**GREATEST NEWS!!!!!!!!!!!!!!!!!!!!!! PLEASE HELP!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!**

Michael is so thankful and sincerely appreciates US Chairwoman Dr. Dina Titus's time and valuable email today, May 19, 2022, an email on May 16, 2022, an email on May 13, 2022, an email on May 12, 2022, and many more. Many thanks!!!!!!!!!!!!!!!!!!!!!! Michael would like to update US Chairwoman Dr. Dina Titus on the issue that matters to Michael the most. Truthfully, all the outdated American and world laws need to be omitted or intentionally or forgetfully immediately shut out. They are causing many terrible money problems, such as distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions.

Fairly, for example, many computers can't run correctly because they have outdated or are old computers. Thus, they need to have the replacement to the most excellent 8k or better computers. We don't want to continue to use all the outdated computers because we can legally print money from our American and world treasury departments. We don't want to continue to work with the outdated American and world laws that cause us many terrible money problems. Thus, we need to print all money to solve all the money in America and the world. The outdated American and world laws need to be signed automatically immediately to the new American and world rules of the most futuristic advanced technology in America and the world to give us the paradise dreams come true. Or they need to conduct the Judicial Review with the US and the world supreme courts and reform them immediately or as soon as possible. Moreover, we have the tremendous power that judge Jackson, Ketanji Brown, won 53-47 votes on April 7, 2022.

Priority, we need to conduct the Judicial Review and reform our outdated American laws immediately or as soon as possible. Judge Jackson, Ketanji Brown needs to help us do a 'Judicial Review' and improve all outdated American laws to give American people the highest class lifestyles and equality for each American. We need to end the American low-class and middle-class lifestyles immediately. Therefore, we can buy all 8K autonomous exotic computer cars, autonomous cruises, autonomous spaceships, automated luxury houses by the beaches, and so forth, like today and the future comes. Time has changed, and technology gives us the most remarkable lives. Thus, we need to update the US and world laws to enjoy our true highest-class financial freedoms forever.

Truthfully, all the outdated American and world laws need to be omitted or intentionally or forgetfully immediately shut out. They are causing many terrible money problems, such as distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions. We got former President Barack Obama and Jackson Ketanji Brown. We got the POWERS!!!!!!!!!!!!!!!!!!!!!! Cheers!!!!!!!!!!!!!!!!!!!!!! Let's make the most remarkable American history. Diamonds are forever!!!!!!!!!!!!!!!!!!!!!!

Reasonably, American and international voters voted to select the US and world leaders, Senators, and House Representatives to reform US and world laws about money problems. However, the outdated US and world laws right now are against our human free will about our financial needs. They are the most significant human errors that need to be automatically reformed or conducted in Judicial Reviews and updated. They need to be signed into law immediately without delay. These human rights need to be the biggest priority and justice. The UN Universal Declaration of Human Rights needs to reform to have a human right to financial freedom automatically. Thus, the World Bank Group, the International Monetary Fund (IMF), and the world federal treasury department will fund money and grants to people globally, fully trillion and trillion US dollars and the world currencies in our bank account immediately without delay. Each human in this world can not get hurt for money because we can legally print money from the treasury department globally. Therefore, we can buy all 8K autonomous computer exotic cars, autonomous cruises, autonomous spaceships, automated luxury houses by the beaches, and so forth, like today and the future to come. Time has changed, and technology gives us the most remarkable lives. Thus, we

need to update the US and world laws to enjoy our true highest-class financial freedoms forever. Cheers!!!!!!!!!!!!!!!!!!!!!! Let's make the most remarkable American history. Diamonds are forever!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Please, US Chairwoman Dr. Dina Titus needs to write to US President Joseph Biden and request Mr. President to help us automatically reform our outdated American law and sign it into law to give us true free financial freedom and the highest-class lifestyle forever immediately or as soon as possible. Please let the local, national, and world news know that all the outdated American and world laws need to be omitted or intentionally or forgetfully immediately shut out. They are causing many terrible money problems, such as distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions. They need to be reformed and signed into law with financial freedom highest-class lifestyle immediately without delay. These human rights need to be the biggest priority and justice. The UN Universal Declaration of Human Rights needs to reform to have a human right to financial freedom automatically. Furthermore, Michael is internally grateful for many emails from First Lady Dr. Jill Biden, President Joe Biden, Democrats, Senator Jacky Rosen, Catherine Cortez Masto, Chairwoman Dr. Dina Titus, Vice President Kamala Harris, Chairman Jamie Harrison, Senator Majority Leader Charles Schumer, Senator Lizabeth Warren, Nancy Pelosi, Senator Maggie Hassan, Chairwoman Ronna Mc Daniel, Vice-Chairwoman Tammy Duckworth, President of Heritage Dr. Kevin Roberts, Newt Gingrich, Former First Lady Mitchel Obama, Former Former President Barack Obama, Bill Gates, Dr. Ben Carson, Senator Cory Booker, Senator Mark Kelly, Republican Party, Congresswoman Ilhan Omar, Senior Director of United Nations Association – USA, Farah Eck, Director of United Nations Association – USA, Rachel Bowen Pittman, World Bank Live Updates, CBS News, CNN News, Trump News, Young America's Foundation – Reagan, Medium Daily Digest, US Congressman Jeff Duncan, Ted Cruz, LVMPD Foundation, Jimmy Carter, Clinton Foundation, George W. Bush Presidential Center, United Nations Foundation, Lizabeth Cousens and many other politicians globally, to fight every day for the most significant future for the American and international people. I liked that First Lady Dr. Jill Biben's email stated on April 25, 2022, "**MICHAEL -- when Joe launched his**

**campaign for President three years ago today, I knew that his race would never be about him. It would always be about you. You helped elect Joe, hold the Democratic majority in the House, and flip the Senate. Since then, we've accomplished a lot together. Joe and Kamala are working hard for you every day to build a better America, and we can't stop now."**

Additionally, thanks very much for Mr. President's email on April 8, 2022, to celebrate Jackson, Ketanji Brown. I'm so thankful and sincerely appreciate many valuable emails. Many thanks!!!!!!!!!!!!!!!!!!!! I liked that President Joseph Biden stated in Mr. President's email on March 31, 2022, "We are stronger today than we were a year ago, and I'm confident that we'll be stronger a year from now than we are today. Make no mistake, we would not be here were it not for our Democratic leaders at the local, state, and federal levels -- and the folks like you who helped elect them, MICHAEL." Michael is so thankful and sincerely appreciates many valuable emails. Many thanks!!!!!!!!!!!!!!!!!!!!

Moreover, it's the most excellent news that former President Barack Obama teamed up with Mr. President in the White House again. Thus, we got the power!!!!!!!!!!!!!!!!!!!! It is time to celebrate the most futuristic advanced technology in America and the world to have paradise dreams come true. They are the most significant human errors to obey the outdated American and world laws that have forced us to work against our human free will and our paradise dreams about many money problems. We need to reform the outdated American and world laws to give us the most futuristic advanced technology highest-class lifestyles for each human in the world equality immediately without delay or as soon as possible. These outdated American and world law reforms need not follow the old rules to do the reforms because the outdated American and world laws are totally obsolete. All the outdated American and world laws need to be omitted. They need to have shut out either intentionally or forgetfully immediately because they are causing many terrible money problems, distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions.

Fairly, they need to be reformed and signed into law with financial freedom highest class lifestyle immediately without delay. These human rights need to be the biggest priority and justice. Dear Mr. Shannon,

Hello, I'm Dina Titus, your representative from the First District. Since I voted for Obamacare, I have been working to expand access to affordable health care. Every person should be able to receive quality care without fear of going into debt. Health care is a right, not a privilege.

The Medicare for All program would provide all individuals in the United States and its territories free health care, including primary care, preventive health services, nutritional therapies, prescription drugs, emergency care, long-term care, mental health services, dental services, and vision care. This program would establish a privately-delivered, publicly-financed universal health care system in which patients, physicians, and nonprofit health care providers, not insurance companies, would be in charge of medical decisions. This is a goal I support.

I have also been working to lower the cost of prescription drugs and secure funding for our community's health centers. I am a cosponsor of the Affordable Insulin Now Act which passed out of the House with my vote on March 31, 2022. This critical bill caps insulin prices at \$35 a month for both private and public health insurance plans. I also cosponsored the Medicare Negotiation and Competitive Licensing Act to finally allow Medicare to negotiate drug prices and decrease them to be fairer. Moreover, I was pleased that in 2021, community health centers in Las Vegas received over \$7 million in funding from the American Rescue Plan.

Be assured that throughout my tenure I will continue fighting to lower health care costs and make health care more accessible.

I hope you will continue to keep me up to date about issues that are important to you. I also invite you to stay informed of my work by following me on Twitter, [@RepDinaTitus](#), Facebook, [facebook.com/CongresswomanTitus](#), Instagram, [DinaTitusNV](#), and by visiting my website, [titus.house.gov](#).
