have the most magnificent magical year in 2022!!!!!!!!!!!!!!!!!!!!!!

GREATEST NEWS!!!!!!!!!!!!!!!!!!!!!! PLEASE HELP!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Michael is so thankful and sincerely appreciates US Senator Catherine Cortez Masto's time and
valuable email today, May 17, 2022, an email on May 14, 2022, and many more. Many
thanks!!!!!!!!!!!!!!!!!!!!!! Michael would like to update US Senator Catherine Cortez Masto and Former First
Lady Michelle Obama on the issue that matters to Michael the most. Truthfully, all the outdated American
and world laws need to be omitted or intentionally or forgetfully immediately shut out. They are causing
many terrible money problems, such as distressingly bad crimes, prostitution, wars, discrimination, etc.,
globally throughout the American and world histories. They are the most significant human errors,
violating the American and global constitutions.

Fairly, for example, many computers can't run correctly because they have outdated or are old
computers. Thus, they need to have the replacement to the most excellent 8k or better computers. We don't
want to continue to use all the outdated computers because we can legally print money from our American
and world treasury departments. We don't want to continue to work with the outdated American and world

laws that cause us many terrible money problems. Thus, we need to print all money to solve all the money in America and the world. The outdated American and world laws need to be signed automatically immediately to the new American and world rules of the most futuristic advanced technology in America and the world to give us the paradise dreams come true. Or they need to conduct the Judicial Review with the US and the world supreme courts and reform them immediately or as soon as possible. Moreover, we have the tremendous power that judge Jackson, Ketanji Brown, won 53-47 votes on April 7, 2022.

Priority, we need to conduct the Judicial Review and reform our outdated American laws immediately or as soon as possible. Judge Jackson, Ketanji Brown needs to help us do a 'Judicial Review' and improve all outdated American laws to give American people the highest class lifestyles and equality for each American. We need to end the American low-class and middle-class lifestyles immediately. Therefore, we can buy all 8K autonomous exotic computer cars, autonomous cruises, autonomous spaceships, automated luxury houses by the beaches, and so forth, like today and the future comes. Time has changed, and technology gives us the most remarkable lives. Thus, we need to update the US and world laws to enjoy our true highest-class financial freedoms forever.

Truthfully, all the outdated American and world laws need to be omitted or intentionally or forgetfully immediately shut out. They are causing many terrible money problems, such as distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions. We got former President Barack Obama and Jackson Ketanji Brown. We got the POWERS!!!!!!!!!!!!!!!!!!!!!! Cheers!!!!!!!!!!!!!!!!!!!!!! Let's make the most remarkable American history. Diamonds are forever!!!!!!!!!!!!!!!!!!!!!!

Reasonably, American and international voters voted to select the US and world leaders, Senators, and House Representatives to reform US and world laws about money problems. However, the outdated US and world laws right now are against our human free will about our financial needs. They are the most significant human errors that need to be automatically reformed or conducted in Judicial Reviews and updated. They need to be signed into law immediately without delay. These human rights need to be the biggest priority and justice. The UN Universal Declaration of Human Rights needs to reform to have a human right to financial freedom automatically. Thus, the World Bank Group, the International Monetary Fund (IMF), and the world federal treasury department will fund money and grants to people globally, fully trillion and trillion US dollars and the world currencies in our bank account immediately without delay.

Each human in this world can not get hurt for money because we can legally print money from the treasury department globally. Therefore, we can buy all 8K autonomous computer exotic cars, autonomous cruises, autonomous spaceships, automated luxury houses by the beaches, and so forth, like today and the future to come. Time has changed, and technology gives us the most remarkable lives. Thus, we need to update the US and world laws to enjoy our true highest-class financial freedoms forever. Cheers!!!!!!!!!!!!!!!!!!!!!! Let's make the most remarkable American history. Diamonds are forever!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Please, US Senator Catherine Cortez Masto and Former First Lady Michelle Obama need to write to US President Joseph Biden and request Mr. President to help us automatically reform our outdated American law and sign it into law to give us true free financial freedom and the highest-class lifestyle forever immediately or as soon as possible. Please let the local, national, and world news know that all the outdated American and world laws need to be omitted or intentionally or forgetfully immediately shut out. They are causing many terrible money problems, such as distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions. They need to be reformed and signed into law with financial freedom highest-class lifestyle immediately without delay. These human rights need to be the biggest priority and justice. The UN Universal Declaration of Human Rights needs to reform to have a human right to financial freedom automatically. Furthermore, Michael is internally grateful for many emails from First Lady Dr. Jill Biden, President Joe Biden, Democrats, Senator Jacky Rosen, Catherine Cortez Masto, Chairwoman Dr. Dina Titus, Vice President Kamala Harris, Chairman Jamie Harrison, Senator Majority Leader Charles Schumer, Senator Lizabeth Warren, Nancy Pelosi, Senator Maggie Hassan, US Governor of Kansas Laura Kelly, Chairwoman Ronna Mc Daniel, Vice-Chairwoman Tammy Duckworth, President of Heritage Dr. Kevin Roberts, Newt Gingrich, Former First Lady Mitchel Obama, Former Former President Barack Obama, Bill Gates, Dr. Ben Carson, Senator Cory Booker, Senator Mark Kelly, Republican Party, Congresswoman Ilhan Omar, Senior Director of United Nations Association – USA, Farah Eck, Director of United Nations Association – USA, Rachel Bowen Pittman, World Bank Live Updates, CBS News, CNN News, Trump News, Young America's Foundation – Reagan, Medium Daily Digest, US Congressman Jeff Duncan, Ted Cruz, LVMPD Foundation, Jimmy Carter, Clinton Foundation, George W. Bush Presidential Center, United Nations Foundation, Lizabeth Cousens and many other politicians globally, to fight every day for the most significant future for the American and international people. I liked that First Lady Dr. Jill Biben's email stated on April 25, 2022, **"MICHAEL -- when Joe launched his campaign for President three years ago today, I knew that his race would never be about him. It would always be about you. You helped elect Joe, hold the Democratic majority in the House, and flip the Senate. Since then, we've accomplished a lot together. Joe and Kamala are working hard for you every day to build a better America, and we can't stop now."**

Additionally, thanks very much for Mr. President's email on April 8, 2022, to celebrate Jackson, Ketanji Brown. I'm so thankful and sincerely appreciate many valuable emails. Many thanks!!!!!!!!!!!!!!!!!!!!!! I liked that President Joseph Biden stated in Mr. President's email on March 31, 2022, "We are stronger today than we were a year ago, and I'm confident that we'll be stronger a year from now than we are today. Make no mistake, we would not be here were it not for our Democratic leaders at the local, state, and federal levels -- and the folks like you who helped elect them, MICHAEL." Michael is so thankful and sincerely appreciates many valuable emails. Many thanks!!!!!!!!!!!!!!!!!!!!!!

Moreover, it's the most excellent news that former President Barack Obama teamed up with Mr. President in the White House again. Thus, we got the power!!!!!!!!!!!!!!!!!!!!!! It is time to celebrate the most futuristic advanced technology in America and the world to have paradise dreams come true. They are the most significant human errors to obey the outdated American and world laws that have forced us to work

against our human free will and our paradise dreams about many money problems. We need to reform the outdated American and world laws to give us the most futuristic advanced technology highest-class lifestyles for each human in the world equality immediately without delay or as soon as possible. These outdated American and world law reforms need not follow the old rules to do the reforms because the outdated American and world laws are totally obsolete. All the outdated American and world laws need to be omitted. They need to have shut out either intentionally or forgetfully immediately because they are causing many terrible money problems, distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions.

Fairly, they need to be reformed and signed into law with financial freedom highest class lifestyle immediately without delay. These human rights need to be the biggest priority and justice. Thank you very much for reading. Many thanks!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

The little girl in this photo has no clue what a wild ride life has in store for her. Right now, all she knows is the joy of weekend camping with her family, tearing into her mom's homemade meatballs and begging her dad to buy her a dirt bike.

Her dad raised her on three principles: work hard, be honest and respect everyone. She spent her life watching him pour his heart into bettering his community, and she became a first-generation college graduate and pursued a career in law to protect that community.

She went on to be elected Nevada's attorney general just as the 2008 financial crisis wreaked havoc on America's middle-class families and our economy. She took on the Big Banks with a fellow attorney general from California and secured \$1.9 billion in relief for Nevada homeowners.

In 2016, she would make history as the first woman from Nevada and first Latina ever elected to the United States Senate. The odds were stacked against her, and many said she had no chance of winning. Mitch McConnell and the GOP spent nearly \$50 million to defeat her, but her grassroots team stood by her every step of the way.

Michael, my story is one of community. It made me who I am today and it's why I fight so hard for Nevada in the Senate. But right now, Donald Trump's handpicked candidate is leading me by 3 points in the polls, and FiveThirtyEight's Nate Silver says I'm in serious danger of losing this toss-up Senate race.

Can you chip in \$25 weekly to help me defeat my Trump-endorsed opponent and defend our Democratic Senate majority?

From college to the courtroom to the U.S. Senate – people have doubted that a Latina could compete and overcome the odds to win. I've proven them wrong every time, and I know that with your help, I can do it again.

My race will be one of the closest in the country, and Nevada will be crucial for control of the Senate. GOP outside groups have already spent more than \$4 million to defeat me and flip the one seat they need to take back the Senate.

Michael, I need your help to close this polling gap and defeat my Trump-endorsed opponent. Please, donate \$25 weekly to help me defend

Nevada and our Democratic Senate majority.

P.S. My dad eventually bought me that dirt bike.

If Democrats want to protect our razor-thin Senate majority, we *MUST* defend Nevada's Senate seat – but Catherine's race is currently a toss-up.
