The Honorable US DNC Chairman Jaime Harrison
Democratic National Committee (DNC)
Washington, DC

Dear US DNC Chairman Jaime Harrison:

Happy Juneteenth 2022!!!!!!!!!!!!!!!

Happy Father's Day 2022!!!!!!!!!!!!!!!

Michael hopes US DNC Chairman Jaime Harrison's family will have the most fabulous
holidays!!!!!!!!!!!!!!!

Michael wishes the US DNC Chairman Jaime Harrison would become
a young muscular superman, invincible, and live forever.

Michael hopes US DNC Chairman Jaime Harrison's family will have the most magnificent magical year in
2022!!!!!!!!!!!!!!!

GREATEST NEWS!!!!!!!!!!!!!!! PLEASE HELP!!!!!!!!!!!!!!!

Michael is so thankful and sincerely appreciates US DNC Chairman Jaime Harrison's time and
valuable email today June 19, 2022, an email on May 1, 2022, an email on May 29, 2022, an email on May
26, 2022, an email on May 21, 2022, an email on May 19, 2022, an email on May 17, 2022, an email on May
14, 2022, and many more. Many thanks!!!!!!!!!!!!!!! Michael liked that Mr. President said in an email on
June 12, 2022, " Since I was first elected to the US Senate as a 29-year-old kid, getting to speak one-on-one
with the people I represent has been one of my favorite parts of the job. I love talking directly with
Democrats like you, MICHAEL -- about your hopes and dreams, the challenges you face, and what got you
in this fight.

Since Kamala and I took office, we've been able to accomplish so much -- and that's all thanks to the
support of this grassroots team and the Democratic majorities you helped elect. We passed the *American
Rescue Plan* and the Bipartisan Infrastructure Deal, and got the first Black woman confirmed to the US Supreme
Court. But we have a lot more work ahead to keep building a better America."

Michael liked that First Lady Dr. Jill Biden said in an email on June 14, 2022, "Throughout the years, I've learned that at least three things can make Joe smile from ear to ear: Our kids and grandkids, chocolate chip ice cream, and getting to talk one-on-one with Americans like you, MICHAEL. Meeting people like you, and having the chance to hear your hopes and dreams, grounds him and motivates him to keep fighting the hard battles. That's why Joe would love nothing more than to meet you in person."

Michael's hopes and dreams are Michael would like that Mr. President helps us to reform our outdated US law automatically to give the American people to live with the highest class, with a trillionaire lifestyle. A **trillionaire** is an individual American with a net worth of more than one **trillion** in US dollars or another similarly valued currency, including a newborn child, equality, and peaceful life forever. We need to end the American Middle-class and low-class immediately from today. Or Mr. President needs to conduct a "Judicial Review" with the Supreme Court to reform our outdated American law immediately to highest-class lifestyle equality and peaceful life for each American forever.

Truthfully, our first President of the United States of America, George Washington, formed the new government in 1787, called "Washington's Constitution." James Madison was the constitution's chief architect. These were essential to promote America's liberty, protect property, and preserve independence. Washington's Constitution is 235 years old today. By the end of 1786 in Massachusetts, President George Washington began to doubt if Americans were capable of self-government. It was the printing of devalued paper money by Rhode Island. In the nineteenth century, the Supreme Court decided a series of cases that upheld the power of Congress to issue paper money to make it legal tender into a basic or fundamental law.

In March 1787, three months after the disturbances in Massachusetts, President George Washington wrote to his former aide, the Marquis de Lafayette, on the campaign for constitutional reform. President George Washington wanted the American people to have the correct American federal system. The Legislatures have appointed the power delegate representatives to revise the American law on Monday at Philadelphia.

President George Washington turned the constitutional convention of rules. Those rules provided that each state would have one vote; a majority of states represented could carry a vote; most controversially, secrecy would prevail. The Virginians and Pennsylvanians met privately to the framework for a constitution, which became known as the Virginia Plan because Virginia governor Edmund Randolph offered it at the convention. The Virginians Plan will be a total alternation of the present federal system and substituting a great National Council with full legislative Powers upon all the Objects of the Union. States' votes will prove the constitution. Congress had gathered as a meeting to draft the Articles—amendments.

In 1790, Gilbert du Motie, known as the Marquis de Lafayette, sent the key to George Washington on behalf of the people of France. Lafayette and President George Washington developed a special relationship during the American Revolution. The bond between the two men grew so strong that they were more like a father and son than a commanding general and his top-ranking officer. For Lafayette, there was no better person to receive the symbol of the end of ancient tyranny than the man who fought bravely to establish the United States.

Remarkably, Marquis de Lafayette returned to France and was appointed to the [Assembly of Notables](#) in 1787, convened in response to the fiscal crisis. He was elected a member of the [Estates-General of 1789](#), where representatives met from the three traditional orders of French society: the clergy, the nobility, and the commoners. After forming the [National Constituent Assembly](#), he helped to write the [Declaration of the Rights of Man and the Citizen](#) with [Thomas Jefferson's](#) assistance. This document was inspired by the [United States Declaration of Independence](#) and invoked [natural law](#) to establish basic principles of the democratic nation-state. He also advocated the end of slavery, keeping with the philosophy of [natural rights](#). Please review the links below for more information about outdated US and world laws:

Moreover, all the outdated American and world laws need to be omitted or intentionally or forgetfully immediately shut out. They are causing many terrible money problems, such as distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions. Washington's Constitution is 235 years old today. The US constitution is totally outdated, and Michael has seen many reforms from the US government for money problems. However, Michael has seen that US and international people need money badly for personal, business, and political challenges.

Michael thinks we are all humans in the world and that we want to have a paradise dream come true. We need to live with the highest class, with a trillionaire lifestyle. A **trillionaire** is an individual American with a net worth of more than one **trillion** in US dollars or another similarly valued currency, including a newborn child, equality, and peaceful life forever. We need to end the American Middle-class and low-class immediately from today. Michael's hopes and dreams are Michael would like that Mr. President helps us to reform our outdated US law automatically to give the American people to live with the highest class, with a trillionaire lifestyle. Or Mr. President needs to conduct a "Judicial Review" with the Supreme Court to reform our outdated American law immediately to highest-class lifestyle equality and peaceful life for each American forever.

Reasonably, American and international voters voted to select the US and world leaders, Senators, and House Representatives to reform US and world laws about money problems. However, the outdated US and world laws right now are against our human free will about our financial needs. They are the most significant human errors that need to be automatically reformed or conducted in Judicial Reviews and updated. They need to be signed into law immediately without delay. These human rights need to be the biggest priority and justice. The UN Universal Declaration of Human Rights needs to reform to have a human right to financial freedom automatically. Thus, the World Bank Group, the **International Monetary Fund (IMF)**, and the world federal treasury department will fund money and grants to people globally, fully trillion and trillion US dollars and the world currencies in our bank account immediately without delay. Each human in this world can not get hurt for money because we can legally print money from the treasury department globally. Therefore, we can buy all 8K autonomous computer exotic cars, autonomous cruises, autonomous spaceships, automated luxury houses by the beaches, and so forth, like today and the future to come. Time has changed, and technology gives us the most remarkable lives. Thus, we need to update the

US and world laws to enjoy our true highest-class financial freedoms forever. Cheers!!!!!!!!!!!!!!!!!!!!!! Let's make the most remarkable American history. Diamonds are forever!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Please, US DNC Chairman Jaime Harrison needs to write to US President Joseph Biden and request Mr. President to help us automatically reform our outdated American law. Mr. President needs to sign it into law to give us true free financial freedom and the highest-class lifestyle forever immediately or as soon as possible. Please let the local, national, and world news know that all the outdated American and world laws need to be omitted or intentionally or forgetfully immediately shut out. They are causing many terrible money problems, such as distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions. They need to be reformed and signed into law with financial freedom highest-class lifestyle immediately without delay. These human rights need to be the biggest priority and justice. Bush Presidential Center, United Nations Foundation, Lizabeth Cousens and many other politicians globally, to fight every day for the most significant future for the American and international people. I liked that First Lady Dr. Jill Bibeau's email stated on April 25, 2022, **"MICHAEL -- when Joe launched his campaign for President three years ago today, I knew that his race would never be about him. It would always be about you. You helped elect Joe, hold the Democratic majority in the House, and flip the Senate. Since then, we've accomplished a lot together. Joe and Kamala are working hard for you every day to build a better America, and we can't stop now."**

Additionally, thanks very much for Mr. President's email on April 8, 2022, to celebrate Jackson, Ketanji Brown. I'm so thankful and sincerely appreciate many valuable emails. Many thanks!!!!!!!!!!!!!!!!!!!!!! I liked that President Joseph Biden stated in Mr. President's email on March 31, 2022, "We are stronger today than we were a year ago, and I'm confident that we'll be stronger a year from now than we are today. Make no mistake, we would not be here were it not for our Democratic leaders at the local, state, and federal levels -- and the folks like you who helped elect them, MICHAEL." Michael is so thankful and sincerely appreciates many valuable emails. Many thanks!!!!!!!!!!!!!!!!!!!!!!

Moreover, it's the most excellent news that former President Barack Obama teamed up with Mr. President in the White House again. Thus, we got the power!!!!!!!!!!!!!!!!!!!!!! It is time to celebrate the most futuristic advanced technology in America and the world to have paradise dreams come true. They are the most significant human errors to obey the outdated American and world laws that have forced us to work against our human free will and our paradise dreams about many money problems. We need to reform the outdated American and world laws to give us the most futuristic advanced technology highest-class lifestyles for each human in the world equality immediately without delay or as soon as possible. These outdated American and world law reforms need not follow the old rules to do the reforms because the outdated American and world laws are totally obsolete. All the outdated American and world laws need to be omitted. They need to have shut out either intentionally or forgetfully immediately because they are causing many terrible money problems, distressingly bad crimes, prostitution, wars, discrimination, etc., globally

throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions.

Fairly, they need to be reformed and signed into law with financial freedom highest class lifestyle immediately without delay. These human rights need to be the biggest priority and justice. The UN Universal Declaration of Human Rights needs to reform to have a human right to financial freedom automatically. Today, I hope you'll join me in commemorating Juneteenth. One hundred and fifty-seven years ago, more than two years after the Emancipation Proclamation was issued, Union soldiers rode into Galveston, Texas, and informed enslaved African Americans that the Civil War was over and they were now free.

As a community, let's come together and commemorate this day not only to honor the liberation of enslaved people within our nation's borders, but as a day that also marks new beginnings and a possibility of hope for the future.

Newly freed slaves didn't know what awaited them outside of slavery, but they knew they finally had the opportunity to pursue a better life for themselves, their families and loved ones, and the generations that would follow.

As the Black community continues to face immense trials, tribulations, heartache, and pushback, we recognize the incredible progress we've made,

persevere together, and move forward with the same hope our ancestors had over a decade and a half ago.

We still have a lot of work to do. Current events have shown systemic racism and white supremacy are still incredibly prevalent in our society and institutions. But, deep down, we can still channel the hope of a better future and use that to drive our work to build a better America.

Thank you and happy Juneteenth,

Jaime
