The Honorable UN Foundation Chairman Ted Turner
United Nations Foundation
1750 Pennsylvania Avenue NW, Suite 300
Washington, DC 20006

Dear UN Foundation Chairman Ted Turner:

Congratulations!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Happy Saturday, March 5, 2022!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

I wish you and your family will have the most magnificent magical year in 2022!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

I'm so grateful and sincerely appreciate your time and help the world for peace, honor equality, and the most prosperous globally. Today, United Nations Foundation has 193 government countries like the World Bank Group has 189 member countries, and the International Monetary Fund has 190 member countries together more than one big family. Truthfully, we are together like one most enormous world full of loves. We are the most fantastic friends together in one most extraordinary world – The United Nations, the World Bank Group, and the International Monetary Fund.

Truthfully, I think UN Foundation Chairman Ted Turner is the most brilliant, gifted, mastermind Einstein, most outstanding intellect, brain, and physical UN Foundation Chairman globally. Keep up your most exceptional works. I have seen that the United Nations Foundation Chairman Ted Turner, the world

leaders, the World Bank Group, the International Monetary Fund (IMF), and the US Democratic and Republican parties try to help American and international people from time to time about their money problems. All the world's money problems have caused terrible, distressingly bad crime, prostitution, war, discrimination, and so forth in the low-class lifestyles. I have seen that the United Nations Foundation will need to raise more money to help the world for peace, honor equality, and the most prosperous globally.

Fairly, I think that '**MONEY CAN CHANGE THE WORLD.**' We have the most significant human errors to obey the American, and world outdated laws force us to work very hard for money and have such depressing and sorry lives. The American and world's outdated laws rule us against our human value of free will. We have worked so hard for our lives and ended up with many debts. I have seen that business owners owned more than a billion debts, and workers had little money in their banks. Our human values are low, and we don't quality of our lifestyle as we should. The American and world's outdated laws have caused terrible, distressingly bad crime, prostitution, war, discrimination, and many more. They are the most significant human errors, and they violate the constitution. They need to have American and the world Supreme Courts make the Judicial Reviews and reform to absolute financial freedom human rights laws immediately without delay or as soon as possible. These fundamental financial freedom human rights laws need to reform as the most priority and justice.

Honestly, American and international people need to have the highest useful lives and financial freedom forever. The US and world governments can legally and easily print money from the treasury department, so the US and world governments should give all American and international people financial freedom forever. Our outdated American and International Laws need to have Judicial Review and automatically reformed to provide all American and international people financial freedom forever. Thus, we can enjoy our real freedom lives. We can't keep hurting ourselves about money problems because we can legally print the money quickly, and we need the most significant break in our lives if we can.

Furthermore, I have learned that Section 2 of Article III gives **the Supreme Court judicial power over "all Cases, in Law and Equity, arising under this Constitution," meaning that the Supreme Court's main job is to decide if laws are constitutional.** The ability to determine whether a law violates the constitution is called Judicial Review. I think our American and world laws were outdated, and they are hurting people about money problems globally. All the world's money problems have caused terrible, distressingly bad crime, prostitution, war, discrimination, and so forth in the low-class lifestyles. The

American and worlds' outdated laws need to have **Judicial Reviews from the American and the world Supreme Courts. The American and world's outdated laws are not constitutional, and they violate the constitution and hurt people about money problems. All laws in the world need to work for peoples' dreams globally. These are significant human errors, and these human rights need to be reformed immediately without delay or as soon as possible.**

"THUS, ALL WORLD SUPREME COURTS NEED TO POWER OVER THESE FINANCIAL FREEDOM HUMAN RIGHTS LAWS IMMEDIATELY WITH DELAY. THUS, US PRESIDENT JOE BIDEN, ALL WORLD LEADERS, AND UNITED NATIONS FOUNDATION CHAIRMAN TED TURNER NEED TO SIGN THEM INTO LAWS IMMEDIATELY WITHOUT DELAY OR AS SOON AS POSSIBLE."

'MONEY CAN CHANGE THE WORLD.'

Gratefully, the World Bank Group, the International Monetary Fund (IMF), and the world federal treasury department need to fund money and grants to all people in the world trillions and trillions (US dollars) or the world currencies in their bank account all the time to enjoy our real paradise lives. These human rights need to be the biggest priority and justice. We need to end all low-class and middle-class lifestyles from now on. We need to live only in the highest-class lifestyle world. International Law needs to reform to get the highest money power to keep the peace, fix climate crises, and help everybody in the world to have real paradise lives with the correct financial freedom. Our world will be genuinely remarkable when all human beings in the world live with the wealthiest superlative advanced technology, highest-class lifestyle independently, peacefully, and equality. It means all political parties in the world will come to be balanced, and it also means we will have a peaceful world full of enjoyment. We need to end all low-class and middle-class lifestyles from now on, and we need to live only in the highest-class lifestyle world. Would you please try to understand and help?

It is time to reform our UN Universal Declaration of Human Rights, American, and the world laws to give everyone true financial freedom with the highest class lifestyle equality and peace for every human globally. We need to end the low and middle-class lifestyles from now on. This human right needs to be the most priority and justice. All world Supreme Courts need to power over these financial freedom human rights laws immediately with delay. Thus, United Nations Foundation Chairman Ted Turner, US President

Joe Biden, and all world leaders need to sign them into laws immediately without delay or as soon as possible because they violated the constitution.

Moreover, thank you very much for many of the most outstanding results from UN Foundation Chairman Ted Turner, UN Foundation CEO Elizabeth Cousens, UNA-USA Team, Nancy Pelosi – Speaker of House Representatives, US Senator Jacky Rosen, US Congresswoman Dina Titus, US Senator Catherine Cortez Masto, US First Lady Dr. Jill Biden, President Joe Biden, Vice President Kamala Harris, US Senators, House of Representatives, Senate Committee Budget Chairman Bernie Sanders, Majority Leader Chuck Schumer, the Committee on Ways and Means, Chairman Richard Neal, President Donald Trump, Democratic Party, and Republican Party have helped the American People to survive from the COVID-19 crisis. Significantly, the World Bank and the International Monetary Fund (IMF) have contributed many grants and loans to help people survive during the COVID-19 crisis.

The World Bank and IMF both try to promote international financial stability and monetary cooperation. Their mission also facilitates international trade, promotes employment and sustainable economic growth, and helps to reduce global poverty. The World Bank has 189 member countries, and the IMF has 190 member countries, and they commit to reducing poverty and making the world the wealthiest place possible. Moreover, the World Bank Group and International Monetary Fund have funded many grants and loans worldwide during the Coronavirus (COVID-19) crisis. Please review more information about them at the links below:

Moreover, the updated financial freedom of the UN Universal Declaration of Human Rights will not need to go through the old vote rules from the United Nations General Assembly because it will provide for all people globally to have the most excellent paradise dreams constitutional. We all want the financial

freedom of the UN Universal Declaration of Human Rights law to give us the most extraordinary future. The economic independence of the UN Universal Declaration of Human Rights law is our future paradise dream, and it is the fundamental law from now on. We need to live with the highest class lifestyles equality for each human in the world, and we need to end the world low-class and middle-class lifestyles from now on. We need to follow our hearts and live with our true paradise dreams. Mr. UN Foundation Chairman Ted Turner needs to sign it into law immediately without delay. The Outdated UN Universal Declaration of Human Rights violated the constitution. More than seven billion American and international voter families will greatly appreciate your help.

Fairly, the world financial freedom human rights needs to be the statement in the Preamble and Article 2 of the UN Universal Declaration of Human Rights law immediately without delay. Everyone is entitled to all the rights of financial freedoms outlined in this Declaration, without distinction of any kind, such as race, color, sex, language, religion, political or other opinions, national or social origin, property, birth, or another status. The aim is to guarantee the world financial freedom human rights of all global citizens without distinction of nationality, sex, education, or status.

Thus, the World Bank Group, International Monetary Fund, and the world treasury department need to fund money and grants to people globally, fully trillion and trillion US dollars and the world currencies in our bank account immediately without delay. Each human in this world can not get hurt for money because we can legally print money from the treasury department globally. Therefore, we can buy all 8K autonomous computer exotic cars, autonomous cruises, autonomous spaceships, automation luxury houses by the beaches, and so forth, like today and the future to come. The time has changed that technology gives us the most remarkable lives. Thus, we need to automatically update the world financial freedom laws to enjoy our true highest-class financial freedoms forever from now on.

Fairly, since we can lawfully print money from our world Treasury Department, we need to print all cash for all people globally to enjoy the absolute paradise dream. We also need to live with the most superior advanced technology, highest-class lifestyle with true financial freedom and peaceful lives equality forever. We need to end the world's middle and low-class lifestyles from now on. We need to live only the highest-class lifestyle with financial freedom and peaceful lives equality for everyone in the world forever.

Moreover, I have learned that the United Nations created by the 50 most excellent countries included the Big-Five: China, the United States, France, the Soviet Union, and the United Kingdom (the five victors

of World War II). The United Nations missions to keep the peace, honor equality, and most prosperous globally. Today, the United Nations has 193 government countries like the World Bank Group has 189 member countries, and the International Monetary Fund has 190 member countries together more than one big family. Surprisingly, our greatest hero is United Nations Foundation Chairman Ted Turner. You are our greatest hero, and you are a chosen one.

United Nations Foundation Chairman Ted Turner will be our world superman or superhero to rescue our world with the most significant money problems like COVID-19 pandemic, Climate change, poverty, terrible, distressingly bad crime, prostitution, war, discrimination, and so forth in the low-class and middle-class lifestyles. Mr. UN Foundation Chairman Ted Turner needs to sign the UN Universal Declaration of Human Rights' financial freedom permanently into law immediately without delay. So, we will enjoy our absolute financial freedom lives forever, including all the newborn children globally. Please consider this human right needs to be the most priority and justice. Please help!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Furthermore, the United Nations Foundation has 193 country members like the World Bank Group, 189 member countries, and the International Monetary Fund has 190 member countries together with more than one big family. We have one most enormous world full of loves and friendships. We should enjoy the greatest superlative advanced futuristic technology with absolute financial freedom and paradise highest-class lifestyle forever. This human right needs to be the most priority and justice. More than 7 billion Americans and international voter families worldwide will sincerely appreciate your help because United Nations Foundation Chairman Ted Turner will make our paradise dreams come true. We really need a true hero, and United Nations Foundation Chairman Ted Turner is chosen. Moreover, I was one of the greatest fans of your classic Fame and Christmas Story movies and James Bond and Rocky franchises and television programs.

We should enjoy the greatest superlative advanced futuristic technology with absolute financial freedom, paradise highest-class lifestyle together forever. This human right needs to be the most priority and justice. More than 7 billion Americans and international voter families worldwide will sincerely appreciate your help because you will make our paradise dreams come true. We really need a true hero, and United Nations Foundation Chairman Ted Turner is chosen. United Nations Foundation Chairman Ted Turner will be our world superman or superhero to rescue our world with the most significant money problems like

COVID-19 pandemic, Climate change, poverty, terrible, distressingly bad crime, prostitution, war, discrimination, and so forth in the low-class and middle-class lifestyles.

I liked that Secretary-General António Guterres stated in his seven quotes, "The success of the UN and the international community lies in our common commitment to our common values." – Vision Statement submitted on April 4, 2016.

Awesomely, the most fantastic news is that the 22-year-old Stepdaughter Ella Amhoff of our US Vice President Kamala Harris is wearing a red Stella McCartney diamond mesh bodysuit. Ella Amhoff has shown the futuristic look with sparkling eye gems and Cartier jewelry as our paradise dream has come true for real. Each of us will live like the wealthiest king and queen with superlative advanced technology, independence, equality, and a peacefully high-class lifestyle. Each of us will have trillion and trillion US dollars and the world currencies in our bank account. Thus, we can buy all 8K autonomous computer exotic cars, autonomous cruises, autonomous spaceships, automation luxury houses by the beaches, and so forth, like today and the future to come.
