Dear Michael,

Thank you for contacting me to express your thoughts on this important issue. While your comments are deeply appreciated, I also encourage you, if you have not already, to contact your Member of Congress. You can find your Member of Congress by visiting [House.gov](https://www.house.gov) and entering your zip code, or by calling (202) 224-3121. The ability to engage with your Congressional representative is an essential part of our democracy.

Guided by the values and priorities of the American people, House Democrats are advancing a bold, forward-looking agenda **For The People**. Working with the Biden-Harris Administration and the new Democratic Majority in the Senate, we will act decisively to ensure that our nation will not only recover from the coronavirus and economic crises, but will **Build Back Better** in a way that will advance justice and equality for all Americans. That is why we are proud to support action to crush the coronavirus, deliver urgent economic relief, combat the climate crisis, honor our nation's diverse heritage, and advance racial equity.

Thank you, again, for contacting me. For more information on our For The People agenda or other issues affecting our nation, please visit my website at www.speaker.gov.

best regards,

NANCY PELOSI
Speaker of the House
