dakota. The new field director will also help hire and train Young Elected Legislative Leaders (YELL) Fellows, an innovative program that allows college and high school students to help organize for local candidates.

The [North Dakota Democratic-NPL](#) will hire a new organizing director to focus on early and robust voter engagement. The organizing director will direct volunteer recruitment and community outreach projects as well as lay the strategic and operational groundwork for the 2022 coordinated campaign. The new hire also will lead a comprehensive statewide program that will fortify relationships with unions and other allied organizations.

The [Democratic Party of Virginia](#) is investing in a voter protection operation that will run programs across the commonwealth that combats misinformation coming from Republicans. Additionally, the new program will combat Republican attempts at voter suppression and create a strong poll observer program to ensure voters are well-resourced on Election Day.

In Louisiana, a new communications director will drive messaging and expand outreach for Democrats up and down the ballot. The [Louisiana Democratic Party](#) is focused on an intensive and targeted campaign to register and turn out more Democratic voters and an aggressive messaging campaign to make sure that Louisiana voters know Democrats deliver results.

The [Massachusetts Democrats](#) are hiring an organizing director to build out its "Blueprint to '22" voter-mobilization program and ensure coordinated voter engagement efforts across campaigns at all levels.

Folks You Should Know

Sam Alleman, LGBTQ+ Coalitions Director

Sam previously worked at the Planned Parenthood Action Fund's national political team for five years, working to expand access to sexual and reproductive health care. Sam has also served on the LGBTQ Victory Fund's Campaign Board for three years, where he raised money for LGBTQ+ candidates up and down the ballot. Before this Sam also served in roles at Hillary For America, Battleground Texas, and Wendy Davis For Texas.

Ellie Blaser, Coalitions & Community Engagement Director of Operations

Prior to joining the DNC, Ellie served as the Senior Executive Coordinator at NARAL Pro-Choice America, where she spent over three and a half years fighting for reproductive freedom and abortion rights for all Americans. She is a graduate of Hood College and previously gave a year of service as an AmeriCorps VISTA.

Ariel Garayar, Coalitions and Community Engagement Manager

Ariel oversees youth outreach. She previously worked for the Virginia Coalition for Immigrant Rights, where she helped advocate for a better quality of life for immigrant and refugee communities. She has mobilized communities to vote as a Deputy Coalitions Director in Virginia during the Biden for President campaign and while serving on the board of the Democratic Latino Organization of Virginia (DLOV), the Latino Caucus of the Democratic Party of Virginia. She has previously held roles in the offices of Senator Claire McCaskill (MO) and Senator Tom Udall (NM). Ariel is the daughter of Peruvian immigrants.

Alan Clendenin, Chair of the Southern Caucus

Alan is a labor organizer and retired air traffic control tower manager. He began his activist work in 1975 as a high school volunteer for President Jimmy Carter's presidential campaign. Since then, he has been actively involved in numerous local, state and national campaigns and held numerous state party positions including Vice Chair of the Florida Democratic Party. Currently he's the senior DNC member from Florida.

Nancy DiNardo, Chair of the Eastern Caucus

Nancy is a retired educator with 31 years of service in Bridgeport, CT. She began her career as a teacher, then became a school psychologist, and then became an administrator, serving as Director of Psychological Services. She has been in politics just as long having won a seat on her local town council when she was just 21 years old. She was just one of four Democrats on the 21 member council. She later became a member of the Connecticut Central Committee and was elected the first woman to chair the Connecticut Democratic Party in 2005. She was reelected in 2020 after serving in other positions.

Ron Harris, Chair of the Midwestern Caucus

Ron is the Chief Resilience Officer for the City of Minneapolis, a position held by fewer than 100 people in the entire world. He leads the city's strategy to reduce vulnerabilities in the community and prepare businesses to survive, adapt, and thrive in the face of disruption. Ron first ran for the DNC at age 24 in 2014. His narrow loss inspired him to continue to remain active in the party, and two years later he won a seat with support from all over the state.

Tina Podlowski, Chair of the Western Caucus

After a career as an executive at Microsoft, Tina won an at-large seat on the Seattle City Council. On council, she championed new civil rights legislation including the inclusion of gender identity into all city ordinances, created the first civilian oversight body of the Seattle police department, and pioneered in-neighborhood council meetings to engage a more diverse group of constituents in decision-making. Tina won her first term as state party chair in 2017. During that year, she traveled to and worked with all 39 Washington counties and 49 legislative districts and pledged to rebuild the party's grassroots infrastructure.
