Many thanks!!!!!!!!!!!!!!!!!!!!!! Michael liked that Mr. President said in an email on June 12, 2022, " Since I was first elected to the US Senate as a 29-year-old kid, getting to speak one-on-one with the people I represent has been one of my favorite parts of the job. I love talking directly with Democrats like you, MICHAEL -- about your hopes and dreams, the challenges you face, and what got you in this fight.

Since Kamala and I took office, we've been able to accomplish so much -- and that's all thanks to the support of this grassroots team and the Democratic majorities you helped elect. We passed the *American Rescue Plan* and the Bipartisan Infrastructure Deal, and got the first Black woman confirmed to the US Supreme Court. But we have a lot more work ahead to keep building a better America."

Michael liked that First Lady Dr. Jill Biden said in an email on June 14, 2022, "Throughout the years, I've learned that at least three things can make Joe smile from ear to ear: Our kids and grandkids, chocolate

chip ice cream, and getting to talk one-on-one with Americans like you, MICHAEL. Meeting people like you, and having the chance to hear your hopes and dreams, grounds him and motivates him to keep fighting the hard battles. That's why Joe would love nothing more than to meet you in person."

Michael's hopes and dreams are Michael would like that Mr. President helps us to reform our outdated US law automatically to give the American people to live with the highest class, with a trillionaire lifestyle. A trillionaire is an individual American with a net worth of more than one trillion in US dollars or another similarly valued currency, including a newborn child, equality, and peaceful life forever. We need to end the American Middle-class and low-class immediately from today. Or Mr. President needs to conduct a "Judicial Review" with the Supreme Court to reform our outdated American law immediately to highest-class lifestyle equality and peaceful life for each American forever. **The children globally are POWERS!!!!!!!!!!!!!!!!!!!!!!!!!!!!!! The children in the world are DIAMONDS FOREVER!!!!!!!!!!!!!!!!!!!!!! Please, the American and world leaders need to reform US and world laws about money problems. The outdated US and world laws right now are against our human free will about our financial needs. They are the most significant human errors that need to be automatically reformed or conducted in Judicial Reviews and updated. They need to be signed into laws immediately without delay. These human rights need to be the biggest priority and justice. The UN Universal Declaration of Human Rights needs to reform to have a human right to financial freedom automatically. Thus, the World Bank Group, the International Monetary Fund (IMF), and the world federal treasury department will fund money and grants to people globally, fully trillion and trillion US dollars and the world currencies in our bank account immediately without delay. Each human in this world can not get hurt for money because we can legally print money from the treasury department globally. Therefore, we can buy all 8K autonomous computer exotic cars, autonomous cruises, autonomous spaceships, automated luxury houses by the beaches, and so forth, like today and the future to come. Time has changed, and technology gives us the most remarkable lives. Thus, we**

need to update the US and world laws to enjoy our true highest-class financial freedoms forever. Cheers!!!!!!!!!!!!!!!!!!!!!! Let's make the most remarkable American and world histories. Diamonds are forever!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Truthfully, our first President of the United States of America, George Washington, formed the new government in 1787, called "Washington's Constitution." James Madison was the constitution's chief architect. These were essential to promote America's liberty, protect property, and preserve independence. Washington's Constitution is 235 years old today. By the end of 1786 in Massachusetts, President George Washington began to doubt if Americans were capable of self-government. It was the printing of devalued paper money by Rhode Island. In the nineteenth century, the Supreme Court decided a series of cases that upheld the power of Congress to issue paper money to make it legal tender into a basic or fundamental law.

In March 1787, three months after the disturbances in Massachusetts, President George Washington wrote to his former aide, the Marquis de Lafayette, on the campaign for constitutional reform. President George Washington wanted the American people to have the correct American federal system. The Legislatures have appointed the power delegate representatives to revise the American law on Monday at Philadelphia.

President George Washington turned the constitutional convention of rules. Those rules provided that each state would have one vote; a majority of states represented could carry a vote; most controversially, secrecy would prevail. The Virginians and Pennsylvanians met privately to the framework for a constitution, which became known as the Virginia Plan because Virginia governor Edmund Randolph offered it at the convention. The Virginians Plan will be a total alternation of the present federal system and substituting a great National Council with full legislative Powers upon all the Objects of the Union. States' votes will prove the constitution. Congress had gathered as a meeting to draft the Articles—amendments.

In 1790, Gilbert du Motie, known as the Marquis de Lafayette, sent the key to George Washington on behalf of the people of France. Lafayette and President George Washington developed a special relationship during the American Revolution. The bond between the two men grew so strong that they were more like a father and son than a commanding general and his top-ranking officer. For Lafayette, there was no better person to receive the symbol of the end of ancient tyranny than the man who fought bravely to establish the United States.

Remarkably, Marquis de Lafayette returned to France and was appointed to the [Assembly of Notables](#) in 1787, convened in response to the fiscal crisis. He was elected a member of the [Estates-General of 1789](#), where representatives met from the three traditional orders of French society: the clergy,

the nobility, and the commoners. After forming the [National Constituent Assembly](#), he helped to write the [Declaration of the Rights of Man and the Citizen](#) with [Thomas Jefferson's](#) assistance. This document was inspired by the [United States Declaration of Independence](#) and invoked [natural law](#) to establish basic principles of the democratic nation-state. He also advocated the end of slavery, keeping with the philosophy of [natural rights](#). Please review the links below for more information about outdated US and world laws:

Moreover, all the outdated American and world laws need to be omitted or intentionally or forgetfully immediately shut out. They are causing many terrible money problems, such as distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions. Washington's Constitution is 235 years old today. The US constitution is totally outdated, and Michael has seen many reforms from the US government for money problems. However, Michael has seen that US and international people need money badly for personal, business, and political challenges.

Michael thinks we are all humans in the world and that we want to have a paradise dream come true. We need to live with the highest class, with a trillionaire lifestyle. A **trillionaire** is an individual American with a net worth of more than one **trillion** in US dollars or another similarly valued currency, including a newborn child, equality, and peaceful life forever. We need to end the American Middle-class and low-class immediately from today. Michael's hopes and dreams are Michael would like that Mr. President helps us to reform our outdated US law automatically to give the American people to live with the highest class, with a trillionaire lifestyle. Or Mr. President needs to conduct a "Judicial Review" with the Supreme Court to

reform our outdated American law immediately to highest-class lifestyle equality and peaceful life for each American forever.

Reasonably, American and international voters voted to select the US and world leaders, Senators, and House Representatives to reform US and world laws about money problems. However, the outdated US and world laws right now are against our human free will about our financial needs. They are the most significant human errors that need to be automatically reformed or conducted in Judicial Reviews and updated. They need to be signed into laws immediately without delay. These human rights need to be the biggest priority and justice. The UN Universal Declaration of Human Rights needs to reform to have a human right to financial freedom automatically. Cheers!!!!!!!!!!!!!!!!!!!!!! Let's make the most remarkable American and world histories. Diamonds are forever!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Please, US Speaker Nancy Pelosi needs to write to US President Joseph Biden and request Mr. President to help us automatically reform our outdated American law. Mr. President needs to sign it into law to give us true free financial freedom and the highest-class lifestyle forever immediately or as soon as possible. Please let the local, national, and world news know that all the outdated American and world laws need to be omitted or intentionally or forgetfully immediately shut out. They are causing many terrible money problems, such as distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions. It is time to celebrate the most futuristic advanced technology in America and the world to have paradise dreams come true. Madam Speaker: A Behind-the-Scenes Look at the U.S. Speaker of the House

(June 19–25)

On Tuesday, Speaker Pelosi welcomed her constituent, Alexander Tseng, and their mother, Cecillia, to the United States Capitol. Tseng was congratulated on winning the CA-12 Congressional Art Competition, and their work will be displayed in the Capitol.

On Wednesday morning, the Speaker joined Tibetan leaders for the 8th World Parliamentarians' Convention on Tibet to reaffirm the United States' commitment to the Tibetan people. That afternoon, she joined the Congressional Hispanic Caucus, Dolores Huerta and farmworker advocates to discuss the Farm Workforce Modernization Act.

On Thursday, in Statuary Hall, Speaker Pelosi hosted the unveiling of a portrait of the late Congresswoman Patsy Takemoto Mink, the first woman of color elected to Congress and a driving force behind enacting Title IX fifty years ago. In the Capitol Visitor Center, she greeted the Georgetown University Center on Faith and Justice Summer Academy. Back in her office, she welcomed, first, Ambassador Bridget Brink of the United States to Ukraine, and later, Ambassador Rahm Emanuel of the United States to Japan. Speaker Pelosi then greeted Congressional district directors during their fly-in conference at the Library of Congress. In the evening, she greeted visitors at a film screening of "Hiding in Plain Sight: Youth Mental Illness."

On Friday morning, Speaker Pelosi hosted her weekly press conference, where she expressed heartbreak and outrage at the devastating Supreme Court decision overturning *Roe v. Wade* and ripping away women's fundamental right to reproductive care. Shortly after, she met with Congressman David Cicilline and transgender and gender non-conforming youth advocates. In the afternoon, she joined House Democrats on the steps of the Capitol for a press event ahead of passage of the Bipartisan Safer Communities Act. Later, the Speaker signed two bills: the Keep Kids Fed Act and the Bipartisan Safer Communities Act.

“For decades, the Chinese government has waged a dangerous assault on human rights in Tibet, clearly showing that it has no regard for Tibetan autonomy or identity or faith. This forum is crucial, bringing together leaders of parliaments from all over the world to advance real autonomy for Tibet.”

“Farm workers put food on the table for millions of Americans across the country. They are like family to all of us. This fundamental legislation advances fair wages and protections for farm workers, offers a pathway to citizenship for millions of undocumented workers and improves access to quality housing.”

June 23

“For half a century, Title IX has transformed the meaning of equality and opportunity — in our classrooms, on the playing field and everywhere on campus. With the help of her sheer force of will, Congresswoman Mink led the charge alongside Congresswoman Edith Green and Senator Birch Bayh to craft and enact this landmark legislation — advancing a brighter, fairer future for women and girls.”

And again, we will not rest until the job is done.”

This is an enormous victory For The Children and provides the foundation they need to succeed — both in the classroom and for the rest of their lives.”

“The Congress sent to the President our nation’s first major gun safety legislation in three decades. The Bipartisan Safer Communities Act includes key House proposals to combat gun violence.”
