elected to the US Senate as a 29-year-old kid, getting to speak one-on-one with the people I represent has
been one of my favorite parts of the job. I love talking directly with Democrats like you, MICHAEL --
about your hopes and dreams, the challenges you face, and what got you in this fight.

Since Kamala and I took office, we've been able to accomplish so much -- and that's all thanks to the
support of this grassroots team and the Democratic majorities you helped elect. We passed the *American
Rescue Plan* and the Bipartisan Infrastructure Deal, and got the first Black woman confirmed to the US Supreme
Court. But we have a lot more work ahead to keep building a better America."

Michael liked that First Lady Dr. Jill Biden said in an email on June 14, 2022, "Throughout the years,
I've learned that at least three things can make Joe smile from ear to ear: Our kids and grandkids, chocolate

chip ice cream, and getting to talk one-on-one with Americans like you, MICHAEL. Meeting people like you, and having the chance to hear your hopes and dreams, grounds him and motivates him to keep fighting the hard battles. That's why Joe would love nothing more than to meet you in person."

Michael's hopes and dreams are Michael would like that Mr. President helps us to reform our outdated US law automatically to give the American people to live with the highest class, with a trillionaire lifestyle. A trillionaire is an individual American with a net worth of more than one trillion in US dollars or another similarly valued currency, including a newborn child, equality, and peaceful life forever. We need to end the American Middle-class and low-class immediately from today. Or Mr. President needs to conduct a "Judicial Review" with the Supreme Court to reform our outdated American law immediately to highest-class lifestyle equality and peaceful life for each American forever. **The children globally are**

POWERS!!!!!!!!!!!!!!!!!!!!!!!!!!!!!! The children in the world are DIAMONDS FOREVER!!!!!!!!!!!!!!!!!!!!!!!!!!!!!! Please, the American and world leaders need to reform US and world laws about money problems. The outdated US and world laws right now are against our human free will about our financial needs. They are the most significant human errors that need to be automatically reformed or conducted in Judicial Reviews and updated. They need to be signed into laws immediately without delay. These human rights need to be the biggest priority and justice. The UN Universal Declaration of Human Rights needs to reform to have a human right to financial freedom automatically. Thus, the World Bank Group, the International Monetary Fund (IMF), and the world federal treasury department will fund money and grants to people globally, fully trillion and trillion US dollars and the world currencies in our bank account immediately without delay. Each human in this world can not get hurt for money because we can legally print money from the treasury department globally. Therefore, we can buy all 8K autonomous computer exotic cars, autonomous cruises, autonomous spaceships, automated luxury houses by the beaches, and so forth, like today and the future to come. Time has changed, and technology gives us the most remarkable lives. Thus, we

need to update the US and world laws to enjoy our true highest-class financial freedoms forever. Cheers!!!!!!!!!!!!!!!!!!!!!! Let's make the most remarkable American and world histories. Diamonds are forever!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Truthfully, our first President of the United States of America, George Washington, formed the new government in 1787, called "Washington's Constitution." James Madison was the constitution's chief architect. These were essential to promote America's liberty, protect property, and preserve independence. Washington's Constitution is 235 years old today. By the end of 1786 in Massachusetts, President George Washington began to doubt if Americans were capable of self-government. It was the printing of devalued paper money by Rhode Island. In the nineteenth century, the Supreme Court decided a series of cases that upheld the power of Congress to issue paper money to make it legal tender into a basic or fundamental law.

In March 1787, three months after the disturbances in Massachusetts, President George Washington wrote to his former aide, the Marquis de Lafayette, on the campaign for constitutional reform. President George Washington wanted the American people to have the correct American federal system. The Legislatures have appointed the power delegate representatives to revise the American law on Monday at Philadelphia.

President George Washington turned the constitutional convention of rules. Those rules provided that each state would have one vote; a majority of states represented could carry a vote; most controversially, secrecy would prevail. The Virginians and Pennsylvanians met privately to the framework for a constitution, which became known as the Virginia Plan because Virginia governor Edmund Randolph offered it at the convention. The Virginians Plan will be a total alternation of the present federal system and substituting a great National Council with full legislative Powers upon all the Objects of the Union. States' votes will prove the constitution. Congress had gathered as a meeting to draft the Articles—amendments.

In 1790, Gilbert du Motie, known as the Marquis de Lafayette, sent the key to George Washington on behalf of the people of France. Lafayette and President George Washington developed a special relationship during the American Revolution. The bond between the two men grew so strong that they were more like a father and son than a commanding general and his top-ranking officer. For Lafayette, there was no better person to receive the symbol of the end of ancient tyranny than the man who fought bravely to establish the United States.

Remarkably, Marquis de Lafayette returned to France and was appointed to the [Assembly of Notables](#) in 1787, convened in response to the fiscal crisis. He was elected a member of the [Estates-General of 1789](#), where representatives met from the three traditional orders of French society: the clergy,

the nobility, and the commoners. After forming the [National Constituent Assembly](#), he helped to write the [Declaration of the Rights of Man and the Citizen](#) with [Thomas Jefferson's](#) assistance. This document was inspired by the [United States Declaration of Independence](#) and invoked [natural law](#) to establish basic principles of the democratic nation-state. He also advocated the end of slavery, keeping with the philosophy of [natural rights](#). Please review the links below for more information about outdated US and world laws:

Moreover, all the outdated American and world laws need to be omitted or intentionally or forgetfully immediately shut out. They are causing many terrible money problems, such as distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions. Washington's Constitution is 235 years old today. The US constitution is totally outdated, and Michael has seen many reforms from the US government for money problems. However, Michael has seen that US and international people need money badly for personal, business, and political challenges.

Michael thinks we are all humans in the world and that we want to have a paradise dream come true. We need to live with the highest class, with a trillionaire lifestyle. A **trillionaire** is an individual American with a net worth of more than one **trillion** in US dollars or another similarly valued currency, including a newborn child, equality, and peaceful life forever. We need to end the American Middle-class and low-class immediately from today. Michael's hopes and dreams are Michael would like that Mr. President helps us to reform our outdated US law automatically to give the American people to live with the highest class, with a trillionaire lifestyle. Or Mr. President needs to conduct a "Judicial Review" with the Supreme Court to

reform our outdated American law immediately to highest-class lifestyle equality and peaceful life for each American forever.

Reasonably, American and international voters voted to select the US and world leaders, Senators, and House Representatives to reform US and world laws about money problems. However, the outdated US and world laws right now are against our human free will about our financial needs. They are the most significant human errors that need to be automatically reformed or conducted in Judicial Reviews and updated. They need to be signed into laws immediately without delay. Cheers!!!!!!!!!!!!!!!!!!!!!! Let's make the most remarkable American and world histories. Diamonds are forever!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Please, US Speaker Nancy Pelosi needs to write to US President Joseph Biden and request Mr. President to help us automatically reform our outdated American law. Mr. President needs to sign it into law to give us true free financial freedom and the highest-class lifestyle forever immediately or as soon as possible. Please let the local, national, and world news know that all the outdated American and world laws need to be omitted or intentionally or forgetfully immediately shut out. They are causing many terrible money problems, such as distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. Madam Speaker: A Behind-the-Scenes Look at the U.S. Speaker of the House

(June 12–18)

On Monday, Speaker Pelosi visited the Maryland Fire Museum, the new home of the fireboat named in honor of her father: the “Mayor Thomas D’Alessandro, Jr.” She then joined President Biden, Vice President Harris and Members of Congress at the White House for the signing of H.R. 352, the Commission To Study the Potential Creation of a National Museum of Asian Pacific American History and Culture Act.

On Tuesday morning, Speaker Pelosi held a staff meeting with the Coalition for Humane Immigrant Rights of Los Angeles. In the afternoon, she signed S. 3580, the Ocean Shipping Reform Act of 2022, which will crack down on unfair shipping practices, level the playing field for exporters and bring down costs for working families. In the evening, she swore in Congresswoman-elect Connie Conway (CA-22).

Speaker Pelosi, on Wednesday afternoon, joined the Congressional Hispanic Caucus to celebrate the tenth anniversary of Deferred Action for Childhood Arrivals (DACA). On Thursday morning, Speaker Pelosi held her weekly press conference. In the afternoon, she held a staff meeting with Areej Al Sadhan, a constituent whose brother Abdulrahman Al Sadhan was sentenced to 20 years in prison by Saudi Arabia for anonymous, satirical tweets. Then, she met with Members of the Verkhovna Rada of Ukraine to discuss the Congress' united and unwavering support for the Ukrainian people.

Michael, I need your immediate attention.

Trump's Supreme Court just ruled to rip reproductive rights away from every single woman in this country.

I don't say this lightly, Michael:

How we act TODAY will decide the future of reproductive rights.

We can either sit back and admit defeat to these far-right extremists...

Or we can RISE UP, meet this ONCE-IN-A-GENERATION moment, and marshal a response so HISTORIC that we make every last anti-choice Republican REGRET what they've done. Please, Michael, I've never needed your support more than today. Can you chip in \$15, split between my campaign and Catherine Cortez Masto's, monthly so we can WIN these midterms and finally codify reproductive rights into law? >>

Michael, this isn't a normal fundraising email.

And a normal response won't suffice.

Tomorrow morning, Republican operatives will look at our results from THIS EMAIL to see whether strong Democrats like you are fired up.

If we post the same run-of-the-mill numbers, McConnell and McCarthy will think they can get away with ANYTHING.

So Michael, I'm asking you to step up in this moment of crisis.

Our ONLY option is to marshal a response so historic – 100,000 monthly gifts before midnight – that we DEFEAT every anti-choice Republican that made this happen, EXPAND our majorities, and FINALLY codify our

reproductive rights into law. So Michael, can I expect to see your name on my "Pro-Choice Champion" list tomorrow morning? >>

I know you're livid, Michael. We both are. But in times of crisis, our ONLY response can be to stand up and fight for what's right.

Thank you for fighting with me on the right side of history.
