The Honorable US Governor of Kansa Laura Kelly
Governor Office
300 SW 10th Avenue
Topeka, KS 66612

Dear US Governor of Kansas Laura Kelly:

Happy Saturday!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Michael hopes US Governor of Kansas Laura Kelly's family will have the most fabulous weekend!!!!!!!!!!!!!!!!!!!!

Michael wishes the US Governor of Kansas Laura Kelly will become a beautiful young supergirl, wonder woman, invincible, and live forever.

Michael hopes US Governor of Kansas Laura Kelly's family will have the most magnificent magical year in 2022!!!!!!!!!!!!!!!!!!!!

GREATEST NEWS!!!!!!!!!!!!!!!!!!!! PLEASE HELP!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Michael is so thankful and sincerely appreciates US Governor of Kansas Laura Kelly's time and valuable email today, May 14, 2022. Many thanks!!!!!!!!!!!!!!!!!!!! Michael would like to update US Governor of Kansas Laura Kelly on the issue that matters to Michael the most. Truthfully, all the outdated American and world laws need to be omitted or intentionally or forgetfully immediately shut out. They are causing many terrible money problems, such as distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions.

Fairly, for example, many computers can't run correctly because they have outdated or are old computers. Thus, they need to have the replacement to the most excellent 8k or better computers. We don't want to continue to use all the outdated computers because we can legally print money from our American and world treasury departments. We don't want to continue to work with the outdated American and world laws that cause us many terrible money problems. Thus, we need to print all money to solve all the money in America and the world. The outdated American and world laws need to be

signed automatically immediately to the new American and world rules of the most futuristic advanced technology in America and the world to give us the paradise dreams come true. Or they need to conduct the Judicial Review with the US and the world supreme courts and reform them immediately or as soon as possible. Moreover, we have the tremendous power that judge Jackson, Ketanji Brown, won 53-47 votes on April 7, 2022.

Priority, we need to conduct the Judicial Review and reform our outdated American laws immediately or as soon as possible. Judge Jackson, Ketanji Brown needs to help us do a 'Judicial Review' and improve all outdated American laws to give American people the highest class lifestyles and equality for each American. We need to end the American low-class and middle-class lifestyles immediately. Therefore, we can buy all 8K autonomous exotic computer cars, autonomous cruises, autonomous spaceships, automated luxury houses by the beaches, and so forth, like today and the future comes. Time has changed, and technology gives us the most remarkable lives. Thus, we need to update the US and world laws to enjoy our true highest-class financial freedoms forever.

Truthfully, all the outdated American and world laws need to be omitted or intentionally or forgetfully immediately shut out. They are causing many terrible money problems, such as distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions. We got former President Barack Obama and Jackson Ketanji Brown. We got the POWERS!!!!!!!!!!!!!!!!!!!!!! Cheers!!!!!!!!!!!!!!!!!!!!!! Let's make the most remarkable American history. Diamonds are forever!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Reasonably, American and international voters voted to select the US and world leaders, Senators, and House Representatives to reform US and world laws about money problems. However, the outdated US and world laws right now are against our human free will about our financial needs. They are the most significant human errors that need to be automatically reformed or conducted in Judicial Reviews and updated. They need to be signed into law immediately without delay. These human rights need to be the biggest priority and justice. The UN Universal Declaration of Human Rights needs to reform to have a human right to financial freedom automatically. Thus, the World Bank Group, the **International Monetary Fund (IMF)**, and the world federal treasury department will fund money and grants to people globally, fully trillion and trillion US dollars and the world currencies in our bank account immediately without delay. Each human in this world can not get hurt for money because we can legally print money

from the treasury department globally. Therefore, we can buy all 8K autonomous computer exotic cars, autonomous cruises, autonomous spaceships, automated luxury houses by the beaches, and so forth, like today and the future to come. Time has changed, and technology gives us the most remarkable lives. Thus, we need to update the US and world laws to enjoy our true highest-class financial freedoms forever. Cheers!!!!!!!!!!!!!!!!!!!!!! Let's make the most remarkable American history. Diamonds are forever!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Please, US Governor of Kansas Laura Kelly needs to write to US President Joseph Biden and request Mr. President to help us automatically reform our outdated American law and sign it into law to give us true free financial freedom and the highest-class lifestyle forever immediately or as soon as possible. Please let the local, national, and world news know that all the outdated American and world laws need to be omitted or intentionally or forgetfully immediately shut out. They are causing many terrible money problems, such as distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions. They need to be reformed and signed into law with financial freedom highest-class lifestyle immediately without delay. These human rights need to be the biggest priority and justice. The UN Universal Declaration of Human Rights needs to reform to have a human right to financial freedom automatically. Thus, the World Bank Group, the International Monetary Fund (IMF), and the world federal treasury department will fund money and grants to people globally, fully trillion and trillion US dollars and the world currencies in our bank account immediately without delay. Each human in this world can not get hurt for money because we can legally print money from the treasury department globally. Therefore, we can buy all 8K autonomous computer exotic cars, autonomous cruises, autonomous spaceships, automated luxury houses by the beaches, and so forth, like today and the future to come. Time has changed, and technology gives us the most remarkable lives. Thus, we need to update the US and world laws to enjoy our true highest-class financial freedoms forever. Cheers!!!!!!!!!!!!!!!!!!!!!! Let's make the most remarkable American history. Diamonds are forever!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Furthermore, Michael is internally grateful for many emails from First Lady Dr. Jill Biden, President Joe Biden, Democrats, Senator Jacky Rosen, Catherine Cortez Masto, Chairwoman Dr. Dina Titus, Vice President Kamala Harris, Chairman Jamie Harrison, Senator Majority Leader Charles Schumer, Senator Lizabeth Warren, Nancy Pelosi, Senator Maggie Hassan, US Governor of Kansas Laura Kelly, Chairwoman Ronna Mc Daniel, Vice-Chairwoman Tammy Duckworth, President of Heritage Dr. Kevin Roberts, Newt Gingrich, Former First Lady Mitchel Obama, Former Former President Barack Obama, Bill Gates, Dr. Ben Carson, Senator Cory Booker, Senator Mark Kelly, Republican Party, Congresswoman Ilhan Omar, Senior Director of United Nations Association – USA, Farah Eck, Director of United Nations Association – USA, Rachel Bowen Pittman, World Bank Live Updates, CBS News, CNN News, Trump News, Young America's Foundation – Reagan, Medium Daily Digest, US Congressman Jeff Duncan, Ted Cruz, LVMPD Foundation, Jimmy Carter, Clinton Foundation, George W. Bush Presidential Center, United Nations Foundation, Lizabeth Cousens and many other politicians globally, to fight every day for the most significant future for the American and international people. I liked that First Lady Dr. Jill Biben's email stated on April 25, 2022, **"MICHAEL -- when Joe launched his campaign for President three years ago today, I knew that his race would never be about him. It would always be about you. You helped elect Joe, hold the Democratic majority in the House, and flip the Senate. Since then, we've accomplished a lot together. Joe and Kamala are working hard for you every day to build a better America, and we can't stop now."**

Additionally, thanks very much for Mr. President's email on April 8, 2022, to celebrate Jackson, Ketanji Brown. I'm so thankful and sincerely appreciate many valuable emails. Many thanks!!!!!!!!!!!!!!!!!!!!!! I liked that President Joseph Biden stated in Mr. President's email on March 31, 2022, "We are stronger today than we were a year ago, and I'm confident that we'll be stronger a year from now than we are today. Make no mistake, we would not be here were it not for our Democratic leaders at the local, state, and federal levels -- and the folks like you who helped elect them, MICHAEL." Michael is so thankful and sincerely appreciates many valuable emails. Many thanks!!!!!!!!!!!!!!!!!!!!!!

Moreover, it's the most excellent news that former President Barack Obama teamed up with Mr. President in the White House again. Thus, we got the power!!!!!!!!!!!!!!!!!!!!!! It is time to celebrate the most futuristic advanced technology in America and the world to have paradise dreams come true. They are the most significant human errors to obey the outdated American and world laws that have forced us to work against our human free will and our paradise dreams about many money problems. We need to

reform the outdated American and world laws to give us the most futuristic advanced technology highest-class lifestyles for each human in the world equality immediately without delay or as soon as possible. These outdated American and world law reforms need not follow the old rules to do the reforms because the outdated American and world laws are totally obsolete. All the outdated American and world laws need to be omitted. They need to have shut out either intentionally or forgetfully immediately because they are causing many terrible money problems, distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions.

Fairly, they need to be reformed and signed into law with financial freedom highest class lifestyle immediately without delay. These human rights need to be the biggest priority and justice. The UN Universal Declaration of Human Rights needs to reform to have a human right to financial freedom automatically. Let's make the most remarkable American history. Diamonds are forever!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Thank you very much for reading. Many thanks!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Subject: I need you with me, team

Hi, team. I'm Laura Kelly, governor of Kansas.

In a moment, I'm going to share with you why I believe electing Democratic governors is so crucial to our nation's future. But, first, I want to ask you directly to join the thousands of grassroots donors who have already stepped up and donated to elect leaders who will protect our rights and freedoms.

[Will you split a \\$3 donation between my campaign and the Democratic Governors Association before their mid-month deadline?](#)

This year our most fundamental rights are on the ballot. Extreme candidates are running in states across the country, attacks on civil liberties are at an all time high, and Republican legislators have introduced or supported 250 voter new suppression bills this year alone.

Meanwhile, my extremist opponent is backed by millions of dollars from dark money groups. *Politico*, *Inside Elections*, *Sabato's Crystal Ball*, AND the *Cook Political Report* have **all** labeled my race as a "toss-up." And *Politico* even called me the "most vulnerable incumbent on the ballot this year."

They're saying I don't stand a chance. But this isn't the first time I've been underestimated, and I know we'll prove them wrong. Again.

In 2018, pundits claimed my race was unwinnable because Donald Trump won Kansas by over 20 points. But with the help of the DGA, I flipped Kansas from red to blue. Since then, I've fully funded Kansas public schools after nearly a decade of underfunding, created more than 41,000 new jobs, and greenlit more than 425 roads, bridges, and new infrastructure projects. And I'm not done yet.

But the public polling this time shows I only have a slim lead. Now I'm in for the fight of my life as I face a flood of outside spending, an extremist GOP dead set on undermining our elections, and a coordinated far-right campaign to suppress the vote nationwide.

So I'm asking you to step up and support Democrats with a gift of \$3 or more. Will you donate \$3, or whatever you can, today and have your gift split between my reelection campaign and the DGA? Together, we can reelect Democratic governors and stop far-right attacks on voting rights and our very democracy.

If you've saved payment information with ActBlue Express, your donation will go through immediately:

Thanks for everything you do,

Laura Kelly
Governor of Kansas

Laura Kelly is one of the most vulnerable incumbent Democrats up for reelection in 2022. She's running for governor to protect Kansas, fuel our economy, and expand health care, but extreme Republicans are ready to do and spend whatever it takes to defeat her.

She needs your help, team. Will you answer her call?
