The Honorable US DNC Chairman Jaime Harrison  
Democratic National Committee (DNC)  
Washington, DC

Dear US DNC Chairman Jaime Harrison:  
Happy Saturday!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Michael hopes US DNC Chairman Jaime Harrison's family will have the most fabulous  
weekend!!!!!!!!!!!!!!!!!!!!!!

Michael wishes the US DNC Chairman Jaime Harrison would become a

a young muscular superman, invincible, and live forever.

Michael hopes US DNC Chairman Jaime Harrison's family will have the most magnificent magical year in  
2022!!!!!!!!!!!!!!!!!!!!!!

GREATEST NEWS!!!!!!!!!!!!!!!!!!!!!! PLEASE HELP!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Michael is so thankful and sincerely appreciates US DNC Chairman Jaime Harrison's time and  
valuable email today, May 21, 2022, an email on May 19, 2022, an email on May 17, 2022, an email on May  
14, 2022, and many more. Many thanks!!!!!!!!!!!!!!!!!!!!!! Michael would like to update US DNC Chairman  
Jaime Harrison on the issue that matters to Michael the most. Truthfully, all the outdated American and  
world laws need to be omitted or intentionally or forgetfully immediately shut out. They are causing many  
terrible money problems, such as distressingly bad crimes, prostitution, wars, discrimination, etc., globally  
throughout the American and world histories. They are the most significant human errors, violating the  
American and global constitutions.

Fairly, for example, many computers can't run correctly because they have outdated or are old  
computers. Thus, they need to have the replacement to the most excellent 8k or better computers. We don't  
want to continue to use all the outdated computers because we can legally print money from our American  
and world treasury departments. We don't want to continue to work with the outdated American and world

laws that cause us many terrible money problems. Thus, we need to print all money to solve all the money in America and the world. The outdated American and world laws need to be signed automatically immediately to the new American and world rules of the most futuristic advanced technology in America and the world to give us the paradise dreams come true. Or they need to conduct the Judicial Review with the US and the world supreme courts and reform them immediately or as soon as possible. Moreover, we have the tremendous power that judge Jackson, Ketanji Brown, won 53-47 votes on April 7, 2022.

Priority, we need to conduct the Judicial Review and reform our outdated American laws immediately or as soon as possible. Judge Jackson, Ketanji Brown needs to help us do a 'Judicial Review' and improve all outdated American laws to give American people the highest class lifestyles and equality for each American. We need to end the American low-class and middle-class lifestyles immediately. Therefore, we can buy all 8K autonomous exotic computer cars, autonomous cruises, autonomous spaceships, automated luxury houses by the beaches, and so forth, like today and the future comes. Time has changed, and technology gives us the most remarkable lives. Thus, we need to update the US and world laws to enjoy our true highest-class financial freedoms forever.

Truthfully, all the outdated American and world laws need to be omitted or intentionally or forgetfully immediately shut out. They are causing many terrible money problems, such as distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions. We got former President Barack Obama and Jackson Ketanji Brown. We got the POWERS!!!!!!!!!!!!!!!!!!!!!! Cheers!!!!!!!!!!!!!!!!!!!!!! Let's make the most remarkable American history. Diamonds are forever!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Reasonably, American and international voters voted to select the US and world leaders, Senators, and House Representatives to reform US and world laws about money problems. However, the outdated US and world laws right now are against our human free will about our financial needs. They are the most significant human errors that need to be automatically reformed or conducted in Judicial Reviews and updated. They need to be signed into law immediately without delay. These human rights need to be the biggest priority and justice. The UN Universal Declaration of Human Rights needs to reform to have a human right to financial freedom automatically. Thus, the World Bank Group, the International Monetary Fund (IMF), and the world federal treasury department will fund money and grants to people globally, fully trillion and trillion US dollars and the world currencies in our bank account immediately without delay.

Each human in this world can not get hurt for money because we can legally print money from the treasury department globally. Therefore, we can buy all 8K autonomous computer exotic cars, autonomous cruises, autonomous spaceships, automated luxury houses by the beaches, and so forth, like today and the future to come. Time has changed, and technology gives us the most remarkable lives. Thus, we need to update the US and world laws to enjoy our true highest-class financial freedoms forever. Cheers!!!!!!!!!!!!!!!!!!!!!! Let's make the most remarkable American history. Diamonds are forever!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Please, US DNC Chairman Jaime Harrison needs to write to US President Joseph Biden and request Mr. President to help us automatically reform our outdated American law. Mr. President needs to sign it into law to give us true free financial freedom and the highest-class lifestyle forever immediately or as soon as possible. Please let the local, national, and world news know that all the outdated American and world laws need to be omitted or intentionally or forgetfully immediately shut out. They are causing many terrible money problems, such as distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions. They need to be reformed and signed into law with financial freedom highest-class lifestyle immediately without delay. These human rights need to be the biggest priority and justice. The UN Universal Declaration of Human Rights needs to reform to automatically have a human right to financial freedom. Thus, the World Bank Group, the International Monetary Fund (IMF), and the world federal treasury department will fund money and grants to people globally, fully trillion and trillion US dollars and the world currencies in our bank account immediately without delay. Time has changed, and technology gives us the most remarkable lives. Thus, we need to update the US and world laws to enjoy our true highest-class financial freedoms forever. Cheers!!!!!!!!!!!!!!!!!!!!!! Let's make the most remarkable American history. Diamonds are forever!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Furthermore, Michael is internally grateful for many emails from First Lady Dr. Jill Biden, President Joe Biden, Democrats, Senator Jacky Rosen, Catherine Cortez Masto, Chairwoman Dr. Dina Titus, Vice President Kamala Harris, Chairman Jaime Harrison, Senator Majority Leader Charles Schumer, Senator Lizabeth Warren, Nancy Pelosi, Senator Maggie Hassan, US Governor of Kansas Laura Kelly, Chairwoman Ronna Mc Daniel, Vice-Chairwoman Tammy Duckworth, President of Heritage Dr. Kevin Roberts, Newt Gingrich, Former First Lady Mitchel Obama, Former Former President Barack Obama, Bill Gates, Dr. Ben Carson, Senator Cory Booker, Senator Mark Kelly, Republican Party, Congresswoman Ilhan Omar, Senior Director of United Nations Association – USA, Farah Eck, Director of United Nations Association – USA, Rachel Bowen Pittman, World Bank Live Updates, CBS News, CNN News, Trump News, Young America's Foundation – Reagan, Medium Daily Digest, US Congressman Jeff Duncan, Ted Cruz, LVMPD Foundation, Jimmy Carter, Clinton Foundation, George W. Bush Presidential Center, United Nations Foundation, Lizabeth Cousens and many other politicians globally, to fight every day for the most significant future for the American and international people. I liked that First Lady Dr. Jill Biben's email stated on April 25, 2022, **"MICHAEL -- when Joe launched his campaign for President three years ago today, I knew that his race would never be about him. It would always be about you. You helped elect Joe, hold the Democratic majority in the House, and flip the Senate. Since then, we've accomplished a lot together. Joe and Kamala are working hard for you every day to build a better America, and we can't stop now."**

Additionally, thanks very much for Mr. President's email on April 8, 2022, to celebrate Jackson, Ketanji Brown. I'm so thankful and sincerely appreciate many valuable emails. Many thanks!!!!!!!!!!!!!!!!!!!!!! I liked that President Joseph Biden stated in Mr. President's email on March 31, 2022, "We are stronger today than we were a year ago, and I'm confident that we'll be stronger a year from now than we are today. Make no mistake, we would not be here were it not for our Democratic leaders at the local, state, and federal levels -- and the folks like you who helped elect them, MICHAEL." Michael is so thankful and sincerely appreciates many valuable emails. Many thanks!!!!!!!!!!!!!!!!!!!!!!

Moreover, it's the most excellent news that former President Barack Obama teamed up with Mr. President in the White House again. Thus, we got the power!!!!!!!!!!!!!!!!!!!!!! It is time to celebrate the most futuristic advanced technology in America and the world to have paradise dreams come true. They are the most significant human errors to obey the outdated American and world laws that have forced us to work

against our human free will and our paradise dreams about many money problems. We need to reform the outdated American and world laws to give us the most futuristic advanced technology highest-class lifestyles for each human in the world equality immediately without delay or as soon as possible. These outdated American and world law reforms need not follow the old rules to do the reforms because the outdated American and world laws are totally obsolete. All the outdated American and world laws need to be omitted. They need to have shut out either intentionally or forgetfully immediately because they are causing many terrible money problems, distressingly bad crimes, prostitution, wars, discrimination, etc., globally throughout the American and world histories. They are the most significant human errors, violating the American and global constitutions.

Fairly, they need to be reformed and signed into law with financial freedom highest class lifestyle immediately without delay. These human rights need to be the biggest priority and justice. Thank you very much for reading. Many thanks!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Happiness, Prosperity, Longevity!

trillionaire lives, and they will fill with peace and happiness

forever!!

## Message from the Chair

In May, we celebrate Asian American, Native Hawaiian, and Pacific Islander Heritage Month as well as Jewish American History Month.

The stories and work of the AANHPI and Jewish communities are indispensable to the history of our nation. This month is a reminder that no single group of people drives the story of America. **Our story reflects the best of everyone. Hope. It's the reason we continue to push toward a more perfect union.**

It's the spirit of hope that drove the Biden-Harris administration's work to lift up AANHPI and Jewish communities. From the passage of the *COVID-19 Hate Crimes Act* spearheaded by Senator Mazie Hirono and Representative Grace Meng, to the *American Rescue Plan* that helped small businesses stay open, to the continued efforts to bring down costs, the administration remains committed to building a government that addresses the everyday needs of every American.

I'm honored and grateful to work alongside DNC Vice Chair Tammy Duckworth and DNC AAPI Caucus Chair Bel Leong-Hong in support of those accomplishments and many more to come. Their example of leadership and service has no doubt inspired countless other members of the AANHPI community who will lead both the Democratic Party and the U.S. into the future.

With all that we should be celebrating this month, it pains me to see the news that the Supreme Court might overturn *Roe v. Wade*. Make no mistake: This would deal a devastating blow to reproductive rights and Americans' fundamental freedom to make their own decisions about their health care and families.

**Extremist Republicans and conservative justices have made it clear where they stand. We need to be just as clear in the midterm election.** Each one of our voices needs to be heard, and we have to fight back with everything we have.

Let's make Republicans answer for their party's relentless attacks on Americans' rights.

## On the Ground

The Colorado Democratic Party launched its **“2022 Democracy Tour, Let’s Come Together”** on May 7. Running until October, the tour will make 12 stops around the state covering every area from metro Denver to the rural corners. It promises food, fun, and politics.

Following an extremely active campaign led in part by the Democratic Party of Hawai'i, the state legislature passed HB 2510, which will raise Hawai'i's minimum wage to \$12 an hour in October 2022; and then to \$14 an hour in 2024; \$16 an hour in 2026; and finally \$18 an hour in 2028. The Hawai'i Dems were vocal leaders in calling on their members to introduce and pass this legislation.

The Texas Democratic Party is rolling out a statewide volunteer relational program, called *Connect Texas*, giving every county party in the state access to those tools. The party is also piloting a small paid relational program. In partnership with PDI, they're also launching an app that allows campaigns and committees to use relational organizing for voter registration. It's customized for states that require voters to physically mail in their absentee ballot requests, like Texas.
